Trump sets steel and aluminum tariffs; Mexico, Canada exempted

WASHINGTON/SANTIAGO (Reuters) - President Donald Trump pressed ahead with the imposition of 25 percent tariffs on steel imports and 10 percent for aluminum on Thursday but exempted Canada and Mexico, backtracking from earlier pledges of tariffs on all countries.

Describing the dumping of steel and aluminum in the United States as "an assault on our country," Trump told a news conference that the best outcome would for companies to move here and insisted that domestic production was needed for national security reasons.

"If you don't want to pay tax, bring your plant to the USA," he said.

Details of the plan came from a briefing by administration officials ahead of Trump's speech. Other countries can apply for exemptions, according to the administration, although details of when they would be granted were thin.

Trump has offered relief from steel and aluminum tariffs to countries that "treat us fairly on trade," a gesture aimed at putting pressure on Canada and Mexico to give ground in separate talks on the North American Free Trade Agreement (NAFTA), which appear to have stalled.

Trump has also demanded concessions

from the European Union, complaining that it treated American cars unfairly and has threatened to hike tariffs on auto imports from Europe. U.S. stocks

extended U.S. President Donald Trump holds a meeting on trade with members of Congress at the White House in Washington

of the announcement, as the Associated Press reported key details. The benchmark Standard & Poor's 500 index was last up 0.3 percent, but the S&P composite 1500 steel index was down 2.7 percent.

U.S. Treasury bonds yields rose slightly, with the yield on the benchmark 10-year Treasury note at 2.86 percent. The Canadian dollar and Mexican peso gained against the

U.S. dollar.

Mexico rejected any linkage to NAFTA in robust terms on Thursday. Mexican Economy Minister Ildefonso Guajardo told Reuters, "Under no circumstance will we be subject to any type of pressure." Canadian Trade Minister Francois-Philippe Champagne told Reuters his country would not accept any duties or quotas from the United States.

Trump's unexpected announcement of the tariffs last week roiled stock markets as it raised the prospect of an escalating global trade war. He appeared to have conceded some ground after a campaign by legislators from his own Republican party, industry groups and U.S. allies abroad. The president said he was pleased with progress in the NAFTA talks, although he repeated that he would be willing to terminate the agreement. The talks were launched after Trump took office last year saying that if the pact was not negotiated to better serve American interests, Washington would leave.

Many observers take a dimmer view of the six-month-old talks, saying little progress has been made and the negotiations are stalled over issues such as autos. Car manufacturing's contribution to the

U.S. President Trump hosts signing ceremony to establish tariffs on imports of steel and aluminum at the White House in Washington

European Financial Affairs Commissioner Pierre Moscovici said.

Countermeasures would include European tariffs on U.S. oranges, tobacco and bourbon, he said. Harley Davidson Inc motorcycles have also been mentioned, targeting House of Representatives Speaker Paul Ryan's home state of Wisconsin.

Even as Trump threatened tariffs and prodded his NAFTA partners, 11 nations gathered in Chile to sign a landmark Asia-Pacific trade pact, one that Trump withdrew from on his first day in office.

Both Guajardo and Champagne were speaking to Reuters on the sidelines of the signing ceremony in Santiago. Trump, who won the White House after a career in real estate and reality TV, has long touted an economic nationalism, promising to bring back jobs to the United States and save the country from trade deals he views as unfair. That has put him at odds with many in his Republican Party. Beijing, which until now had kept largely silent on the issue, sharpened its rhetoric significantly. One lever that China has is U.S. agricultural exports and it has said in the past that it could target soybeans. "Especially given today's globalization, choosing a trade war is a mistaken prescription. The outcome

FILE PHOTO: Stored rolls of steel are seen outside the ArcelorMittal Dofasco plant in Hamilton

will only be harmful," Foreign Minister Wang Yi said on the sidelines of an annual meeting of China's parliament. "China would have to make a justified and necessary response."

China had a record \$375.2 billion goods surplus with the United States last year. Trade tensions between the world's two largest economies have risen since Trump took office, and although China accounts for only a small fraction of U.S. steel imports, its massive industrial expansion has helped create a global glut of steel that has driven down prices.

Most economists and trade specialists say they doubt the steel and aluminum tariffs alone would trigger a global trade war, but point to the risk of further U.S. measures against China as a major tipping point. Trump has also threatened to impose hefty tariffs on European car exports if the EU does take retaliatory measures.

U.S. President Donald Trump holds a meeting on trade with members of Congress at the White House in Washington

U.S., Mexican and Canadian economies far outweighs that of steel and aluminum production.

Several major trading partners have said they will respond to the tariffs with direct action.

"If Donald Trump puts in place the measures this evening, we have a whole arsenal at our disposal with which to respond,"

Houston Councilman Larry Green has passed away.

HOUSTON – City Hall was lit up in green Tuesday night in memory of Houston City Councilman Larry Green, who was found dead inside his home early this afternoon. HPD officers were asked to check on Green after he missed a meeting, Houston Assistant Police Chief Wendy Baimbridge said. Officers forced entry into his home and found Green in his bed. Baimbridge said there were no signs of foul play. Green was 52. Houston Mayor Sylvester Turner said Green captured the essence of being an enlightened public servant. “Houston has lost a groundbreaking advocate for equality, economic opportunity and neighborhood safety,” Turner said. “He was my friend, my fraternity brother, someone who participated in my first campaign. News of Green’s death broke just before Tuesday’s weekly council meeting started. Turner began the meeting by giving condolences to Green’s family, colleagues and constituents.

Pinnacle Senior Center in Southwest Houston

At the Pinnacle Senior Center in Southwest Houston, which Green helped bring to life, the news was devastating to employees and community members who considered him more than just a council member.

An Attorney For More Than 20 Years, Green Served As Houston City Council Member Since Jan. 2012 For The Newly Formed District K

Community Mourns The Death Of Houston Councilman Larry Green

Compiled And Edited By John T. Robbins, Southern Daily Editor

“Everybody was just kind of like in a daze,” said Leroy Price, an employee at the senior center. “Such a good guy, man. So young.” Price said Green would go out of his way to greet him when they’d cross paths in the community. He also remembered frequently seeing Green sitting on benches outside of the community center listening to constituents’ concerns. “Everybody has an individual story with this guy,” said Green. “These people loved him. Like, he didn’t even have to ask, ‘Do I have your vote?’” Council members offered a moment of silence before sharing their memories of Green’s respect and love for his community. Councilman Dave Martin asked for everyone at City Hall to wear green Wednesday in Green’s honor. Rep. Sheila Jackson Lee, D-Texas, said Green had a lust for life when he worked as her district director and that he had a will to make things happen. “I offer you my prayers and my sympathy, and to his extended family ... we embrace you with love and we will walk alongside of you during this journey,” Lee said. “God bless you, Council member Larry Green, and may you rest in peace.”

Councilman Larry Green hard at work at City Hall.

Green served as a council member since January 2012 for the newly formed District K, which spanned from the edge of the Texas Medical Center to the part of Houston that spanned into Fort Bend County. His district also included both

Houston and Fort Bend ISDs and NRG Park. “We all know he respected and loved his community,” said Council Member Brenda Stardig, of District A. ReShonda Tate Billingsley, a well-known author and journalist, went to high school with Green and says the two remained friends through the years. “We have all lost a Houston treasure,” said Billingsley. Several people at the meeting praised Green’s work ethic and dedication to District K. “He was an individual that was going to stand up and speak up, and he did that many times around the horseshoe (council chambers),” said Council Member Robert Gallegos, of District I. Mayor Sylvester Turner said Green also fought on the city’s behalf in Washington, D.C. During a recent trip, Green had advocated for a \$9.4 million grant to pay for new technology to alert drivers to high water at 40 flood-prone intersections, including Alt. U.S. 90 and Beltway 8 in Green’s district.

Councilman Larry Green taking

care of business in District K. During Tuesday’s meeting, Turner announced the city had just landed that grant. It’s proof, his colleagues say, that even though Council Member Green’s chair may be empty, he’s still fighting for the everyday people in his district. “I’m most proud of how you actually had a voice,” said Price. More from Councilman Green’s official bio: Engaged in private practice of law for 21 years, Council Member Green has been responsible for all matters relative to a general practice. During, his first term on Houston City Council, Council Member Green has brought over 20 million dollars’ worth of economic development projects to District K including but not limited to a Houston Police Department station, neighborhood street reconstruction and repair projects, a senior citizen center in Fort Bend Houston and has brought a Tax Increment Reinvestment Zone (TIRZ) for the Hiram Clarke and Fort Bend Houston Area. Additionally, Council Member Green led the efforts to increase the MWBE / SBE participation goals from 22 percent to 34 percent. The Council Member also insured that women owned businesses were included back into the city’s affirmative action contracting program. Council Member Green was appointed by Mayor Parker to be chair of Transportation, Technology and Infrastructure Committee. This Committee is responsible for the Information Technology, Houston Airport System, METRO, Port of Houston and the Public Works and Engineering department projects as well as Rebuild Houston Projects, Water & Sewer, and water resources and conservation.

Houston City Hall lit in green after Council Member Larry Green's untimely death. His colleagues plan to wear green tomorrow in his memory.

Green had recently been appointed by the National League of Cities to serve 2014 Finance, Administration and Intergovernmental Relations Steering committee. As a member of the committee, Council Member Green will address national economic policy, general financial assistance programs intergovernmental relations, census, and municipal bonds issues just to name a few.

Council Member Green earned his BA in Political Science from the University of Houston and a Doctorate of Jurisprudence, from the Thurgood Marshall School of Law, Texas Southern University. He is a member of Alpha Phi Alpha Fraternity, Inc., Greater Houston Partnership, a former Board Trustee of Brentwood Baptist Church, serves on the Board of the Texas Black Expo, and serves on the College of Science and Technology Advisory Board at Texas Southern University.

The medical examiner’s office will determine his cause of death. Green is survived by his brother. (Courtesy <http://www.khou.com/article/news/local>)

New applications for unemployment benefits rose 21,000 to 231,000 to begin March, the Department of Labor reported Thursday in more good news for the economy.

Forecasters had expected jobless claims to tick up, after hitting the lowest mark in nearly 49 years the previous week. But even with Thursday's reported increase, claims are still very low by historical levels. On a monthly average, claims are running at the second-lowest rate in 44 years.

Low jobless claims are a good sign because they suggest that layoffs are rare. In recent weeks, they've been scraping historic lows, hinting that the labor market recovery still has momentum.

"The labor market could not be any better is what this rock bottom low level of unemployment claims means as companies are doing everything they can to keep the workers they have," noted Chris Rupkey, chief financial economist for MUFG.

The continued good news regarding layoffs will raise expectations for Friday's jobs report, which forecasters already reckoned would show over 200,000 new jobs for February.

Signs of a tight labor market, at this late stage of the recovery, will suggest to the Federal Reserve that it is justified in continuing to raise its interest rate target over the course of the year to try to prevent monetary policy from becoming too loose and driving up inflation.

On the other hand, though, continued strong job growth suggests that the recovery could still run further, and that unemployment could fall even further from its current low 4.1 percent rate without inflation rising beyond the Fed's target.

For its part, the Trump administration

Jobless Claims Rise To 231,000 After Scraping Lowest Level In Nearly 50 Years

Compiled And Edited By John T. Robbins, Southern Daily Editor

Compiled And Edited By John T. Robbins, Southern Daily Editor

has stated a goal of not just lowering the unemployment rate, but also generating wage increases and enticing people currently out of the labor market to rejoin the job search.

US Factory Growth Hits Highest Since 2004 --More Strong US Economic Data

Growth among American factories jumped last month, to the highest level in 13 years. That's according to the Institute of Supply Management. Its monthly manufacturing PMI survey has risen to 60.3 in February, up from January's 59.1.

Economists had expected a small fall. Instead, ISM reports that new orders and employment growth were both strong, keeping activity in the sector bubbling away.

電影《有一種喜歡》李玉璽首擔綱男主角：「用角色當藉口吃女生豆腐」

電影《有一種喜歡》由新導演王郁惠編導、《大稻埕》蘇國興與億萬監製聯手打造，從劇本到拍攝上映歷時三年，集結《我的少女時代》李玉璽、秒殺實力偶像畢書盡、王宇兒、葛兆恩(寶弟)、林映唯與李劭婕共同詮釋別於以往的藝校青春電影。2018開春就空降 [Yahoo 奇摩電影網友期待榜] 冠軍，更耗資七位數重金在西門打造新地標，正式開啓2018純愛電影第一響！青春氣勢銳不可擋！今(3/8)發佈《有一種喜歡》李玉璽幕後花絮，首擔綱電影男主角的李玉璽，飾演個性與自己相近的活潑、外放高中生。被導演問及「喜歡這個角色嗎？」李展現平常愛開玩笑的自己答：「其實演久了還滿喜歡的，因為可以用這個角色當藉口去吃女生豆腐(大笑)」李玉璽電影中所飾演的李詩俊，是個很喜歡撩妹的高中生，對待身邊的人也不會有太多顧忌跟包袱，但其實內心對感情這件事有很多沒安全感的地方，所以才選擇到處把妹，讓大家產生他情場得意的錯覺。導演形容：「Dino本來就是理想中詩俊的型，很多人跟我說他其實滿開的、滿活潑的、會逗人家開心、會玩弄人家，聽了就很興奮，對了！這就是詩俊！」電影《有一種喜歡》由星泰娛樂發行，3月30日我覺得可以，全台上映！

首次擔綱男主角的李玉璽備感壓力做足功課：「要演電影男主角壓力真的很大，花了很多時間做功課，也問了很多科班出身的朋友，

到處找他們討論，訪問每個人對角色的看法，最後自己在做統整，一消化，劇本都翻到爛掉。」導演王郁惠對李玉璽於電影中的表現更是讚譽有加表示：「我不是那麼制式的導演，不會框架一個角色或演員，我讓角色跟演員之間找到他們的共通點，讓他們銜接起來。這次李玉璽真的讓我驚豔，可能連他自己都非常訝異自己怎麼會有這麼好的表現。」電影中有場戲是女主角王乃元在演講台上崩潰大哭，焦急的詩俊(李玉璽飾演)在二樓看見，要衝下去安慰她，必須要很帥氣的快步跑下樓梯並跳過一個矮牆，向

前衝過去抱住女主角。李玉璽演出時因太專注看著女主角沒注意到腳下階梯，結果踩空扭傷腳踝，李玉璽形容自己：「那個當下把大家都嚇慘了，我自己當下還覺得有點糗，明明是帥氣的戲碼，結果一點都不帥了！」(笑)首次參演大銀幕的畢書盡，也非常開心有機會與李玉璽演出，表示：「我在現場看到的玉璽是其實是跟私底下的玉璽差不多的他的樣子，因為他私底下就真的真的是這麼的活潑，大家的一個開心果。」

電影中李玉璽、畢書盡更是吃盡苦頭，除了情緒戲爆發外還

有武打群戲，拍攝足足兩天，導演為求真，要求拍攝當天下午演員到現場排練動作，排練多次後天黑才開始進行拍攝。對於首次於大銀幕拍攝武打戲的李玉璽還是扭傷的狀態，所有工作人員都很小心翼翼，覺得蠻不好意思的，謝謝龍哥(武指)的專業，也很謝謝所有人都很照顧我。」畢書盡透漏：「龍哥的團隊很專業，導演事前也都有讓我們走位，所以我們很安心的拍攝。反而

比較擔心玉璽拍撞桌子的戲份有沒有受傷。」原來是電影中有一幕保護要抓李玉璽的頭去撞桌子，導演一喊卡之後所有的人都圍過去看李玉璽有沒有受傷，經紀人也很緊張，後來看回放才知道畫面看起來真的撞得很用力，李玉璽笑回：「但真的沒有事啦！我的頭真的很硬！」(笑)」電影《有一種喜歡》由星泰娛樂發行，3月30日我覺得可以，全台上映

夢幻校草二人組：花心李詩俊(李玉璽飾)+柔情崔秀男(畢書盡飾)佔據了全校99%女生的夢中情人排行榜冠軍車，當然也包括剛考進藝校的菜鳥王乃元(王宇兒飾)！這位菜鳥是同學眼中的「對不起學妹」，沒美貌又沒自信，不幸卻第一眼就被神采飛揚的人氣學長給吸引！小白兔誤入險惡叢林，殊不知... 她還有野蠻學姊胡明玲(李劭婕飾)和冰山美人學姊林曼仙(林映唯飾)兩位強勁對手！

喜歡一個人可能有100個原因，也可能連1個理由都沒有。當詩俊開始注意到這個不起眼的學妹時，明玲學姊眼明立即觀察到他倆互動，於是跟詩俊打賭能否讓菜鳥學妹不知不覺的掏心喜歡上他！另一方面，秀男總是守護在詩俊身邊，認為沒有人可以配得上詩俊，包括跟他整天混在一起談天的曼仙。賭注已經開始，菜鳥傻呼呼的初戀，是否變成殘酷的成人禮？詩俊能逃出自自己的「喜歡」賭注嗎？

《多桑不在家》性感男神 齊藤工月底旋風來台會影迷

甫於去年底來台參加高雄電影節的日本性感男神齊藤工，本月(3)月底將再度帶著首度執導之作《多桑不在家》來台會影迷，台灣粉絲即將大飽眼福！台灣片商更特別為齊藤工安排兩場粉絲放映見面會，即將於3月23日在喜滿客京華影城舉辦「台北首映暨粉絲見面會」，3月24日於台北國賓影城長春廣場舉辦「特別放映暨粉絲見面會」，兩場活動將分別於本週六3月10日中午12點整、13點整於博客來售票網準時開賣！此次兩場活動的票價820元取自「爸愛你」的趣味諧音，呼應電影中溫暖動人的父子情深，隨再贈電影原文海報乙張，以及齊藤工特別準備之神秘

小禮物乙份。更多關於齊藤工見面會的售票相關資訊請上天馬行空官網或天馬行空粉絲團查詢。出道17年的齊藤工，首執導演筒便交出亮眼成績，不僅橫掃國際影展六項大獎，更一舉榮登日本電影網站票選2018最期待電影第一名。面對首部作品卓越的成績，齊藤工始終保持謙虛，「對於像張糯米紙一樣淺薄的我而言，『導演』的頭銜過於沉重，我還不敢接下。但是我參與這部作品的方式，除此之外好像沒有更適合的職位了，所以請容我以導演自稱。」齊藤工也表示，本片在拍攝階段便很幸運地引來各方爭相投資，就連日本資深偶像福山雅治也以個人名義出資，

讓齊藤工感動不已，「這是一部充斥許多奇蹟的作品，我打從心底覺得這是一部必然會被拍攝出來的電影。在電影之神微笑著的時候，希望各位能到電影院觀賞。」本片將於3/30在台上映。

《多桑不在家》故事講述沉溺於賭博，留下債務一走了之的父親，在消失13年之後，再次出現時只剩下三個月壽命。母親和大哥拒絕去探病，幸治心裡始終記得兒時跟父親玩接球的溫馨回憶，決定去醫院探望父親。可是他卻對金錢觀崩壞的父親再次失望，無法改善親子之間的關係，直到父親離開人世。而後，在

父親的告別式上，聽著來參加告別式，父親為數極少的友人們，輪番說出，那些自己從來不知道的往事，讓幸治重新認識起自己的父親，慢慢填補起那空白的13年……。這個家的故事也許不是最特別的，卻是世界上獨一無二的。故事原案來自於齊藤工執導的上一部短片「Balancer」的編劇橋本幸二先生的真實人生體驗。真人真事改編的故事通常較能帶出常見的家庭價值觀和愛恨的標準，細細探討人生，以紮實的力道反映議題，深入觀眾的內心世界。更多電影訊息請上天馬行空官網或天馬行空粉絲團查詢。

「那個靜默的陽光午後」 另類角度探討生死

台灣導演陳志漢以獨特角度探討生命議題的紀錄片「那個靜默的陽光午後」(The Silent Teacher)日前入選紐約現代藝術博物館(MoMA)第17屆「紀錄片雙周影展」，在MoMA放映，導演出席映後座談，與觀眾深入分享拍攝歷程。

片長73分鐘的「那個靜默的陽光午後」，透過解剖課的「大體老師」(對捐贈遺體作為醫學生解剖課使用的亡者的尊稱)家屬林先生與醫學系學生的視角，帶領觀眾凝視死亡，並深入思考生命的意義。該片記錄「大體老師」家屬的心路歷程，題材的特殊性與發人深省的生命故事，讓該片入選去年「加拿大國際紀錄片影展」。

駐紐約台北經濟文化辦事處台北文化中心主任張書鈞表示，他在網路上看過該片片段之後，被其特殊選題、獨特視角和切入點所吸引。MoMA的影展喜愛選

擇反傳統影片，台灣能有這樣一部佳作入選令人非常受鼓舞。

陳志漢介紹，他最開始想拍攝醫病主題的紀錄片，在台灣醫學院解剖課上正式解剖前，學生要先認識大體老師的家屬，這就是醫病關係的開始，而他在認識林先生後，逐漸了解林先生和過世妻子間深厚的感情，被其打動，逐漸將二人的感情作為紀錄片的主题。

陳志漢還表示，雖然華人一般不會提及死亡和屍體相關話題，但其實這一話題是所有人都應該學習的，學習了生命議題後，才會更加珍惜生命，珍惜與家人互動的時光，抓緊時間做自己想做的事情。而且他認為該片是從很特別的角度拍攝死亡，不會讓人感到恐懼，更多是讓人感到生命的珍貴和親人間情感的深厚，他在開拍之前先用半年時間與林先生接觸，拍攝過程中當大體老師切下第一刀時，他自己也幾乎要哭出來。

Ocean Palace 珍寶海鮮城

天天茶市 正宗粵菜 港式點心

二樓大型豪華宴會廳 大型舞台,可容納百餘席

精心承辦婚禮/壽宴/社團等各類型宴會
