## Parted at U.S. border by Trump policy, migrants seek their children

A woman holds an urn containing her son's remains as U.S. President Donald Trump holds an "Angel Families" meeting with victims of illegal immigration at the White House in Washington,

SAN FRANCISCO/WASHINGTON (Reuters) - Lilian Merida-Galicia and her 7-year-old daughter were apprehended after crossing the U.S.-Mexico border in Arizona and separated by U.S. officials in mid-May. Since then, the 23-year-old Guatemalan has been trying to learn her daughter's whereabouts, according to her attorney, Michael Avenatti. At one point she sent a note to U.S. Immigration and Customs Enforcement (ICE). "Please could you send me a phone number so that I can communicate with my daughter?" read the note, which was written in Spanish and seen by Reuters. An ICE officer replied in a note in English: "I do not have this information." Merida-Galicia, who is being held in California, is just one of many incarcerated immigrant mothers whose attorneys tell similar stories about chaotic situations in which the mothers don't know where their children have been taken or how to contact them. The mothers themselves could not be contacted because access to detained immigrants is difficult. Although President Donald Trump abruptly reversed course on Wednesday following a wave of outrage at home and overseas and abandoned his policy of separating children from parents who are apprehended for illegally crossing the U.S.-Mexico border, the fate of the more than 2,300 children already separated

from their parents while Trump's policy was still in force is unknown. U.S. judge says may rule next week on reuniting migrant children U.S. judge says may rule next week on reuniting migrant children U.S. Navy drafts plans to house 25,000 immigrants at cost of \$233 million White House accuses Democrats and media of exploiting toddler photo Avenatti, who has made headlines representing porn star Stormy Daniels in an unrelated lawsuit against Trump, said Merida-Galicia is among more than 60 immigrant parents he represents and 80 percent of them do not know where their children are. The federal government and Congress scrambled on Friday to address the many unanswered questions raised by the hastily drafted executive order Trump issued on Wednesday. Attorney Luis Cortes Romero in Kent, Washington, said he represents a Salvadoran woman who was separated in early May from her 11-year-old daughter with Down syndrome after the two crossed the U.S.-Mexico border in Texas. The woman is being held in Washington state and has decided she doesn't want to pursue asylum so that she can be deported and reunited with her daughter, he said. "She said she never wants to come back, and that this experience has been so traumatizing," Cortes Romero said.

Trump suggested on Friday that some of the wrenching tales that have emerged from the border were fabricated by Democrats.

"We cannot allow our Country to be overrun by illegal immigrants as the Democrats tell their phony stories of sadness and grief, hoping it will help them in the elections," he tweeted.

### CONGRESS STUMBLES

Trump urged Republican lawmakers on Friday to drop their efforts to pass comprehensive immigration legislation until after the November congressional elections, flip-flopping on his appeal earlier in the week for Congress to act soon. Trump has gone back and forth on ways to solve the country's immigration problems, which he blames on Democrats. "Elect more Republicans in November and we will pass the finest, fairest and most comprehensive Immigration Bills anywhere in the world," Trump said on Twitter. Republicans should stop wasting their time on Immigration until after we elect more Senators and Congressmen/women in November. Dems are just playing games, have no intention of doing anything to solves this decades old problem. We can pass great legislation after the Red Wave!" he

said. All 435 House seats and a third of the 100-member Senate will be up for grabs in November. Democrats are hoping that discontent among voters with Trump's policies, including on immigration, will help the party make gains in Congress and flip control to Democrats in at least one chamber. The House of Representative on Thursday rejected a bill backed by conservatives that would have halted the practice of splitting up families and addressed other immigration issues. The House postponed until next week a vote on a more moderate bill after it failed to attract enough support for passage. But Trump's latest tweets could doom that effort. "Game over," said Representative Mark Sanford, a Republican critic of Trump who came under withering attack from the president before losing his primary race this month. "Without the president having legislators' backs, there's no way they're going to take the risks that would be inherent in a major reform bill," Sanford told CNN. Representative Ileana Ros-Lehtinen, a Republican who represents a majority Hispanic district in Florida and is not running for re-election, said Trump's tweets amounted to "schizoid policy making."

## Xiaomi puts indefinite delay on CDRs in blow to China's plans for tech listings

By Nancy Sarnoff

HONG KONG (Reuters) - Chinese smartphone maker Xiaomi Corp (IPO-XMGP.HK) said on Saturday there is no time frame for a mainland share offering, casting doubt on Beijing's efforts to lure foreign-listed Chinese tech giants back home. Xiaomi's Founder, Chairman and CEO Lei Jun attends a news conference in Hong Kong, China June 23, 2018. REUTERS/Bobby Yip

Xiaomi had been expected to raise up to \$10 billion, split between its Hong Kong and mainland offerings. But in a surprise move this week, it postponed its mainland share offering until after it completes its scheduled July 9 listing in Hong Kong. It did not say when it would restart its China depository receipts (CDRs) issuance process or why it was postponing the mainland offering.

Sources told Reuters the decision was mainly because of a dispute between the company and Chinese regulators over the valuation of its CDRs, but the company denied this.

"We've had many rounds of discussions with the regulators and reached a consensus that to ensure the quality of our CDR issuance, it's better that we go public in Hong Kong first," Xiaomi's chief financial officer, Shou Zi Chew, told a news conference in Hong Kong.

Xiaomi, which also makes internet-connected devices, awarded its chief executive

and co-founder Lei Jun about \$1.5 billion worth of shares for his contribution to the company, it said in an updated regulatory filing this week, in one of the largest one-off share-based corporate bonuses in years.

The \$1.5 billion stock, which has been awarded to Lei's holding entity - Smart Mobile Holdings Ltd - was recorded by Xiaomi as share-based compensation expenses on April 2, one month before it filed for its blockbuster Hong Kong IPO. Xiaomi is the latest high-profile company to lavish its senior executives with large stock awards ahead of a stock market flotation in recent years.

Its co-founder and president, Lin Bin, defended the board's decision on the compensation. "Many new-economy companies have compensated their chairmen or CEOs with stocks ahead of the IPOs. Xiaomi isn't the first and won't be the last to do so," he said at the news conference.

Lin added Xiaomi's board unanimously agreed on the stock award to Lei, who "completely knew nothing about it". Chinese e-commerce power-

Xiaomi's Founder, Chairman and CEO Lei Jun attends a news conference in Hong Kong, China June 23, 2018. REUTERS/Bobby Yip

house JD.com (JD.O) awarded CEO Richard Liu stocks worth nearly \$900 million at the company's IPO price, ahead of its New York listing in 2014. Xiaomi has lined up \$548 million from seven cornerstone investors including U.S. chipmaker Qualcomm Inc (QCOM.O) for its Hong Kong IPO, Reuters reported on Thursday. The offering is set to be the first listing

under new exchange rules designed to attract tech floats, as competition heats up between Hong Kong, New York and the Chinese mainland. It is selling about 2.18 billion shares at a price range of HK\$17 to HK\$22 (\$2.17 to \$2.80) each, representing a multiple of 22.7-29.3 times 2019 earnings forecast by its underwriting syndicate.

Amazon is in the final stages of figuring out its strategy to get into the multibillion-dollar prescription drug market.

The company will decide before Thanksgiving whether to move into selling prescription drugs online, according to an email from Amazon viewed by CNBC and a source familiar with the situation. If it decides to make that move, it will start expanding its senior team with drug supply chain experts.

Amazon typically spends years researching opportunities before it telegraphs its intentions. The opportunity to sell drugs online is alluring given its market size -- analysts have estimated the U.S. prescription drug market at \$560 billion per year. Amazon is well aware of the complexities, say sources familiar with the company's thinking.

**Amazon declined to comment.**

In the past year, Amazon has ramped up its hiring and consulted with dozens of people about a potential move into the pharmacy market. The consumables team, which includes groceries, kicked off the research, with the division's vice president, Eric French, taking the lead.

It brought on Mark Lyons from Premera Blue Cross to build an internal pharmacy benefits manager for its own employees, say multiple people familiar. According to one of the people, it's possible that the push into the broader drug supply chain hinges on its success with this effort.

In May, the company kicked off its search for a general manager to lead its pharmacy push, externally dubbed "healthcare."

Analyst firm Leerink has separately reported that Amazon will get into the pharmacy management space and expects an announcement within the next year or two. Goldman Sachs published a report on the topic in August of this year, speculating that Amazon will ultimately look to im-

Amazon CEO Jeff Bezos

prove price transparency for consumers and reduce out-of-pocket costs.

Amazon already has a business selling medical supplies online, such as gauze and thermometers. It also has a health team called 1492, which is focused on both hardware and software projects, like developing health applications for the Echo and Dash Wand. Its cloud service, Amazon Web Services, continues to dominate the health and life sciences market. (Courtesy <https://www.cnbc.com/>)

This doctor has been

emailing Jeff Bezos for years begging Amazon to get into health

Josh Umbehrr is on a mission to bring down the price of prescription drugs. So he turned to the one man he believes that can do it: Amazon CEO Jeff Bezos.

Josh Umbehrr (Courtesy Atlas MD)

Josh Umbehrr, a Kansas-based family physician and entrepreneur, is on a mission to bring down the price of health care, starting with prescription drugs.

So for years, he's been regularly emailing the one person that he believes can make a difference.

And that's Amazon CEO Jeff Bezos. "Amazon could work with small pharmacies across the country to provide a huge value to Prime customers, on a regular basis (with) short delivery times, not to mention the effect it would have on competition that over charges immensely," one of Umbehrr's emails to Bezos suggests.

Umbehrr says he has contacted Bezos about every other week for several

years, and forwarded about half-a-dozen of these emails on request.

"I love Jeff," he said.

While Bezos has never personally responded, Umbehrr's hopes soared when an Amazon employee got back to him encouraging him to submit a business proposal.

Amazon also wrote that he would hear from the company if his ideas "contributed to Amazon's business goals."

But in January 2017, Umbehrr received his most detailed response informing him that his email had been forwarded along to Amazon's business development team. "Jeff has empowered talented people on this team to work closely with and make strategic decisions about these issues," the email reads.

**Amazon's push into the drug supply chain**

CNBC reported in May that Amazon was looking to hire a general manager to lead its potential push into pharmacy, a multi-billion market. It also has brought on dozens of health and medical workers for a variety of health-related business units.

Some experts have speculated that Amazon could step into the space by focusing on those who opt to pay cash, rather than to use insurance. One such insider is Adam Fein, president of Pembroke Consulting, who has previously suggested that Amazon could support the growing number of people who are willing to pay out-of-pocket for cheap generic drugs.

For Umbehrr, this strategy makes sense as the drug supply chain offers very little transparency into the actual cost of medicines.

When he's not emailing Amazon, Umbehrr dedicates his time to his direct primary care practice, Atlas MD, which provides cash-only medical services like discounted drugs. He started the group in 2010, and has grown in to 3,000 patients who are willing to pay between \$10 and \$100 a month for unlimited work visits, home visits and procedures.

Amazon would potentially compete with businesses like his, but Umbehrr said he wouldn't mind.

"I welcome the direct competition," he said. "We need a national health care solution to this problem." (Courtesy <https://www.cnbc.com/2>)

There are more Americans alive today than at any time in our history: 323.1 million, according to the latest U.S. Census Figures from 2016.

But as a percentage of the population, fewer American youth are physically capable of fighting in the nation's wars, fighting crime or fighting fire, as evidenced by the growing number of young people who can't pass physical standards to become soldiers, police officers or firefighters. As reported by the UK's Daily Mail, 'fed' by fast food, processed food, junk food, and everything but naturally produced food, an astounding 26.5 percent of young people in the state of Colorado cannot qualify for military service due to their weight, according to a new report from the non-profit Council for a Strong America. In addition, the report noted, the childhood obesity epidemic in America is not just cause for concern for the all-volunteer U.S. military, which must recruit 250,000 people annually out of about 400,000 who become eligible in order to sustain congressionally-mandated personnel strength for the Army, Navy, Air Force, Marines and Coast Guard. The figure includes both active as well as reserve components, along with the National Guard, a state-centric force that is eligible for a call-up to federal active service. It is also becoming an issue for fire and police departments around the country.

The obesity problem, of course, isn't just limited to Colorado. In 2015, according to the most recently available data from the Centers for Disease Control and Prevention, about 14 percent of American high school students were rated as obese. The Council for a Strong America warns that the obesity epidemic, when taken together with other factors that lead to ineligibility for military, police and fire service

# America's Youth Deemed Too FAT To Fight — Wars, Crime Or Fires — As Obesity Epidemic Spreads

Compiled And Edited By John T. Robbins, Southern Daily Editor

such as tattoos and criminal records, a high percentage of youth remain outside the circle of availability. And what's more, Colorado is supposed to be the country's "fittest" state. The Daily Mail, citing the study, reported further:

**The report found that a staggering 70 percent of people between 17 and 24 years of age in Colorado are ineligible to serve based on obesity, lack of education, or their criminal records.**

**The report also said that 71 percent of people in that age group across the nation are unfit to serve.**

The report noted that weight was the top disqualifying factor in Colorado for military service, making about 30 percent of youth ineligible.

ineligible for military service a national security threat. As long ago as 2013, researchers and the Pentagon noted that the rising obesity epi-

demically was making it hard to fill the ranks. At the time one organization comprised of retired military leaders, Mission: Readiness, reported that 27 percent of American youth were too fat to fight.

A year earlier, HuffPost reported the same statistic.

As for police and fire departments, many of them do not have the same physical fitness entrance requirements as the military, but obviously, those jobs are very physically demanding. As such, the obesity epidemic is making it more difficult to fill police and fire department ranks as well. The Daily Mail reported that some research suggests between 9 and 11 percent of firefighters are severely overweight, citing a report last year in FireRescue.org. Meanwhile, the paper said, a 2014 study from the Houston School of Public Health found that as many as 70 percent of firefighters in its study were obese or otherwise overweight. And a 2011 study found that overweight firefighters were five times more likely to miss work because of an injury.

The stats for cops are no better. The paper reported that an FBI study found that eight of 10 police officers were considered obese or overweight. (Courtesy <https://www.naturalnews.com>)

the body uses for healthy functioning, growth, and physical activity can lead to extra weight gain over time.<sup>4</sup> The Dietary Guidelines for Americans encourage children and adolescents to maintain calorie balance to support normal growth and development without promoting excess weight gain. Energy imbalance is a key factor behind the high rates of obesity seen in the United States and globally. Many factors contribute to childhood obesity, including:

**Related**

**Obesity Facts**

**Overview**

In the United States, the percentage of children and adolescents affected by obesity has more than tripled since the 1970s. Data from 2015-2016 show that nearly 1 in 5 school age children and young people (6 to 19 years) in the United States has obesity.

Obesity is defined as having excess body fat. Body mass index (BMI) is a widely used screening tool for measuring obesity. BMI is a person's weight in kilograms divided by the square of a person's height in meters. Scientists have found that BMI is moderately related to direct measures of body fatness. Measuring height and weight is easier and less expensive than other methods for assessing weight status. CDC recommends that health professionals use BMI percentile when measuring the bodies of children and young people aged 2 to 20 years. BMI percentile takes into account that young people are still growing and are growing at different rates depending on their age and sex. Health professionals use growth charts to determine whether a young person's weight falls into a healthy range for his or her height, age, and sex.

- CDC defines overweight in children and young people as a BMI at or above the 85th percentile and less than the 95th percentile for young people of the same age and sex.
- CDC defines obesity in children and young people as BMI at or above the 95th percentile for young people of the same age and sex.

**Causes of Obesity**  
Consuming more energy from foods and beverages than

Genetic factors are difficult to change. However, people and places can play a role in helping children achieve and maintain a healthy weight. Families, communities, schools, out-of-school programs, medical care providers, faith-based institutions, government agencies, the media, food and beverage companies, and entertainment industries all influence the dietary and physical activity behaviors of children and adolescents.

Changes in the environments where young people spend their time—like homes, schools, and community settings—can make it easier to achieve and maintain a healthy weight. Schools can adopt policies and practices that help young people eat more fruits and vegetables, get at least 60 minutes of physical activity daily, and eat fewer foods and beverages that are high in added sugars or solid fats. # 誰說合拍片不賺錢？占據票房半壁江山！ 業界大佬齊聚“中美電影博覽會”發布會 解讀合拍趨勢

“美中影視產業博覽會”(UCFTI EXPO)昨日在上海電影節期間舉辦中國發布會。作為唯壹溝通中美兩國影視全產業鏈的大型國際交流與合作平臺，2018年是美中影視產業博覽會舉辦的第五個年頭，來自美中影視產業博覽會(UCFTI)合作方的中美兩國產業大佬齊聚，就中美兩國影視產業的合作動態進行分享，也展望了未來合作的發展趨勢。

早先中美合拍片剛剛起步的時候，合拍片的市場表現幾乎是拍壹部虧壹部。然而，今年的內地票房數字顯示，合拍片占據了中國票房的半壁江山。

中國電影合作制片公司總經理苗曉天透露：“大家知道中國在近幾年每年有六七百部故事片，合拍電影在60多部。其實不到10%，但是它的票房大概占60%以上。今年上半年票房最好的前三名。《紅海行動》《唐人街探案2》《捉妖記2》都是合拍電影。”

上述三部賀歲大片，都是中國團隊走出國門拍攝的優秀案例。對於這些“走出去”的合拍項目，美國電影協會從中發揮了助力作用，借中國與美國大制作的互相合作，使得兩國的主流電影能有機會與全球觀眾交流。

美國電影協會亞太地區副總裁、大中華區總裁馮偉表示：“壹開始，從8年前我們就積極參與合拍，到現在提到的《唐探2》，也是我們成員公司華納兄弟公司在裏面幫助它整個北美的發行，這部片子體現了中國和美國主流的大公司之間的合作，美國的觀眾不太接受中國的電影，但是有這種合作越來越多的觀眾會走進影院觀看我們的電影。”

好萊塢與中國合拍只需三大條件：

聯合制作、中國元素、中國主創

去年中國的60多部合拍片，分別是與包括臺灣和香港在內的19個國家和地區合作完成的。未來我們的合拍電影、合作的國家會越來越多，數量還會再有增長，合作還會更廣泛。

苗曉天認為：“目前國家政策是鼓勵合拍的，中國在合拍政策方面我認為是比較寬容的，我們和歐洲國家相比我們沒有那麼多限制條件”。

那麼，加入壹個好萊塢公司希望參與中國電影合拍，他們需要滿足哪

些要求呢？

第壹，需要是雙方共同投資，聯合制作；

第二，第二影片內容裏面要有中國元素，如果是壹個完全外國人的故事，這個是不符合合拍要求的；

第三，第三就是主創團隊主創人員，特別是包括演員雙方。主要的演員裏面中國至少有壹個。

今年“美中影視產業博覽會”還將重點聚焦於三大全新亮點：新媒體視頻展映、哥倫比亞大學藝術學院參加的學生電影原創大賽、以及博覽會與美國電影市場AFM(American Film

Market)聯合主辦的“中國展廳”。

針對中國新媒體視頻領域近年來高速增長這壹事實，美中影視產業博覽會今年也將最新亮點聚焦於新媒體視頻展映。主辦方希望通過搭建壹個展示平臺，讓更多優秀的中國青年電影人的作品有機會亮相於國際舞臺。

為了幫助更多的年輕人通過美中影視產業博覽會的平臺起步，博覽會還將繼續擴大學生電影原創大賽的影響力。原創大賽會吸引到包括南加州大學電影藝術學院、加州大學洛杉磯分校影視戲劇學院、紐約大學電影學院、查普曼大學、加利福尼亞藝術學

院以及美國電影學會學院等國際頂級名校的參賽者提供的超過600部優秀作品參賽。今年，來自美國常春藤名校哥倫比亞大學藝術學院的學生作品也將參加到學生電影原創大賽的競選中。

今年，在國家電影局、“中國電影合作制片公司”、中國駐美洛杉磯總領事館的大力支持下，由博覽會主辦方聯合“美國電影協會”、“好萊塢報道”在美國洛杉磯舉行的第三屆“中外合拍片頒獎盛典”，即“金色銀幕獎(Golden Screen Award)”也將於2018年11月3日在洛杉磯隆重開幕。

2018年也將是博覽會與美國電影市場AFM聯手合作的重要壹年。2017年，博覽會與北京新聞出版廣電局組織的“中國北京電影代表團”和上海“東方明珠新媒體股份有限公司”在美國電影市場AFM主場館(Loews Santa Monica)聯合主辦了“中國展廳”獲得國際好評，參展企業也獲得了巨大的成功。

2018年，“中國展廳”將在去年的基礎上全方位啓動，希望吸引更多優秀的中國企業和影視公司參與，從而更好地通過電影這壹視聽語言傳播及弘揚中華民族的優秀文化和人文精神，讓中國文化繼續在世界舞臺上綻放光彩。

美中影視產業博覽會涵蓋美中影視全產業鏈，通過打造影視節目交易平臺、影視制作、投資、發行資源整合平臺以及影視技術設備交易平臺這三大平臺，就影視技術和裝備、影視產品、影視人才交流和培訓、影視融資等方面，為美中影視產業全方位的密切合作提供便利的溝通渠道。

## 《新烏龍院》曾誌偉教你“怎樣做壹個壞人”

即將於7月13日上映合家歡喜劇《新烏龍院之笑鬧江湖》近日曝出壹支特輯，別出心裁地教人“怎樣做壹個壞人”，曾誌偉、王寧領銜電影裏壹眾反派人物，全方位講述了作為壹個壞人的心得，詼諧搞笑之余也讓觀眾對於這些個“壞人”有了更加立體的瞭解。

王寧此次飾演的角色是壹個“壞

得有點可愛”的壞人，“大佬”曾誌偉在壞之余還是個十足的“女兒奴”。導演朱延平在此前的採訪中透露重拍“烏龍院”是因為找到了可以接替郝劭文、釋小龍的萌娃。有了這些喜劇元素的加入，《新烏龍院》的合家歡屬性令人期待。

此次曝光的特輯聚焦了烏龍院裏的壞人群體，作為反派人物，他

們各有各的壞。比如王寧的“小強”式壞人出身市井，為了完成自己作為壹個壞人的目標，他在日常生活中設計了搶小孩子的錢，硬扶老爺爺過馬路等“偷拐搶騙”的招數。實際上他也並沒有壞得徹底，反而因為刻意使壞大多數時候都變成了鬧劇，這個壞人實在是“壞得有點可愛”。

“大佬”式壞人曾誌偉排場十足，還差遣王寧和孔連順進入烏龍院盜寶，壹方面他叱咤風雲、無惡不作，可大佬的另壹面卻又是個十足的“女兒奴”，壞裏透著溫情，讓人又恨又愛。王寧和曾誌偉在電影裏雖然看似站在同壹陣營，但二人的關係卻十分微妙，至於劇情最終會朝著怎樣的方向發展，就要等到電影上映才能揭曉了。

據悉，電影《新烏龍院之笑鬧江湖》即將於7月13日全國上映。

## 黃飛鴻葉問玩穿越！ 喜劇《功夫聯盟》定檔10.19

劉鎮偉的導演新作《功夫聯盟》宣布定檔10月19日上映，這部功夫喜劇講述黃飛鴻、霍元甲、陳真、葉問四大武學宗師穿越來到現代，幫助漫畫家完成理想的故事，由趙文卓、安誌傑、陳國坤、杜宇航領銜主演，還有意想不到的角色“客串”。

影片昨日在上海電影節上舉辦“比武大會”暨定檔發布會，導演劉鎮偉率三大宗師——黃飛鴻扮演者趙文卓、陳真扮演者陳國坤、葉問扮演者杜宇航亮相，揭開影片定檔海報與定檔預告片真容。

劉鎮偉說影片的穿越情節重點並非顛覆傳統，他表示：“我是個很傳統的人，沒有想太多顛覆的東西，我希望用《功夫聯盟》去弘揚我們的傳統文化”。

電影《功夫聯盟》中，我們將看到無影腳、迷蹤拳、連環腿、詠春拳在銀幕上同框碰撞的火花。劉鎮偉認為四大武術宗師在電影裏很長時間都是壹個樣子，經過趙文卓、安誌傑、陳國坤、杜宇航的演繹之後，《功夫聯盟》裏這四大師傅變成了

“很溫和很有人情味的角色”。

當然劉鎮偉導演鐘愛的喜劇元素在影片裏也會無處不在。趙文卓總結道：“我們演的很認真，劇情設計會讓你有時候會心喜笑，有時候會讓你捧腹大笑。不是故意逗妳樂，是很走心走腦的效果。”

# 海外追逃電影

## 《A級通緝令》啟動制作

### 首部檢察公安部門聯手打造影片 先導海報曝光

電影《A級通緝令》在第21屆上海電影節之際舉行新聞發布會，向大家推薦了這部全新主流電影項目。《A級通緝令》是中國首部檢察與公安部門聯手跨界打造的海外追逃電影，昨日正式宣布影片制作啟動，壹款概念海報同步曝光。

影片目前處在劇本打磨階段，導演人選也正在協商當中，此前曾與高群書多次接觸，但最終未能促成執導。《A級通緝令》將是壹個打擊金融犯罪，維護群眾與國家利益為核心的故事。

據中國檢察官文聯影視協會會長馬麗莉介紹：“《A級通緝令》是壹部法治題材、現實主義主旋律電影藝術作品，以法治精神和公平正義為核心文化元素和藝術創作支點，以國家追逃追贓行動為社會背景，以執法機關通令緝捕負案在逃犯罪嫌疑人的跌宕懸疑、險象環生的案情為故事結構，抒寫執法者不負使命、責任和對國家的承諾，雷霆出擊、睿智執著，懲治犯罪，維護法治尊嚴、維護正義的精神密碼、英雄圖譜，彰顯了有逃必追、雖遠不忘，負罪必誅、罪無可遁

的正義鐵律和天理公道。”發布會上，來自金融行業的電影投資家們與電影行業資深從業人員就“創新電影金融，助力電影工業化進程”展開主題對話。以解決電影項目及電影公司投融資痛點為核心，主要探討“金影融合”新模式。對話中探討了小成本電影成為爆款的原因，有嘉賓認為，小成本、“用真心”的電影可能成為將來市場的寵兒。當天，網絡軍事電影《戰天嬌之嬌龍再生》的主創們也為觀眾揭開了《特種兵王》系列電影的神秘面紗。

# 2018年萬達W+戰略發布 全新影視片單曝光

## 陳思誠《唐人街探案3》將使用IMAX攝影機拍攝

6月19日晚，“萬達之夜”在上海萬達瑞華酒店舉行。活動當晚，萬達影視集團總裁曾茂軍與現場嘉賓壹起回顧了過去壹年裏萬達在W+戰略下作出的努力和成績，並全面解讀了2018年W+戰略的新升級。從項目研發的多元化國際化，原創IP的全面開拓到發掘優秀青年影視人才的菁英+計劃，以及擁有尖端技術設施和優越拍攝條件的東方影都全面開幕，萬達已逐步構建並完善自有的電影工業化體系，成為打通上下遊產業鏈的全球電影生態圈企業。

活動當晚，萬達影視集團也首次對外發布了2018年片單，分為華語新勢力、動漫新紀元、國際新格局、劇集新篇章四大板塊，呈現出多元化、國際化的趨勢。

此外，活動上還宣布東方影都與IMAX計劃建立攝影機戰略合作。據悉，ALEXA IMAX攝影機是壹款65毫米革命性數字攝影機，能拍攝到分辨率極高的影像，達到前所未有的畫面質量和廣度。導演陳思誠受邀現場見證萬達和IMAX公司的揭幕及簽約，並表示將采用這臺攝影機拍攝《唐人街探案3》。

據悉，新戰略中，萬達會引進血紅作品《巫頌》，並與合作夥伴中文在線達成全方位深度合作，雙方聯手圍繞影視遊產品對《巫頌》進行長線開發。《巫頌》是壹個有著廣闊世界觀和粉絲沈澱的網文經典作品，目前萬達攜手中文在線的作品《巫頌》定制了長達十年的開發規劃，其中包括3部電影，6部衍生超級劇，未來會將《巫頌》嫁接到萬達豐富的場景中。

影視產業的發展必然離不開專業的人才。萬達菁英+計劃正是萬達在助力中國電影工業化進程中的人才戰略規劃。事實上，萬達從成立影視公司起就始終默默關注並扶植年輕電影人，陳思誠、烏爾善、大鵬、韓延等諸多如今已是行業翹楚的導演們，其電影處女作都與萬達緊密相關。

由烏爾善執導的英雄神話史詩《封神三部曲》目前正在東方影都影視產業園緊張籌備，烏爾善現場肯定了東方影都硬件設施、全產業鏈結構等優勢，說道：“電影工業化有三個最重要環節，項目開發、制作管理和電影技術方面。東方影都以高標準的硬件設施與軟件服

務體系，全面滿足《封神三部曲》的拍攝需求。”

東方影都項目總投資500億元，建有全球設施最先進、配套最齊全的影視產業園，擁有40個高科技攝影棚，包括世界最大1萬平方米的攝影棚、世界唯壹室內外合臺的水下攝影棚、大型影視外景地、世界先進的影視後期制作工廠，並有國際大劇院、國際秀場、萬達茂等影視產業配套設施。

曾總裁表示，東方影都享有總額50億元影視產業發展專項資金，對入駐東方影都拍攝的影視作品給予制作費用20%-40%的補貼；青島市設立專項扶持資金，對在東方影都註冊經營的影視企業，給予最高可達營業收入10%的補貼。

據悉，東方影都已吸引20家中外劇組簽約拍攝，其中包括好萊塢大片《環太平洋：雷霆再起》、黃渤導演處女作《壹出好戲》、中國科幻電影《流浪地球》等。作為東方影都即將入園的第20家劇組代表，樂創文娛高級副總裁黃紫燕現場與萬達影視集團總裁首席助理兼東方影都總經理孫恒勳共同進行第20家劇組入園簽約。

# 周星馳《美人魚2》 吳亦凡挑大梁？ 港媒透露演員陣容消息 周星馳方面否認

日前，港媒報道稱，有知情者透露了壹些關於《美人魚2》演員陣容的信息：除《美人魚》的主演林允、鄧超各自回歸自己的角色外。在《美人魚》片尾出現的吳亦凡將成為《美人魚2》的主角。去年主演了賣座喜劇《羞羞的鐵拳》的演員艾倫也將加盟《美人魚2》。

《美人魚2》前不久剛剛殺青，電影壹直保持神秘的狀態，除主演林允回歸外，關於《美人魚2》主演陣容的

消息尚無法確認真偽。6月19日下午，周星馳方面工作人員否認了港媒的消息。

在此前曝光的《美人魚2》廣電總局電影劇本立項公示中，《美人魚2》的故事是這樣的：龍天娜和龍劍飛帶著能任意穿梭太空的“蟲洞計劃”出現，劉軒因此復出商場，人魚珊珊誤打誤撞成了太空員，漸漸糾纏不清的四角關係背後，還藏著驚天陰謀。

美南報業電視傳媒集團與光聲電信集團(Phonoscope Global)聯手成立美南光聲電信傳媒集團

## 引領時代先驅 有速度才有競爭力

## 打造國際光纖網路區

### International Fiber Zone

## 企業光纖專線

- ★ 保證頻寬及專用權
- ★ 不怕網路塞車
- ★ 環型網路、穩定性高
- ★ 對稱的網路傳輸 (symmetric)

美國最大的獨立光纖公司之一，最尖端的科技電信網路提供者，我們的光纖互聯網，最快可比其他電信業者快上一千倍，依不同的需求有不同價格。

優點：高頻寬/傳輸量大/傳輸質量高抗電磁干擾/高保密性/可靠度高

美南國際電視STV15.3為方便觀眾收看，「電視廣播合為一體」，不需任何付費，觀眾可24小時直接收看及收聽該頻道，行車間也可方便收聽，輕鬆獲取美南電視節目以及各類國際、社區重大資訊。  
美南國際電視STV15.3收看 操作指南如下，讓觀眾24小時收看收聽：  
1. 掃二維碼(QR code)：觀眾只要掃描報上的二維碼，就可連結到美南國際電視，直接在手機上觀看STV15.3。  
2. 今日美南公眾號直連：觀眾可在「今日美南」公眾號上，點選「美南視頻」裡的「美南國際電視直播」，就可輕鬆連接至STV15.3。  
3. 下載Apps收看：可在蘋果商店搜尋「Today America」，下載Apps，除可用手機讀報更方便，也可以在Apps裡收看STV15.3 電視直播。  
4. Google搜尋：觀眾只要在Google網站搜尋「Southern TV - STV15.3 Houston」，或輸入該平台網址「http://media.maqtv.com/?1497381&proc=1」就可直接連結美南國際電視直播平台。  
如需開車時收聽廣播，請連接到車載音響設備(數據線/藍牙設備)，效果更佳。
