Trump to avoid London protests with tour of English country homes

LONDON/WASHINGTON (Reuters) - President Donald Trump would like a quick trade deal with Britain once Brexit is finished, the U.S. ambassador to Britain said on Friday ahead of a presidential visit to London next week that will keep Trump largely away from planned mass protests.

Trump arrives in Britain on Thursday after a NATO summit in Belgium that could turn contentious over the U.S. leader's insistence that allies pay more for their defense and amid trade disputes between Washington and Europe.

U.S. Ambassador to Britain Woody Johnson painted trade as a potential bright spot in the strong "special relationship" between Britain and the United States, which he said Trump intended to strengthen.

"He would love to do a bilateral trade deal and he is really ready to step up on that the minute we get the go ahead to do it," Johnson said, adding that U.S. government agencies were already looking at how to put a deal together.

Less of a bright spot for Trump, whose mother hailed from Scotland, will be the protesters awaiting him in London. More than 50,000 people have signed up to demonstrate against Trump's perceived racism, sexism, and his treatment of migrants. A counter-gathering to welcome him is also planned.

The president will steer clear of the demonstrations.

He will hold talks with Prime Minister Theresa May at her 16th-century manor house, meet Queen Elizabeth at Windsor Castle and attend a black-tie dinner at the home of former World War Two leader Winston Churchill - all outside London. Johnson said the trip was not planned to avoid the protests.

Trump has shown irritation before at protests in the United States.

A spokeswoman for May said the British people were looking forward to his visit.

"We are looking forward to making sure the president has a chance to see and experience the UK beyond London and the south east," she told reporters.

The visit comes at a testing time: May is battling to make a success of Brexit and keep her minority government together, while Trump is challenging Western assumptions about free trade and turning away from global institutions.

Britain regards its close ties with the United States, which it refers to as the special relationship, as a pillar of its foreign and trading policy as it prepares to leave the European Union.

But some Britons see Trump as crude, volatile and opposed to their values on a range of issues. Trump's comments on militant attacks in Britain have sparked anger and he has often exchanged barbs on social media with London mayor Sadiq Khan.

Protesters are planning to fly a blimp over parliament portraying Trump as an orange, snarling baby during his visit after Khan approved a request for its use.

On his arrival on Thursday afternoon, the president will travel to Blenheim Palace, the 18th-century mansion where Churchill was born and spent most of his childhood, eight miles (12 km) north of Oxford, according to May's office.

In the evening, May will host a black-tie dinner for Trump at the stately home that will be attended by about 100 business leaders from industries including finance, pharmaceuticals, defense and technology.

For the only time during his visit, Trump will then travel into London when he will stay overnight at the home of the U.S. ambassador in the center of the city.

On Friday, Trump and May will visit an undisclosed location to witness a display by British soldiers.

Trump will travel with May to Chequers, the prime minister's official country residence. He will then go to meet the Queen at Windsor Castle, the family home of British kings and queens for almost 1,000 years.

Afterwards, the president will travel to Scotland, where he owns two golf courses. Trump's wife, Melania, will have a separate itinerary and will be hosted by May's husband Philip.

Dueling tariffs raise fears of long U.S.-China trade battle

BEIJING/WASHINGTON (Reuters) - The United States and China exchanged the first salvos in what could become a protracted trade war on Friday, slapping tariffs on \$34 billion worth of each others' goods and giving no sign of willingness to start talks aimed at a reaching a truce.

Duties on a range of Chinese goods imported into the United States took effect on Friday and were immediately countered by measures from China, with Beijing accusing the United States of triggering the "largest-scale trade war".

The escalating fight between the world's two biggest economies meant that it could "take economic and political pain to get these two parties to the (negotiating) table", said Scott Kennedy, head of China studies at the Center for Strategic and International Studies in Washington.

President Donald Trump is already threatening additional rounds of tariffs, possibly targeting more than \$500 billion worth of Chinese goods - roughly the total amount of U.S. imports from China last year.

It will take weeks or months for the U.S. Trade Representative to review and possibly activate any new rounds of punishment.

"The key questions during that time are what will happen to financial markets, how will U.S. voters react and will China's economy start to wobble," Kennedy said in a telephone interview.

Erin Ennis, senior vice president of the U.S. China Business Council, said there was a danger the two sides will dig in on trade sanctions without a clear strategy for resuming negotiations.

While U.S. companies doing business in China agree with Trump's complaint about Chinese intellectual property practices, Ennis said they do not see tariffs pushing China into submission.

China's commerce ministry said it was forced to retaliate, meaning imported U.S. goods including cars, soybeans, and lobsters also faced 25 percent tariffs.

Some of Trump's fellow Republicans in the U.S. Congress lashed out at his actions.

"Tariffs not only hurt our farmers, ranchers and airplane manufacturers, but they also harm every American consumer. We should be working with our allies to isolate China rather than escalate a trade war," said Senator Jerry Moran, who represents the agriculture-heavy state of Kansas.

China's soybean futures fell more than 2 percent on Friday afternoon before recovering most of those losses amid initial market confusion over whether Beijing had actually implemented the tariffs, which it later confirmed it had.

Friday's long-expected China tariff volley fueled fear that a prolonged and escalating battle would hurt global trade, investment and growth, while also damaging U.S. farm exports and potentially driving up food prices in China.

For example, U.S.-based audio company Sonos Inc noted in an initial public offering on Friday its performance "may be materially harmed" by trade restrictions.

"Trade war is never a solution," Chinese Premier Li Keqiang said at a news briefing with Bulgarian Prime Minister Boyko Borissov

in Sofia before a summit with 16 central and eastern European countries.

"China would never start a trade war but if any party resorts to an increase of tariffs, then China will take measures in response to protect development interests," he said.

There was no sign of renewed negotiations between U.S. and Chinese officials in the run-up to Friday, business sources in Washington and Beijing said.

The dispute has roiled financial markets including stocks, currencies and the global trade of commodities from soybeans to coal in recent weeks.

China lodged a case with the World Trade Organization against the United States, its commerce ministry said on Friday.

White House Council of Economic Advisers

Chairman Kevin Hassett said in an interview on Fox Business Network on Friday Trump is "going to deliver better (trade) deals". He said that, for now, "he's called the bluff of other countries that have basically been abusing" U.S. companies and workers.

Importers of American retail goods hit by higher Chinese duties were reluctant to pass the costs on to consumers for now.

An analysis of more than four dozen targeted U.S. products showed that prices were little changed on Friday afternoon from earlier in the week. The products, sold on Chinese e-commerce platforms, ranged from pet food to mixed nuts and whiskey.

Ford Motor Co (F.N) said on Thursday that, for now, it will not hike prices of imported Ford and higher-margin luxury Lincoln models in China. However, German automaker BMW (BMWG).

Houston will have 11 dedicated cooling centers this summer to respond to the expected high temperatures.

Houston Mayor Sylvester Turner acknowledged during a press conference held at the West End Multi-Service Center that there are Houstonians who have to work outdoors during the hot summer months.

Mayor Sylvester Turner talks about the importance of staying cool and hydrated during the hot summer months in Houston during a press conference held on June 15, 2018.

Reliant, in collaboration with the City of Houston, is rolling out for the 13th year the "Beat the Heat" initiative, which will provide 16 cooling centers across Texas, the majority of them in Houston.

Mayor Sylvester Turner's July Newsletter

We Houstonians know how brutal the summer months can be. Summer officially began on June 21, but we felt the heat long before the solstice.

In July and August, Houston's temperature consistently reaches up to 95 degrees each day, with a heat index often above 100 degrees.

However, whether or not we set records, it's still going to be hot. The Houston Health Department assisted me in providing you with some tips to stay cool and safe in the summer months.

I want to remind those who work outside to stay hydrated and adjust when you might normally work and exercise to early morning or evening.

I ask all of you, especially those who know individuals who live in homes without air conditioners, check on your neighbor. If you know somebody without an air conditioner, take them to an area mall, library or

one of Houston's 11 multiservice centers so they can get out of the heat for a while. A few hours can help save a life.

To find the multiservice center closest to you, visit this website: http://www.houston.tx.gov/health/MSC/.

It is important that we all drink lots of liquids, even before feeling thirsty. It is best to avoid caffeinated and alcoholic beverages, as they can make us dehydrated.

Wearing light-colored, loose-fitting clothing that permits the evaporation of perspiration can also help us remain cool.

A lot of us like going to the pool in the summer. In addition to wearing sunscreen, make sure you and your family practice proper pool safety - swim in designated areas supervised by lifeguards, do not swim alone, and ensure that everyone in the family knows how to swim.

Do not leave children, senior citizens, or pets unattended in a vehicle. When outside temperatures range from 80 to 100 degrees, the inside of a car parked in direct sunlight can quickly climb to between 130 and 172 degrees, according to the CDC.

If you do not own an air conditioner and are unable to leave your home, taking cool baths or showers will help prevent heat-related illness.

We should all remain alert to heat advisories. The National Weather Service declares a Heat Emergency when the heat index reaches 108 degrees or higher on two or more consecutive days.

It is essential that we take these preventative measures to prevent unnecessary visits to the emergency room or hospital. Use the resources that are available to you to protect yourself and others who may be at risk.

Thank you. Mayor Sylvester Turner

Trade War Begins President Trump Announces \$34 Billion Tariffs On Chinese Imports And Products

Compiled And Edited By John T. Robbins, Southern Daily Editor

Overview
President Trump's tariffs on \$34 billion worth of Chinese goods kick in, escalating a war of words between the world's two largest economies into a full-blown trade conflict. Washington's 25 percent duties went into effect at midnight EDT last Friday and affected products such as water boilers, X-ray machine components, airplane tires and various other industrial parts. China immediately retaliated with tariffs on its \$34 billion list of goods issued last month, including soybeans, pork and electric vehicles. Beijing calls it the "biggest trade war in economic history."

U.S. tariffs on \$34 billion worth of Chinese goods kicked in on Friday, escalating a war of words between the world's two largest economies into a full-blown trade conflict. Washington's 25 percent duties went into effect at midnight EDT and affected products such as water boilers, X-ray machine components, airplane tires and various other industrial parts. China immediately implemented retaliatory tariffs on its \$34 billion list of goods issued last month, including soybeans, pork and electric vehicles. Beijing called it the "biggest trade war in economic history." It's unlikely to stop there. In fact, there will be probably be "escalation upon escalation," warned Geoff Raby, Australia's former ambassador to China.

Ahead of the Friday implementation of American and Chinese tariffs, Raby told CNBC that "it looks like the first shots to the trade war are about to be fired."

China, for its part, was already calling the tariff threats between Beijing and Washington a "trade war" in June.

"I thought that by now a negotiated solution would have been found," Raby told CNBC's Martin Soong, adding that it seems the U.S. has "walked away" from any potential deal. Another \$16 billion are expected to go into effect in two weeks, he said. He told reporters he would also consider imposing additional tariffs on \$500 billion in Chinese goods, should Beijing retaliate against the already-scheduled actions.

China had said it would not "fire the first shot."

Raby, who was also his country's former ambassador to the World Trade Organization, said Trump seemed to be driven by "very short-term political considerations" ahead of U.S. midterm elections in November. "He's escalated the dispute, the midterms are coming up, he's polling well, and tough rhetoric coming out of the White House seems to be playing well with his base." He called it a "big risk" for the world trading system that its key player — the United States — is driven by such considerations.

"We'll probably see escalation upon escalation. China has made it absolutely clear," Raby said. "It cannot show weakness in the face of the United States. ... So I think this comes to some sort of end once there's been a lot of damage done and people start to come to their senses."

"The reckoning is in the pipeline" The direct impact of trade tensions on China's economic growth in 2018 is expected to be limited at 0.1 to 0.3 percentage points, according to economist

estimates. Liang Hong, chief economist at CICC, told CNBC on Friday that China's plan to open up its markets "can stay on course," with its economy growth target of 6.5 percent this year still within reach.

On the other hand, it is the U.S. economy that is expected to take more damage, according to analysts, who warned U.S. levies could affect American firms with investments in China. The world's largest economy would also be hit more considering that it is "pursuing trade wars on multiple fronts," including its disagreements with Canada and the Eu-

ropean Union, DBS said in a note. "In each skirmish the U.S. targets different economies and consumers, but the retaliation from each counterpart falls on the same group of American consumers and businesses. The reckoning is in the pipeline, in our view," the note said. Matthew Goodman, an Asian economics specialist at the Center for Strategic and International Studies, said that the White House hasn't considered the interest of American companies. "There's a long track record of U.S. companies and others in the Chinese markets, so that's a real worry here, ... but in the White House, it seems they either haven't thought about those ramifications, or they have and they just don't care because they think they need to turn up the heat," he told CNBC's "The Rundown." For its part, China claimed Thursday that the United States is attacking the world with its threatened tariffs. "U.S. measures are essentially attacking global supply and value chains. To put it simply, the U.S. is opening fire on the entire world, including

itself," said Chinese Commerce Ministry spokesman Gao Feng. According to the DBS note, South Korea, Malaysia, Taiwan and Singapore are the economies most at risk in Asia based on trade openness and exposure to supply chains. There is expected to be a drag on growth in 2018, and it could double in 2019. (Courtesy cnbc.com)

China: No Choice But To Retaliate
China said it was forced to retaliate, meaning an equal amount of U.S. goods would also face financial burdens.

Shares in Chinese markets took a beating in the run-up to the deadline, slipped further after passing, and pulled the Asian markets down. As for the wider aspect, analysts expect this first round of tariffs won't do major immediate damage; however, a drawn-out battle could disrupt the global economy. In the countdown to midnight, Chinese State media slammed the White House, and accused the U.S. of acting like "a gang of hoodlums," trying to "shake down" other countries — especially China. That came after President Trump warned that in the end, the U.S. could target over \$500 billion worth of Chinese goods — roughly the amount, in total, that the U.S. has imported from China last year.

Business sources in Washington and Beijing told reporters there had been little sign of last minute talks between the two sides to find any kind of solution to the trade dispute. U.S. Customs and Border Protection will collect 25 percent duties on a wide range of Chinese items, including cars, computer disk drives, and parts of everything from valves to printers, but leaves cellphones, as well as footwear untouched. China's response to the list includes Soybeans — a massive money-maker for U.S. farmers — Sorghum and Cotton. Those items are all lifeline crops for Red States like Iowa and Texas, which helped vault President Trump into office during the 2016 Elections. (Courtesy <http://www.oann.com/>)

“求恩”大字報救病父 女粉跨欄 向古天樂借百萬

古天樂透露過去都有一些社區團體、老人院甚至學校向他尋求協助，當中有些個案未必是要求錢方面的幫助。

香港文匯報訊（記者 李慶全）“劉鑾雄慈善基金”捐贈1千萬（港元，下同）支票予“鮮浪潮電影節”，7日活動由劉鑾雄太太陳凱韻（甘比）代表捐贈支票，並由“鮮浪潮”發起人兼主席杜琪峯、“鮮浪潮”董事古天樂及藝人鄭秀文（Sammi）代表接受，另盧海鵬及林家棟齊現身支持。但活動尾聲嘉賓於台上大合照時，商場一樓有疑是內地女子跨越圍欄外圍舉起大字報，當中寫上“求恩”，表示因父親重病要向古天樂借一百萬元，唯當時嘉賓們全不知情，但基於該名女子疑有進一步動作，數名保安遂合力將她制服帶走。

事後問到古仔知否有突發事情發生？古仔表示並不知發生何事，當傳媒告知整個過程，他也說：“都驚險啊！”古仔坦言公司也曾收過類似的求助信，指家中有事需要幫忙，但擔心有騙案發生，所以會了解清楚是真實個案才去處理，會私下作出幫助。問到今次個案又會否去幫助？古仔答謂：“我亦剛從工作人員手中得到這求助信，但過往的不會講明一個銀碼，所以都要先了解清楚。”

古仔收不同協助要求

提到該女子攀越圍欄行動是否過激？古仔說：“我最初以為有人想跳下來，其實她跨出來已經引起公眾安全問題，下邊又有人，這已經令到自身有危

險，如有需要幫助應該有不同的方法，所以都要了解清楚。”古仔透露過去都有一些社區團體、老人院甚至學校向他尋求協助，當中有些個案未必是要求錢方面的幫助，有些可能只是想有人過時過節去探訪或物質上的需要，不是每一次都要錢。

Sammi曾收粉絲求助私訊

問到是否自己的形象予人感覺是經常做善事才吸引到這麼多人想他幫忙？古仔說：“我沒深究，能夠幫到就幫！”問到會否太過慷慨？他指收到個案同事都有幫手了解跟進，有時也會轉介紹其他慈善機構去協助，例如試過有需要書簿，他就找出版社去幫忙，這都是一個幫助。

談到7日活動上有內地女子跨越圍欄舉大字報向古天樂借一百萬求助醫病，Sammi表示也是返回後台才知道，過往她經常出入內地工作並沒遇過這種情況，但都曾試過收到粉絲的求助，她說：“現在資訊發達，曾經有人私訊我，其實幾為難的，因為不知真偽，但心裡也會想是否真的出事需要幫助，所以也要去了解清楚。”

對於7日的事件，Sammi相信古仔會懂得處理，會先了解才作出幫助。

嘲巨星收山必然會復出 黃子華開秀感觸哽咽

香港文匯報訊（記者 李慶全）黃子華26場棟篤笑《金盆嘅口》6日晚首場，子華曾揚言這是最後一次開脫口秀，就連“仙姐”白雪仙、陳寶珠、劉嘉玲、李嘉欣、古巨基夫婦、蘇永康夫婦、吳鎮宇、鄭中基、鄭美雲及黎耀祥一家三口等都齊來捧場。子華一出場已獲全場歡呼。

當播出《阿飛正傳》音樂，子華表示去看一套戲午夜場就出事：“每個人走出來時好像從毒氣室走出來，雙眼發紅，充滿仇恨，為什麼呢？因為沒人看得懂，就看見幾個大明星自由行。”他又指這部戲有齊大卡士大製作，出色的對白是“右雀嘅腳仔”，拍了4千萬元（港元，下同）香港只收900萬元，當時認識好多香港的電影人是很不喜歡王家衛：“我在想，因為什麼呢？因為他虧大本？不是啊，小弟都拍了套叫《一蚊雞保鏢》，好像收了5位數字，但虧大本都沒人憎我的，起碼我不知是電影圈有人憎我，是我憎自己。”

子華又笑指前輩王晶應該不太喜歡王家衛，因為對方找他扮王家衛：“特意找我來刺激他啦很

明顯，我在王晶的戲裡面扮王家衛，那我的名叫什麼呢？是叫做‘王晶衛’，別人就說，那麼就是王晶想笑王家衛。”

清唱《幻海奇情》粵曲

去到節目尾聲，子華說：“這個時候我真是好羨慕那些歌星，因為歌星不用講什麼，只是唱首歌，巨星收山也是唱一首歌，當然巨星收山，必然是會復出，你放心，我不是巨星，我只是有點觀眾緣，但是，我就是想唱歌。”他選了清唱一首叫《幻海奇情》的粵曲，並以粵劇腔口唱出：“勞碌半生忙打拚，想到太平盛世，做個小明星，贏吃有糖，時光荏苒...”但子華霎時停下，原來在哽咽唱不下去，他拿起紙巾印了眼角一下，平伏心情再唱：“時光荏苒，也不要為君停，人生在世，真是需要能量正，幾多難關，難過，講亦講不清，我回首望住，回首望住你個紅館至醒悟，能夠與各位在這歡樂一笑，都算係幻海奇情。”唱罷放下麥克風便下台，演出完畢。

黃子華一出場已獲全場歡呼。

杜琪峯多謝“劉鑾雄慈善基金”捐千萬

香港文匯報訊（記者 李慶全）“鮮浪潮電影節”獲“劉鑾雄慈善基金”捐贈一千萬（港元，下同）作種子基金，“鮮浪潮”主席杜琪峯高興地說：“大拿拿一千萬，可以作長遠穩定的發展，因為‘鮮浪潮’近年每年都不夠錢用，今次有這種種子基金去投資收息，賺到的作為補貼，我們會以安全範圍的投資，加上要超過八成董事的同意才可動用一次籌款，鄭秀文在旁立刻說：“我義不容辭！”問是否拍電影籌款？杜Sir說：“不會拍電影那麼複雜，花大家太多時間，但會拉攏劉德華、古天樂、鄭秀文出山做他們拿手的事情，因為他們都是香港的精英。”Sammi表示如果

Sammi沒興趣做導演

開秀她不收錢也可以演出。至於問到Sammi有否興趣拍短片？她表示幾年前幫一位音樂人拍過一個音樂短片，找來衛詩雅演出：“幸好沒太多人看過，我都不想給大家知道，因為看似簡單，但做導演其實不是扎起辮子，穿得簡單做個導演款就可以，我連擺機位和剪接都沒概念！做導演是偉大的職位，從大到小都要知道，所以我沒太大興趣，因為能力不在這方面！”Sammi表示現在是超級非常期待再跟杜Sir合作，但不是拍他的都市喜劇，反而想拍他的槍戰或人性電影。記者笑她這麼瘦怎拍槍戰片？Sammi即笑說：“我身手不知多好呀！”而只要是杜Sir導演，她可以減價甚至不收片酬，但整頭化妝錢要收，不過要杜Sir出錢她也可以自己負責給錢，如果是老闆出錢，她就要收貴一點。

謝雪心自爆癡事

香港文匯報訊（記者 李思穎）馬浚偉與胡定欣主演的舞台劇《偶然·徐志摩》，6日晚獲周慧敏、關菊英(菊姐)，以及《宮心計2深宮計》監製梅小青、演員羅霖、康華、謝雪心前來捧場，菊姐更自掏腰包買了六張票支持，在上集《宮心計》有份演出的她自言：“我有捧場看播出中的《宮》劇，覺得好好看，劇情緊湊，有過億點擊成績很不錯，現在內地合作都有過億成績，以前在香港很難聽到億億聲，真的很厲害。”

問到小青姐有否再邀她拍劇，她謂：“沒談這話題，剛才同她說自己有捧場看，她說拍得好辛苦，我叫她不要想這些，現在有很好成績，應該享

字典中沒有“不好味” 陳豪讚太太廚藝好

香港文匯報訊（記者 吳文釗）陳豪、森美和余德丞6日晚擔任《美女廚房》節目嘉賓，曾客串做首輯節目的森美，大爆當年選廚神的黑幕，說：“當時決賽是有小儀和兩位好漂亮的名模，我和方力申講，如果給其中一個美女贏，另一個就不高興，所以小儀贏就皆大歡喜，兩位美女是輸在太美，不過小儀煮食也真是好吃。”

甚少亮相綜藝節目的陳豪，坦言沒看過之前節目的驚嚇程度，笑道：“我抱住好新鮮的心態

來，好純潔的身體過來，希望不要染污我。”笑問是否太太陳茵媺挑戰美女廚神，才吸引到陳豪上節目，森美恍然大悟道：“是嗎，我都覺得奇怪，他上次上綜藝要數到台慶。”陳豪就否認太太有參與做節目，笑稱兩公婆一起上節目，家中小朋友會十分“大鑊”（一團糟）。不過，陳豪也大讚太太廚藝好，尤其弄小朋友餐更有Set Menu。至於兩位人夫會否大膽說太太手勢不好，陳豪即笑稱在自己字典中沒有“不好味”三個字，森美就指陳豪做人太假，他的字典就有“不好味”，但從未向太太用過。森美更稱自己出生於廚藝世家，由小到大都吃得嘴刁，也試過去清邁學煮泰國菜。
