Trump, Macron agree on defense after 'insulting' European army spat

PARIS (Reuters) - U.S. President Donald Trump and France's Emmanuel Macron agreed on Saturday on the need for more European defense spending, papering over an earlier Trump tweet that had described Macron's call for a European army as "very insulting".

Meeting for talks at the Elysee a day before commemorations to mark the 100th anniversary of the end of World War One, Macron welcomed Trump under rainy Parisian skies with a firm handshake. But there appeared to be less immediate warmth in the greeting between the two than in the past.

Seated on gilded chairs in the ornate presidential palace, Macron placed his hand on Trump's knee and referred to him as "my friend", while Trump kept more distance, although he also talked up common ground on an issue that had caused friction.

"We want a strong Europe, it's very important to us, and whichever way we can do it the best and more efficient would be something we both want," said Trump.

"We want to help Europe but it has to be fair. Right now the burden sharing has been largely on the United States."

Macron echoed those sentiments, saying he wanted Europe to bear a greater share of the defense costs within NATO, a point he has made repeatedly since taking office, alongside his ambitions for Europe to have its own military capability.

"That's why I do believe my proposals for European defense are totally consistent with that," Macron said in English.

Fresh off U.S. congressional elections that saw his Republican Party's power eroded, Trump's visit is aimed at bolstering the U.S.-European alliance at a symbolic time, with the world marking the centenary of World War One's armistice.

But in a tweet prior to landing in Paris, Trump took a dim view of comments Macron made in a Europe 1 radio interview this week in which he appeared to cast the United States as a threat.

Discussing the growing dangers from cyber-hacking, meddling in electoral processes and the U.S. decision to withdraw from a missile treaty, Macron said Europe needed to protect itself against China, Russia "and

even the United States".

Later in the interview he spoke about the need for a European army, saying:

"Faced by Russia, which is on our borders and which has shown that it can be threatening... we need to have a Europe that can better defend itself by itself, without depending solely on the United States."

Trump, who has pushed NATO allies to pay more for common defense and not rely on the United States, complained.

"Very insulting, but perhaps Europe should first pay its fair share of NATO, which the U.S. subsidizes greatly," Trump said on Twitter.

U.S. ends refueling support in Yemen war as pressure builds on Saudi Arabia

WASHINGTON/CAIRO (Reuters) - Saudi Arabia and the United States have agreed to end U.S. refueling of aircraft from the Saudi-led coalition battling Houthi insurgents in Yemen, halting a divisive aspect of U.S. support to a war that has pushed Yemen to the brink of famine.

The move, announced by the coalition on Saturday and confirmed by Washington, comes at a time when Riyadh, already under scrutiny for civilian deaths in Yemen air strikes, is facing global furor and potential sanctions over the murder of journalist Jamal Khashoggi at its Istanbul consulate on Oct. 2.

The United States and Britain late last month called for a ceasefire in Yemen to support U.N.-led efforts to end the nearly four-year long war that has killed more than 10,000 people and triggered the world's most urgent humanitarian crisis.

"Recently, the Kingdom and the Coalition increased its capability to independently conduct inflight refueling in Yemen. As a result, in consultation with the United

States, the Coalition has requested the cessation of inflight refueling support for its operations in Yemen," it said in a statement.

Saudi Arabia has a fleet of 23 planes for refueling operations, including six Airbus 330 MRTT used for Yemen, while the United Arab Emirates has six of the Airbus planes, Saudi-owned Al Arabiya al-Hadath channel reported on Saturday.

Riyadh also has nine KC-130 Hercules aircraft that can be used, it added.

U.S. Defense Secretary Jim Mattis said the U.S. government was consulted on the decision and that Washington supported the move while continuing to work with the alliance to minimize civilian casualties and expand humanitarian efforts.

Any co-ordinated decision by Washington and Riyadh could be an attempt to forestall action threatened in Congress next week by lawmakers over refueling

operations.

However, a halt to refueling could have little practical effect on the conflict, seen as a proxy war between Saudi Arabia and Iran. Only a fifth of coalition aircraft require in-air refueling from the United States, U.S. officials said.

The Sunni Muslim alliance led by Saudi Arabia and the UAE has recently stepped up military operations against the Iranian-aligned Houthi movement, including in the main port city of Hodeidah, which is a lifeline for millions of Yemenis.

"The continued escalation of attacks ... by the U.S.-Saudi-Emirati coalition confirms that the American calls for a cease-fire are nothing but empty talk," Mohammed Ali al-Houthi, head of the group's supreme revolutionary committee, wrote in a column published by the Washington Post on Friday.

Cold front to bring thunderstorms, heavy rain to Houston

Jackets and umbrellas are required personal effects this weekend, as a cold front brings rain and lower temperatures to much of the Houston area.

A cold front will come across southeast Texas early Friday, but thunderstorms could bring much rain to the area as early as Thursday afternoon, according to the National Weather Service.

There's a 30 percent chance of scattered thunderstorms until Thursday night, where chances for thunderstorms increases to 90 percent.

Throughout the day Friday, there's an 80 percent chance of thunderstorms, which

diminishes to 20 percent chance of rain showers through Saturday.

Rain chances increase to 60 percent on Sunday, then go back down to 30 percent Sunday night and 30 percent Monday.

The storm system's saving grace for Houstonians will be the cool weather that it brings along with it.

By Friday morning, temperatures will be down to the 50s. Rain and cloud cover are expected to keep the highs in the upper 50s, according to the National Weather Service.

On Saturday, lows will fall even further to the lower and mid-40s. And with more rain, temperatures will only rise to the 50s on Sunday, meteorologists said.

Turner announces \$4.9M plan for City Hall beautification, repairs

Mayor Sylvester Turner stood on McKinney Street, and pointed the toe of his shoe at the lifted and jagged pavers that line much of the perimeter of City Hall.

The sidewalk will look entirely different a few months from now, Turner said, with level walkways that will not trip up pedestrians or cause problems for people with disabilities.

That work will be just one part of a \$4.9 million effort announced Thursday to beautify and improve pedestrian safety at City Hall and Hermann Square, the small park that rings the reflecting pool in front of the 80-year-old building that houses the seat of Houston government.

"There's no question that there's a lot of work that needs to take place here," Turner said. "If we can get this right, it will enhance the pride that all of us have about our city, and this is the epicenter."

The initiative will serve as the first phase of a beautification project that will draw from a mixture of public and privately raised funds, Turner said. All of the public funds that will be used for the project — more than \$1.9 million, mostly from bonds and the parks construction fund — already have been

earmarked, mayoral spokeswoman Mary Benton said.

City officials used Thursday's announcement to make a plea to the public to help about \$3 million for the effort. Houston Parks and Recreation Director Steve Wright asked public and private stakeholders to put aside any differences to collaborate on the initiative.

"This is about people," Wright said. "And when people come together, regardless of what side, and work together on projects like this, we can elevate this for the city of Houston and it reflects the heart of what I think that we stand for."

The project also brings together Turner and Elyse Lanier, whose late husband was former Houston mayor and one-time Turner political rival Bob Lanier.

The former first lady approached Turner with the idea to beautify the City Hall building at 901 Bagby, the mayor said.

In addition to the new pavers, plans call for new curbs and gutters, access ramps and improved landscaping and irrigation, Turner said. Improvements also will be made to flower beds, drainage,

HCC Boasts 3rd Largest In The U.S. For Online Enrollments
HCC Launches New Online College
With 32 Fully Online Degrees

Compiled And Edited By John T. Robbins, Southern Daily Editor

HOUSTON (Sept. 25, 2018) – A regular ribbon and scissors just wouldn't do for the new Houston Community College Online College. Instead, attendees held tablets and swiped their fingers across the screen for the ribbon cutting marking the launch of 32 fully online degrees and certificates. By the fall of 2019, the college will have a total of 71 fully online degrees and certificates.

"This is a defining moment in the history of HCC," said Chancellor Cesar Maldonado. "The students who have registered for online courses this fall are the first to have the option of completing a fully online pathway to a certificate or associate degree at HCC."

"HCC has offered remote learning options since the time they were referred to as distance learning, but the addition of a seventh college within the organization entirely dedicated to meeting the needs of online learners takes HCC's commitment to a whole different level," said Margaret Ford Fisher, president of HCC's online college. "We are providing students the option of completing their coursework anywhere, anytime."

With more than 21,000 students taking one or more online classes, HCC is the third largest community college in the U.S. for online enrollments. There are more than 60 areas of study and more than 5,000 individual courses available online.

"It is our goal at HCC to remove roadblocks that might get in the way of obtaining an associate degree or workforce certificate," HCC Board Chair Carolyn Evans-Shabazz said. "The online college does just that for potential students who,

for a variety of reasons, cannot conveniently take traditional classes."

"The online college expands educational opportunities for stay-at-home moms and dads, students committed to caring for elderly loved ones at home and those already in the workforce who need additional education to move up in their careers or change their careers altogether," said Norma Perez, HCC vice chancellor, instructional services, and chief academic officer.

According to a study by the Boston Consulting Group, HCC retention rates for first-time freshmen students were 9 to 10 percentage

points higher when they took at least one fully online or mixed modality course. BCG also reported that HCC students who take a combination of digital and face-to-face courses complete their degrees at a higher rate than those who take all of their classes face to face.

HCC's Online College provides counselors, advisors and tutors for its online students. All HCC online classes are taught by credentialed faculty.

The "Take One & Done" program is being offered at HCC's Southeast College Eastside Campus.

"Students come full time and we will provide financial aid, child care from 7 a.m. to 10 p.m. if necessary, and they will get a level one certificate in one of seven programs," says Melissa Gonzalez, president of Southeast College. "We looked specifically at these programs, where there are jobs and there is a demand for workers."

"Take One and Done" includes level one certificates in the following programs:

1. Welding Technology-Basic Welding Helper

2. Construction Management Technology

3. Industrial Electricity Electrical Helper

4. Business Management-Insurance Specialist/Associate

5. Logistics & Supply Chain Management - Maritime Logistics & Specialist

6. Real Estate - Residential

7. HVAC

While taking courses at the Eastside Campus, HCC will help students prepare for job searches. "They will be getting a professional resume done through our career center and we are going to provide interviews for every single student," Gonzalez says. "We are working with our industry partners to make sure they are available to interview on site before the students are finished for the semester."

Gonzalez emphasizes that students also have the option to pursue an associate degree and prepare for a transfer to a four-year university. "We actually have an advisor on site from the University of Houston Downtown for our business program, but also for general UHD programs," Gonzalez says. "Texas Southern and the University of Houston also have a presence on our campus."

California Gov. Jerry Brown last Thursday signed a bill to reduce ocean waste and the use of plastic straws in the state.

Under the measure, restaurants would only be allowed to provide single-use straws upon request.

California Gov. Jerry Brown on Thursday signed a bill to reduce ocean waste and the use of plastic straws in the state.

The measure, Assembly Bill 1884, limits restaurants to giving out single-use straws only upon request of customers. It applies to full-service dining establishments but exempts fast-food restaurants.

With the move, California now becomes the first state in the nation to restrict the use of plastic straws in restaurants. Several cities in California, including Malibu and San Francisco, have gone a step further by passing outright bans against the use of plastic straws as well as other single-use items, including plastic utensils.

Some cities have already taken the step; Seattle also banned the use of plastic utensils.

The California law doesn't apply to fast food restaurants or convenience stores. Full-service restaurants can still hand out paper or metal straws unprompted by customers. Violators can face a \$25 fine per day after two warnings.

Assembly Bill 1884 was signed in efforts to reduce plastic pollution and will go into effect on January 1.

Brown said plastic pollution kills thousands of marine animals every year. Researchers found 80 plastic bags in the stomach of a dead pilot whale that washed ashore in Thailand, he said.

California Governor Signs Bill To Reduce Plastic Straw Use, Cut Waste -- 'Choking Our Planet'

packaging, bags, etc. — are choking our planet," Brown said in a statement.

"It is a very small step to make a customer who wants a plastic straw ask for it," he wrote. "And it might make them pause and think again about an alternative."

California banned free single-use plastic bags in 2014.

A report last year from the academic journal Science Advances said that, as of 2015, only 9% of plastics was being recycled, 12% was being incinerated and the other 79% was ending up in the environment.

An attempt to pass a statewide plastic straw ban in Hawaii stalled in a legislative committee this month.

Environmentalists have been fighting to curb plastic waste found in oceans, lakes, rivers and even drinking water. The effort includes campaigns against single-use

grocery bags and bottle caps.

Restaurants violating the new California law could be subject to a fine of \$25 per day and as much as \$300 annually. The measure was approved late last month by the Democratic-backed state legislature despite opposition from some Republican lawmakers who called it a government overreach.

"It is a very small step to make a customer who wants a plastic straw ask for it,"

Brown said in his signing message for AB 1884. "And it might make them pause and think again about an alternative. But one thing is clear, we must find ways to reduce and eventually eliminate single-use plastic products."

The new law is scheduled to go into effect Jan. 1.

Brown noted that plastic waste causes harm to marine life, including killing millions of animals every year. He cited the case of a dead whale that recently washed up on a beach in Thailand that had some 80 plastic bags in its stomach.

The Democratic governor noted that the plastic waste problem isn't limited to marine life since so-called "microplastics" were recently found in tap water around the world. Plastics, in all forms — straws, bottles, packaging, bags, etc. — are chok-

ing our planet."

Starbucks is done with plastic straws SEATTLE — Starbucks is seeing through to ditch plastic straws by 2020.

The company made the announcement Monday morning that it will begin to eliminate 'single-use plastic straws' from its more than 28,000 company operated and licensed stores.

Starbucks has designed, developed and manufactured an alternative their calling a strawless lid. It will become the standard for all iced coffee, tea and espresso beverages.

In addition, Starbucks will begin offering straws made from alternative materials — including paper or compostable plastic — for Frappuccino® blended beverages, and available by request for customers who prefer or need a straw.

CEO Kevin Johnson says "For our partners and customers, this is a significant milestone to achieve our global aspiration of sustainable coffee, served to our customers in more sustainable ways."

Customers in Seattle and Vancouver will be the first to see the strawless lids implemented, starting this fall, with phased rollouts within the U.S. and Canada to follow 2019. (Courtesy <https://fox5sandiego.com/2018/>)

國產爛片年年有，今年奇葩特別多

官撕男主炮轟評分 公開賣慘上書電影局

2018年到了最後兩個月，有壹句話簡直不吐不快：國產爛片年年都有，但奇葩的爛片今年真多。

有壹些默默無聞的普通爛片，它們只是靜悄悄地上映，低調地撈點錢，這也就罷了。

而有壹些奇葩爛片，電影本身已經爛到慘不忍睹的地步，卻還要拼命加戲，努力賣慘，用各種非常規的炒作手段，拉來更多的關注度，甚至網友罵得越歡，他們炒作得越起勁兒。這就形成了壹種奇異的景象：這些爛片戲外的故事，遠比電影本身精彩。

比如上周，“失蹤”五年終於上映的套拍電影《冰封俠：時空行者》

，剛剛上映就收獲了潮水般的差評。片方為求關注度，不惜在官方微博發文“官撕”主演甄子丹，說他是戲霸還幹擾創作。當然甄子丹也不是好欺負的，他隨即發出長達2000字的長文逐條反駁，而“官撕”的抹黑長文在發布後的4小時刪掉。上演了好壹出炒作大戲，但改變不了該片票房口碑全面崩盤的事實。

盤點今年的“奇葩”電影，《大轟炸》當然不得不提。該片曾經的出品方被卷入金融案件，被崔永元炮轟是“大欺詐”，關於電影涉嫌“洗錢”的傳聞不絕於耳。今年劇組壹邊要在微博上和崔永元互撕，壹邊還要忙著給導演及制片團隊開發布會“賣慘”，

最後內地上映檔期壹改再改，參演該片的範冰冰又因為偷稅被開出8億罰單。

《大轟炸》終於宣布放棄在內地上映，只在北美小規模發行，留下了壹地雞毛的江湖紛爭，和壹部並不出色的二流之作。

暑期檔也有兩部電影必須入選，那就是《阿修羅》和《愛情公寓》。

國產魔幻大片《阿修羅》，上映當晚片方怒撕貓眼平臺的評分缺乏公正，質疑遭遇有預謀“黑水攻擊”，稱這是“行業恥辱”。然而之後影片票房口碑遠不及片方預期，片中“三頭壹體”的阿修羅王也被網友群嘲。最後這部號稱7.5億投資的大片，在公映三天

後緊急撤檔，票房僅收獲4983萬，淪為“臨陣脫逃”的行業笑柄。

“掛羊頭賣狗肉”的《愛情公寓》更令人憤慨，這部把情懷當騙錢的電影，上映前打出所有宣傳都圍繞著“愛情公寓”，正片卻是壹部“盜墓筆記”大電影，被網友罵是“愛情公墓”。為避免差評拖累，該片在上映當天的下午兩點才敢開票——能多騙壹個觀眾算壹個。該片累計票房5.5億，首日票房占了足足有3億元，首周末票房4.9億元。

最後我們必須要用《純潔心靈：逐夢演藝圈》來壓軸了，這部電影被網友們從去年罵到了今年，還能入選因為它曾經在兩年內改檔五次，2018年

春節前，又壹次上映。著名的畢誌飛導演今年搞出的大新聞是：上書電影局，稱《逐夢演藝圈》被評兩分是給國家“丟臉”，撕完豆瓣再撕業內媒體《中國電影報》，以及給影評人下戰書約在彈幕。

另外，托視頻網站的福，今年我們終於看到了《逐夢演藝圈》這部電影的真面目。小編終於明白了，給畢誌飛的電影打兩分，並不是因為觀眾質疑他的能力，只是因為沒有負分這個選項。

俗話說得好，醜人多作怪，這些奇葩爛片即使搞出再多花招，也改變不了被眾人唾棄的命運，觀眾們自會用腳投票，用口水淹沒它。

災難愛情片《在天堂等我》

特殊年代的青春氣息 李濱和於非非造型懷舊

由唐山大地震真人真事改編的災難題材愛情電影《在天堂等我》首發預告片，將唐山大地震中感人至深的淒美呈現給觀眾。《在天堂等我》由唐山大地震親歷者王軍導演，李濱、於非非、毛孩領銜主演，影片將於2018年11月30日上映。

最新發布的預告片中，李濱和於非非造型懷舊，充滿了特殊年代的青春氣息，於非非飾演的是壹個美麗的小鎮教師歐海戀，她清新純美，還擁有壹副甜美歌喉，李濱飾演的下鄉返城小夥子王小土被歐海戀歌聲吸引，經常趴在教室外偷聽海戀教孩子們唱歌。

隨著預告片舒緩的音樂響起，兩人度過了壹段純情懵懂的戀愛時光，向日葵花的漫步、小溪中共賞螢火蟲，二人的情感迅速升溫。海戀不顧父親的反對和特殊年代的世俗禁忌，大膽表白願意和王小土在壹起，不料壹切美好被突如其來的地震擊碎，災難撕碎了小鎮，卻難以磨滅兩人的真情。天崩地裂之際，走向生命盡頭的海戀在廢墟中發出了最後的告白：“我在天堂等你”，預告片中這壹情景呼應了片名直接點題。

文藝愛情片《愛·之痕》首曝海報

首登金雞百花電影節展映 講述傷痕愛情故事

第27屆中國金雞百花電影節於佛山盛大開幕。作為電影節重要環節的壹的國產電影新片展映活動也在佛山舉行。由江柯擔任出品人、黃茜擔任聯合出品人、王凱陽執導、申旭偉擔任攝影指導、樊星、馬秋子、許小行、成梓寧擔任主演的文藝愛情電影《愛·之痕》被電影節組委會邀請參加此次展映活動。

電影《愛·之痕》分別講述了以周全、陸青青、王壹鳴、琳瑯“鐵四角”為主線，從青蔥到青年，四人以不同性格展現著三段不同的愛情形態，也想通過這三段感情，來表達愛情裏的那些令人懷念的時光，心痛的剎那，遺憾的錯過，無奈的選擇，這些種種加雜在壹起，讓我們覺得，就算失戀，也是壹種痛苦的浪漫，是壹種值得去追憶的痛楚。

此次展映，出品方曝光了影片的概念海報，海報由暗黃的背景基色鋪墊，如同老照片式的質感不僅貼合了劇情，也符合了主創團隊回憶青春的創作理念，主演們漸行漸遠的站位設計，直視前方眼中卻各自飽含不同情緒，左下方的時鐘在預示永恆的同時也帶

出壹絲涼涼的憂傷感，雖然時過境遷但那些歲月和故事如剪影般永遠駐留心間。

影片主創及主演樊星、馬秋子、許小行亮相觀眾見面會現場。出品人江柯表示《愛·之痕》是整個創作團隊的精心之作，從劇本創作到拍攝完成，再到後期制作，整個電影歷時兩年，並且在創作初期編劇團隊採訪了很多人，尤其是80、90壹代，只為給觀眾呈現出壹部優質的作品。

導演王凱陽提到自己拍攝影片的初衷時說道：“影片寓意在於傷痕累累的愛情，在我們青蔥年代，那種沖動的、不計後果的愛情，讓我們深刻的感受到生活中的酸酸苦辣鹹！十年之後我們體會過了人生百態，但是千錘百煉的心幾近麻木，曾經那份為了愛情沖動的勇氣也壹並隨著時間抹去。喚回那份回憶，尋回那份勇氣這是團隊創作電影的初衷。”

電影《愛·之痕》由江柯擔任出品人、黃茜擔任聯合出品人、王凱陽執導、申旭偉擔任攝影指導、樊星、馬秋子、許小行、成梓寧等領銜主演。
