## Virginia Beach gunman who killed 12 was disgruntled city engineer

VIRGINIA BEACH, Va. (Reuters) - The gunman who killed 12 people at a Virginia Beach municipal building before dying in a shootout with police was identified on Saturday as a disgruntled city engineer and co-worker of most of the victims.

All but one of the victims from Friday's mass shooting in the coastal resort community were employed by the city, officials said, while the other was a contractor seeking a permit. Four people were wounded.

The gunman, DeWayne Craddock, had worked for the city's public utilities department for about 15 years, Virginia Beach Police Chief James Cervera said at a news conference. He declined to comment on any possible motive.

Factbox: Victims slain in Virginia Beach rampage mostly city employees  
"These are 12 individuals who came to work ... thinking they would go home in the evening, and they didn't return and it left a tremendous void in their families and in our community," Virginia Governor Ralph Northam said at a news conference.

It was the worst mass shooting in the United States since November 2018, when a dozen people were slain at a Los Angeles-area bar and grill by a gunman who then killed himself.

Bodies were found on all three floors of the Virginia Beach building and in a car parked outside, according to authorities.

Cervera described the crime scene as "horrific" and said that investigators who spent the night inside the building endured a "physical, emotional and psychological toll."

Police said the gunman was armed with two .45 caliber pistols and used an employee pass to enter secure areas before firing "immediately and indiscriminately" on victims while reloading with multiple extended ammunition magazines. At least one of the pistols was fitted with a "sound suppressor," police said. Both handguns were bought legally by the shooter within the last three years, Ashan Benedict, a special agent at the U.S. Bureau of Alcohol, Tobacco, Firearms and Explosives, told the news conference.

Two more firearms were found at the home where Craddock lived alone, he said. After the attack began, two police supervisors from a building across the street arrived within minutes, Cervera said, and they were quickly joined by two police dog-handlers. The suspect was killed after a lengthy gun battle.

The victims who worked for Virginia Beach had been employed for between 11 months and 41 years. Six worked in the public utilities department and five were employed in the public works department.

A number of vigils and commemorations are planned, including a memorial service the city is organizing for Thursday evening.

The bloodshed unfolded at Building Two of the municipal center complex on Friday afternoon as workers prepared to leave for the weekend. Some survivors recounted how they covered in fear after stacking desks against office doors as makeshift barricades.

Three of the wounded victims were in critical condition and a fourth was in fair condition at local hospitals, said Julie Hill, a spokeswoman for Virginia Beach. A police officer who was shot but saved by his ballistic vest has been treated and released, she said.

Cervera said he would only name the gunman once, and hereafter refer to him just as "the suspect."

According to local media, Craddock was 40 years old and had no serious criminal record.

He served in the Virginia National Guard from 1996 to 2002, and was assigned to a Norfolk-based battalion as a cannon crew member, a guard spokesman said, adding that Craddock's records do not indicate any overseas deployments.

Cervera said 40 agents from the Federal Bureau of Investigation are recovering evidence at the crime scene, which lies in a complex of office buildings several miles inland from the town's popular seashore, situated on the Atlantic coast at the mouth of the Chesapeake Bay.

## Warren Buffett charity lunch fetches record \$4.57 million winning bid

(Reuters) - An anonymous bidder has agreed to pay a record \$4,567,888 at an annual charity auction to have a private lunch with Warren Buffett, the billionaire chairman of Berkshire Hathaway Inc. The winning bid, which was submitted during a five-day online auction on eBay that ended Friday night, was nearly one-third higher than the previous record \$3,456,789 bids in both the 2012 and 2016 auctions.

Proceeds benefit the Glide Foundation, a charity in San Francisco's Tenderloin district that serves the poor, homeless or those battling substance abuse.

Buffett, 88, has raised about \$34.2 million for Glide in 20 annual auctions, which began in 2000 and moved to eBay in 2003. His first wife Susan, who died in 2004, introduced him to Glide after volunteering for the charity.

"Mr. Buffett is thrilled. We just spoke with him," Glide President Karen Hanrahan told Reuters after the auction ended. "Mr. Buffett is committed to continuing the auction as long as he's able. He has been a thought partner in thinking through Glide's future, and how to set it up for the next 50 years."

The winning bidder and up to seven friends can dine at the Smith & Wollensky steakhouse in Manhattan with Buffett, who says he will discuss anything apart from his next investments.

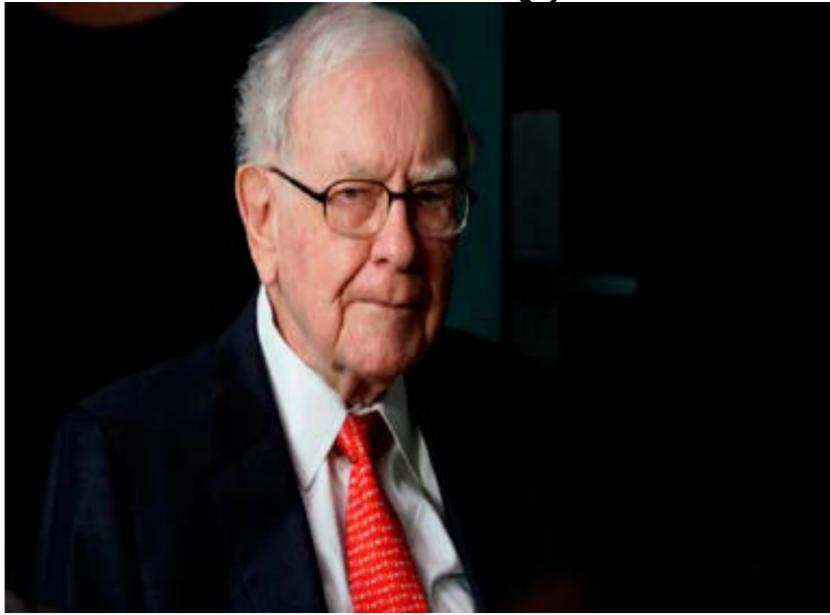

This year's auction drew 18 bids from five bidders.

The top bid would also be enough to buy 15 Class A or 23,137 Class B shares of Omaha, Nebraska-based Berkshire, whose more than 90 businesses include auto insurer Geico and BNSF railroad.

Past auction winners have included hedge fund manager David Einhorn of Greenlight Capital in 2003, and Ted Weschler, now one of Buffett's portfolio managers at Berkshire, in 2010 and 2011

Glide's budget goes toward providing roughly 2,000 free meals a day, shelter, HIV and Hepatitis C tests, job training, and children's daycare and after-school programs.

"What it means to us as an organization: It's huge," Hanrahan said, referring to the auction. "It's going to help many many thousands of people in this city."

If you ever thought the meals at a nursing home were bland and dull, the team of culinary experts at Houston Transitional Care are shattering that perception with every meal they prepare. Cooks Bryce Barbabosa and Erick Arevalo are not your typical dietary team for a skilled nursing facility. They represent a "Rare find: Avant-Garde Cuisine At Skilled Nursing Facility" for the guests while in rehabilitation. They offer the most palatable meals for all, as well as those with special diets. Debuting now is the Springtime menu which includes items such as Spinach Salad with almonds and strawberries, fresh Gazpacho, Tex-Mex taco bowls, and Peruvian chicken just to name a few.

When Barbabosa and Arevalo were asked what makes them most happy about the work they do at Houston Transitional Care, they both agreed it was the "free style" aspect of their work and their ability to apply their skills to a variety of meal preparations on a daily basis. Linda Woltman, dietary director, gives these young men the freedom to create delicious food combining their talents. Both Barbabosa and Arevalo share a sense of humor, even sarcasm at times, which lends to the chemistry they have in the kitchen even though their backgrounds are quite different. Bryce received training at the Le Cordon Bleu College of Culinary Arts in Austin. There he was taught the "hands on"

French style of cooking. Meanwhile Arevalo stated his experi-

ence started at a young age cooking at home and then learning culinary skills from a variety of chefs during his time cooking at the Revival Market. Arevalo enjoys preparing traditional Mexican dishes, including a great variety of the taco. Menus may include dishes like Pho, Vietnamese noodles, Indian curry, Italian, Peruvian, or a fusion of any mentioned. Rest assured the meals will be fresh, innovative, and pleasing to the palate, even for our guests requiring a pureed diet.

Three-quarters of American companies in China said the latest tit-for-tat tariffs have had a negative impact on their business, with more than 80% of manufacturers saying they were suffering, according to a new survey conducted jointly by the Beijing- and Shanghai-based American Chambers of Commerce. Just under half of the nearly 250 survey respondents said they faced some sort of non-tariff retaliatory measures since tariffs were first implemented in July 2018. To cope with the clash, around 41% of respondents said they are considering moving or have already relocated some manufacturing outside of China while a third said they were delaying or canceling investment decisions.

The US trade war has prompted some overseas companies to rethink whether they should invest in new plants and equipment in China, despite the temporary pause in hostilities. Foreign direct investment inflows into China fell in the first 11 months of this year, according to the latest government data, and concerns are mounting among corporate leaders and investors about how long trade tensions between the world's two biggest economies will last. Economists are predicting that China's gross domestic product growth could slip below 6 per cent next year if the trade dispute escalates further and continues to filter down to the private sector. Beijing has a 6.5

A recent survey by AmCham China and its sister organisation AmCham Shanghai found that 31.1 per cent of businesses who responded were already considering delaying or cancelling investments in China as a result of the ongoing trade tensions.

首部法医秦明 根据法医秦明长篇小说  
大电影 (尸语者) 改编

# 秦明生死語者 屍語版預告

秦明  
生死語者  
UNRAVEL IT SILENTLY

剖開人體密碼鑒證追兇 創傷形態極為逼真

由李海蜀、黃彥威聯合執導，嚴屹寬、代斯、耿樂、郝劭文等領銜主演，杜鵬特邀出演的首部法醫秦明大電影《秦明·生死語者》將於6月14日登陸全國院線。今日片方發布“屍語版”預告，秦明在偵破案情時遭遇重重危機，幕後兇兇尾隨追殺，劇情緊張程度全面升級。同時，影片真實還原“無語體師”解剖細節，重現法醫鑒證追兇過程，對法醫職業刑偵、解剖技術進行了完美的藝術呈現。

在本次發布的“屍語版”預告，法醫秦明意外發現兇具“無語體師”死於他殺，從而與助手範嘉嘉重新解剖屍體，並由此牽出多起陳年懸案。然而秦明對於兇案真相的窮追不舍，卻讓他和她身邊的人陷入意想不到的危險境地。幕後兇兇尾隨追殺，城市追逐、大樓爆炸戲碼接連上演，秦明陷入從業以來前所未有的危機，助手範嘉嘉也因此殞命。面對步步緊逼的兇手，法醫秦明對壹直堅守的信念壹次感到懷疑，這也成為該片的壹大看點。

預告中出現的“屍體”給人以強烈視覺沖擊，皮膚紋理、傷口形態都極為逼真，而秦明精準的解剖、通過微物跡證緝兇等細節也突顯出影片對法醫職業技能展示的專業性。劇組在前期投入大量精力對相關專業知識進行考證研究，並邀請專業團隊對不同兇器致傷、不同時間死亡的屍體道具進行嚴格制作。影片從場景、道具、特效化妝，到後期視頻調色、特效制作都精益求精，力求將法醫職業技能通過大銀幕完美呈現。

電影《秦明·生死語者》改

編自秦明的小說《屍語者》，如何將原著23萬字的内容濃縮到電影104分鐘裏，在很大程度上考驗著導演的創作功底。影片導演李海蜀、黃彥威在原著基礎上進行凝練再創作，以偵破“無語體師謀殺案”為線索設置角色動機、推動劇情前進，從而牽出意外墜江溺亡案、肺部炸裂致死案、不明藥物注射致死案以及雪山神秘失蹤案等多起案件，這些案情線索環環緊扣，緊張刺激的劇情節奏將會帶來不同以往的觀賞體驗。

而為了塑造更為豐富立體的角人物形象，主演嚴屹寬多次向作者秦明請教法醫專業知識和他們真實的生活工作日常。嚴屹寬曾在採訪中說道，“秦明不僅僅是個普通人，他是法醫，也是警察，他肩上的責任需要他完成普通人無法完成的任務，超越普通人的恐懼。所以他經歷恐懼，克服恐懼，是他這個人物的成長。”所以電影中解剖過1300具具體的秦明，在堅守“為生者權，為死者言”的信念之上，將超越恐懼，將超越普通人的情感，將對生命有不壹樣的感悟。

據悉，樂視影業(北京)有限公司、樂創影業(天津)有限公司出品，大地時代文化傳播(北京)有限公司、浙江橫店影業有限公司、北京金逸嘉逸電影發行有限公司、浙江博地影視有限公司、天津貓眼微影文化傳媒有限公司聯合出品，李海蜀、黃彥威聯合執導，嚴屹寬、代斯、耿樂、郝劭文領銜主演，杜鵬特邀出演的首部法醫秦明大電影《秦明·生死語者》將於6月14日全國上映。
