春節過後，機票價格持續走低。新京報聯合攜程集團發布的大數據顯示，節後迎來壹年中“最划算”的階段，部分航線價格低至壹折。此外，壹些目的地出境往返機票甚至低於境內航線，出現價格“倒掛”。

東南亞航線持續降價

今年春節期間，受冬季霧霾嚴重的影響，由北京出發前往三亞、海口的“海島遊”，受到眾多旅客追捧。春節期間前往兩地的機票從去年11月

節後出境機票價格“倒掛” 部分航線價格低至壹折

初就走高，很快升至全價。出境遊前往巴厘島、蘇梅島、普吉島的機票也十分走俏。

大數據顯示，節後，前往以上地區的機票價格開始跳水，不少出境地區機票價格大幅下降。例如，2月28日起飛、3月7日返回的北京中轉吉隆坡往返普吉島的含稅機票，價格低至1792元，較全票價格僅壹折左右。節前價格上萬元往返，美屬島嶼的機票也開始降價。以2月18日起飛、2月22日返回的北京中轉馬尼拉往返關島的航線為例，含稅機票低至3970元。

入春後，我國北方尚未停止供暖，東南亞地區則已進入20攝氏度左右，氣候宜人，成為不少遊客節後出遊的新寵。大數據顯示，上述航線往返的機

票，甚至比境內航線還要便宜。以具體航線為例，4月9日飛、4月24日返回的北京直飛曼谷機票，往返含稅價格低至1740元。

此外預訂今年五壹小長假的機票仍有特價。五壹前是日本的櫻花季，往年處於高位的機票酒店今年仍有不少折扣可以“撿漏”。例如4月29日起飛、5月3日返回的北京往返大阪含稅價格低至1852元，期間就包含4月29日至5月1日的小長假時間段。

逢淡季歐洲機票降幅度

今年恰逢“中澳旅遊年”，國內13個城市都有直飛澳大利亞的航線。3月16日起飛、3月31日返回的北京往返悉尼經停杭州的含稅機票，價格低至2179元。

除了澳大利亞，進入秋季的新西蘭也備受國人關注。3月20日起飛、4月3日返回的北京往返奧克蘭中轉香港航線的機票，最低價格為3450元，3月14日起飛、3月21日返回的直飛往返含稅價格低至4849元。

此外，由於春季是淡季，歐洲往返含稅的機票價格降幅較大。比如3月25日飛、4月3日返回的北京往返法蘭克福中轉上海的航線，最低含稅價格為2000元。5月12日起飛、5月19日返回的北京往返馬德里中轉蘇黎世的航線，含稅最低價格為1437元。

攜程集團機票專家提醒，如果購買的是中轉航線，訂票前要看清是否在同壹機場中轉換乘以及中轉時間，避免因中轉時間過短或飛機延誤導致無法乘坐下壹航班造成的損失。

國際機構轉向看好中國經濟 多項報告均預測積極

中國經濟未來會怎樣？這已是全世界共同關注的話題。從2016年全年的GDP（國內生產總值）、投資、消費、外貿各類數據，到2017年開年的PMI（製造業經理人採購指數）和進出口等各類指標，中國經濟以企穩向好的實際表現回應著外界關切。近來，世界銀行、國際貨幣基金組織、普華永道等多家國際機構相繼發布經濟預測報告，無壹不對中國經濟予以積極評價和正面期待。“塌方式”下滑、“硬著陸”等論調黯然收場，國際社會轉向看好中國經濟。

多項報告預測積極

2月8日，國際會計師事務所普華永道公布最新研究報告《長遠前景：2050年全球經濟排名將會如何演變》。報告指出，以購買力平價計算，中國的GDP已經超越美國，成為全球最大經濟體；以市場匯率計算，中國將在2030年之前超越美國成為全球最大經濟體。

國際貨幣基金組織（IMF）在1月16日發布的最新《世界經濟展望》報告中，將2016年中國經濟增速從6.6%調至6.7%，中國重回全球經濟增長率首位。報告中的2017年中國經濟增速預期也從2016

年10月份的6.2%上調至6.5%。

幾乎不約而同地，世界銀行和聯合國經濟和社會事務部近日均發布報告，預計2017年中國經濟增長率為6.5%，並指出未來兩三年中國經濟將企穩。

“中國仍是世界經濟發展的主要驅動力。我們上調了對於中國2017年增長的預測，這也是明年全球經濟復蘇預計加快的壹個關鍵支撐因素。”IMF首席經濟學家莫裏·奧伯斯菲爾德這樣評價道。

良好表現培育信心

多家國際機構的積極評價，建立在去年以來中國經濟發展的總體態勢之上。

國家信息中心經濟預測部宏觀研究室主任牛犁向記者分析指出，“去年以來的供給側改革和經濟結構調整，使中國經濟出現了企穩向好的態勢，特別是四季度的增速比普遍預期要好。交通運輸業、現代服務業如科技研發、設計等新興產業的拉動作用進壹步增強。基於此，國際機構普遍上調對中國經濟的走勢預測。”

如果列出壹張2016年以來中國經濟的賬單，壹定會包含這些數據：2016年中國GDP總值突破70萬億元人民幣，比上年增長6.7%；全年完成固定資

產投資（不含農戶）超59萬億元，同比增長8.1%，第三產業投資成為投資增長主要拉動力；全年社會消費品零售總額突破33萬億元，比上年名義增長10.4%，四個季度增速穩中有升；全年進出口逐季回穩向好，2017年1月份，中國進出口總值2.18萬億元人民幣，進出口雙雙實現兩位數增長……

牛犁還指出，“中國2016年的增長並非建立在宏觀的財政刺激和寬松的貨幣供給之上，而是在經濟結構調整背景下呈現的態勢。國際機構往往根據綜合各方面因素判斷未來走勢，這表明其對中國經濟增長前景的信心在增強。”

發展潛力飽含希望

IMF報告指出，上調中國2017年經濟增長預期的壹大原因是“預計中國將繼續提供政策支持”。

對此，牛犁認為，未來中國政策最大的期待點是旨在解決中長期問題的供給側結構性改革、解決深層次問題的體制機制改革以及系統性風險的政策防控。“以供給側改革為例，今年還要從鋼鐵、煤炭行業拓展到其他領域，並用市場化、法制化的手段進壹步推進。”

在牛犁看來，中國未來經濟增長的潛力在於新

動能的培育和傳統動能的轉型升級。中國仍然是世界最大的發展中國家，工業化、城鎮化、信息化和農業現代化還有很長的路要走。今後壹個時期，中國經濟新動能加快成長、結構持續優化，對全球經濟的正向溢出效應將進壹步增強。

牛犁說：“盡管增速放緩，但作為體量超過11萬億美元的世界第二大經濟體，中國經濟每增長1個百分點，對世界經濟的貢獻都是巨大的。從增量的角度看，中國是世界經濟增長的第壹大貢獻國；從質的角度來看，未來中國經濟的可持續性和質量、效益將進壹步改善。”

Editor's Note: In light of the president's recent ban on immigration from specific Middle Eastern countries which has sparked international human rights protests (now being challenged in the federal courts), we felt it was necessary to re-publish the article below from our August 4, 2014 edition and to be reminded of the need for the federal government to fully vet (check out) all those coming to America, either from the U.S. southern border (Latin America) or anywhere else in the world including the Middle East. Unfortunately, the tragic murder of Xinran Ji is not an isolated incident. Citizens often fall victim to individuals who have entered the country illegally and whose backgrounds could include criminal activity. We feel the president's temporary immigration ban was intended to give the government time to study and restructure the current immigration procedures from specific countries based on known anti-American sentiments. If the immigration system can one day be improved, we will have taken the steps necessary to prevent senseless tragedies like the Ji family has endured.

"We Do Not Want To See Another Incident Like This" Illegal Immigration Takes Toll Across Society Chinese Student Killed By Illegal

Compiled And Edited By John T. Robbins, News&Review Editor

Jinhui Du, center, mother of USC Chinese graduate student Xinran Ji, 24, is escorted by family members into Universal Chung Wah Funeral Home in Alhambra.

A 19-year-old charged with murder in connection with last week's fatal assault on a USC graduate student told immigration officials that he entered the country illegally about seven years ago, a federal official said.

The official, who was not authorized to speak publicly on the matter, said Jonathan DelCarmen made the comments during an interview at a Los Angeles County jail where he is being held in connection with the death of Xinran Ji, 24.

A spokeswoman for Immigration and Customs Enforcement confirmed that an immigration detainer had been placed against DelCarmen. In a statement, spokeswoman Virginia Kice said ICE officials contacted DelCarmen at the jail Wednesday.

"ICE has lodged an immigration detainer against Mr. DelCarmen requesting that the Sheriff's Department turn him over to ICE for possible follow-up immigration enforcement

action if and when he is released from local custody," Kice said.

There were no indications that DelCarmen had prior enforcement actions with the Department of Homeland Security, she added.

DelCarmen is one of four teenagers charged with capital murder in the July 24 assault that killed Ji, an engineering graduate student from China. Police said Ji was walking home from a study group about 12:45 a.m. when he was attacked near campus, just blocks away from his apartment.

Police and prosecutors

said Ji was beaten with a bat and suffered a head injury. Detectives said they believe he may have tried to get away from his attackers, only to be beaten a second time, according to law enforcement sources familiar with the investigation.

DelCarmen and three others -- identified as Andrew Garcia, 18; Alberto

Ochoa, 17; and Alejandra Guerrero, 16 -- were charged Tuesday in connection with Ji's death. The murder charge carries a special circumstance allegation that Ji was killed during an attempted robbery, allowing prosecutors the option of seeking the death penalty against DelCarmen and Garcia.

Because of their ages, Ochoa and Guerrero will not face the death penalty, but prosecutors said they could be sentenced to life in prison

flagged down police officers who were patrolling the area.

A criminal complaint alleges that the three again used a bat at the beach, and that Ochoa and Guerrero also used a knife.

Garcia, Ochoa and Guerrero were charged with second-degree robbery, attempted second-degree robbery and assault with a deadly weapon in connection with that incident.

The attack on Ji comes two

At A Press Conference, LAPD Lt. Andy Neiman says the fatal attack on a USC graduate student may have been a crime of opportunity, but it's unclear whether the victim was robbed.

without parole if convicted. California law allows prosecutors the discretion in certain crimes -- including murder -- to charge a minor as an adult. The U.S. Supreme Court, however, has ruled that minors are not eligible for capital punishment.

The Times generally does not name juvenile suspects unless they are charged as an adult, as they have been in this case.

After attacking Ji near campus, prosecutors say, the suspects drove to Dockweiler State Beach, where Garcia, Ochoa and Guerrero approached a man and a woman. Officials said the three robbed the woman, but the man escaped and

years after two USC graduate students -- also from China -- were shot and killed during a botched robbery near campus.

In a statement issued through a family friend, Ji's parents said they were "deeply concerned about other students at USC." They commended police for the arrests but said they were "extremely angry about this horrific act of violence."

"We do not want to see another incident like this," Songbo Ji and Jinhui Du said in a statement written in Chinese. "No parents should have to bear this pain." (Courtesy www.latimes.com/local)

China Warns U.S. Against Challenging Its Sovereignty In The South China Sea

Compiled And Edited By John T. Robbins, News&Review Editor

Islands in the Spratly Island group located in the South China Sea

States was planning fresh naval patrols in the disputed South China Sea, Reuters said.

On Sunday, the Navy Times reported that U.S. Navy and Pacific Command leaders were considering freedom of navigation patrols in the busy waterway by the San Diego-based Carl Vinson carrier strike group, citing unnamed defense officials.

Chinese Foreign Ministry spokesman Geng Shuang said tension in the South China Sea had stabilized due to the hard work between China and Southeast Asia countries, and urged foreign nations including the U.S. to respect this.

"We urge the U.S. not to take any actions that challenge China's sovereignty and security," Geng told a regular news briefing on Wednesday.

The United States last conducted a freedom of navigation operation in the area in October 2016, when it sailed the guided-missile destroyer USS Decatur near the Paracel Islands and within waters claimed by

PanARMENIAN. Net - China's Foreign Ministry on Wednesday, February 15th warned Washington against challenging its sovereignty, responding to reports the United

China.

Dave Bennett, a spokesman for Carrier Strike Group One, said it did not discuss future operations of its units.

"The Carl Vinson Strike Group is on a regularly scheduled Western Pacific deployment as part of the U.S. Pacific Fleet-led initiative to extend the command and control functions of the U.S. 3rd Fleet," he said.

"U.S. Navy aircraft carrier strike groups have patrolled the Indo-Asia-Pacific regularly and routinely for more than 70 years," he said.

China lays claim to almost all of the resource-rich South China Sea, through which about \$5 trillion worth of trade passes each year.

Brunei, Malaysia, the Philippines, Taiwan and Vietnam also claim parts of the waters that command strategic sea lanes and have rich fishing grounds, along with oil and gas deposits.

The United States has criticized Beijing's construction of man-made islands and build-up of military facilities in the sea, and expressed concern they could be used to restrict free movement. (Courtesy <http://www.chinanationalnews.com/>)

China And The US Take Opposite Positions On The South China Sea

China and the US have taken opposite positions on the South China Sea dispute since Donald Trump took over as US president. Chinese foreign ministry last month warned Washington to "speak and act cautiously" on the South China Sea.

White House press secretary, Sean Spicer sparked off the South China Sea controversy by saying the US would "make sure that we protect our interests" in the resource-rich trade route, through which \$4.5 trillion worth of trade passes each year.

"It's a question of if those islands are in fact in international waters and not part of China proper, then yeah, we're going to make sure that we defend international territories from being taken over by one country," Spicer said at his first press conference. Chinese foreign ministry spokesperson, Hua Chunying, responded on Tuesday saying the US should tread carefully, "to avoid harming the peace and stability of the South China Sea".

Hua emphasized that the United States is not a party in any South China Sea disputes and suggested that China should be left to settle the South China Sea disputes with countries involved in the region.

Chinese foreign ministry said China is trying to peacefully solve relevant disputes through negotiation with countries directly concerned.

China exerts indisputable sovereignty over the South China Sea islands and its adjacent waters, Hua said. Beijing is firmly committed to safeguarding its own sovereignty and maritime rights, she said.

Hua said that China firmly preserves the freedom of navigation in the South China Sea, as well as peace and stability in the region. Supporters of the US point of view feel that Washington's involvement is necessary to ensure freedom of navigation on the ground that China may not be able to ensure it.

Previously, Rex Tillerson, US Secretary of State, caused a stir in Beijing by linking artificial island building by China in the South China Sea to "Russia's taking of Crimea".

"They are taking territory or control or declaring control of territories that are not rightfully China's," Tillerson said. He said during his confirmation hearing the White House needed to send China a "clear signal" that such activities had to stop and that its access to such territories was "not going to be allowed."
