Trump: major drug companies to announce voluntary price cuts soon

WASHINGTON (Reuters) - President Donald Trump on Wednesday said he expects major drug companies to cut prices on their products in two weeks, but did not provide details on which companies would do so or the means by which they would provide such reductions. "You're going to have some big news. I think we're going to have some of the big drug companies in two weeks said they're going to announce, because of what we did, they're going to announce voluntary massive drops in prices," Trump said at a signing ceremony for a new law making it easier for seriously ill people to try experimental treatments. Earlier this month, Trump unveiled the administration's plan to lower prescription drug prices, largely through regulatory authority, calling the plan "the most sweeping action in history" to reduce the cost of medicines for consumers. But healthcare stocks rose as it became clear that his administration avoided aggressive direct measures to cut prices. The Health and Human Services Department has put out a request for information for its drug pricing plan, but has yet to issue any new regulations or pilot programs to lower drug prices. Trump campaigned on lowering drug prices and has said that pharmaceutical companies were "getting away with murder," but has since backed off that rhetoric. HHS did not immediately respond to a request for comment on Trump's announcement.

Young whizzes compete for \$40,000 prize in U.S. spelling bee

OXON HILL, Md. (Reuters) - More than 400 young hopefuls were still competing on Wednesday as the Scripps National Spelling Bee entered its second day, with some using memory aids such as tracing invisible words onto the back of their nametags as they strived for the \$40,000 top prize. Foster correctly spelled "pratincolous" on Tuesday, and sparked smiles from fans when he struck a dab pose - a dance move that involved tucking his head into his elbow as if sneezing while stick-

Foster was among the 452 youths still spelling on Wednesday morning from a starting field of 516. This year also marks the first time the child of a previous champion has competed in the national finals. Atman Balakrishnan, a 12-year-old from Chicago, hopes to follow in the footsteps of his father, Balu Natarajan, the 1985 champion. Natarajan, now a sports medicine doctor, was 13 when he won. The 2018 competition includes 45 spellers with relatives who are former contestants in the national championship. The 91st annual Bee, which began Tuesday and ends Thursday evening, also includes its first-ever identical twins - two sets of brothers from Utah and Mississippi. according to the contest's website. They will have to spell words drawn from the 470,000 entries in the Merriam-Webster Unabridged Dictionary. The winner of the \$40,000 top prize will emerge from the finals on Thursday night, with a worldwide audience tuning in to the live broadcast on ESPN.

Abbott proposes 40-page recommendation to beef up school safety

Plan includes arming more teachers, gun lock giveaway

By Andrea Zelinski

DALLAS — Beefing up armed security, expanding the program allowing armed teachers and enhancing mental health services are among the options Gov. Greg Abbott offered to schools Wednesday in his effort to make Texas schools safer amid a rash of mass shootings.

Abbott's plan also includes a gun lock giveaway, a social media strategy to encourage people to safeguard firearms, a new school safety app and an expanded program to help identify and remove dangerous students.

The ideas are part of 40-pages of recommendations for school districts and law enforcement agencies to implement, largely before students return for the next school year. The plan also includes legislative ideas for lawmakers to write into law next year.

The governor's proposal includes \$120 million in grant money to help schools implement many of the ideas and a matching grant program for more pricey programs.

President Donald Trump signed a full posthumous pardon for former heavyweight boxer Jack Johnson in a surprise Oval Office ceremony alongside actor Sylvester Stallone, former heavyweight boxer Lennox Lewis, and others.

“It’s my honor to do it. It’s about time,” Trump said during the ceremony in the Oval Office.

“He was treated very rough, very tough,” Trump said of Johnson on Thursday as he signed the pardon.

In 1913, Johnson, a noted boxing legend, was convicted by an all-white jury with violating the Mann Act after transporting a white woman he was dating across state lines for “immoral purposes.” He served one year in prison.

Under the Obama administration, the Department of Justice opted not to recommend a posthumous pardon for Johnson. His great-great-niece, Linda Haywood, has led the charge for Johnson to receive a rare posthumous pardon. Others have taken up the cause célèbre as well including Senators John McCain, R-Arizona, Harry Reid, R-Nevada, and Orrin Hatch, R-Utah. Earlier this year, McCain, Sen. Cory Booker, D-N.J., and Rep. Pete King, R-N.Y., reintroduced legislation urging a posthumous pardon. On Thursday, McCain applauded the pardon. “President Trump’s action today finally closes a shameful chapter in our nation’s history and marks a milestone that the American people can and should be proud of,” McCain said in a statement.

A Controversial and Conflicted Champion
Born in Galveston, Texas, Johnson was the target of racial resentment, particularly after he defeated white boxer James Jeffries in the 1910 “Fight of the Century,” a bout that sparked race riots. Three years later, he was convicted by an all-white jury of violating the Mann Act, which made it illegal to transport a woman across state lines for “immoral” purposes. In their efforts to prosecute Johnson, authorities first targeted Johnson’s relationship with the woman in question, Lucille Cameron, who later became his wife, but she refused to cooperate. But they found another white witness, Belle Schreiber, to testify against him. Johnson fled the country after his conviction, but he agreed years later to return and serve a 10-month jail sentence. He died in 1946.

Sen. John McCain, R-Ariz., has been calling for a pardon for Johnson since 2004, and criticized President Barack Obama for leaving office in 2017 without having granted one. Former Senate Majority Leader Harry Reid, D-Nev., had also called for a pardon. “Johnson’s imprisonment forced him into the shadows of bigotry and prejudice, and continues to stand as a shameful stain on our nation’s history,” McCain said in a statement in January 2017. Stallone, as well as Johnson’s great-great niece, had urged Trump to pardon him and in April Trump said that Stallone had called him about it.

“[Johnson’s] trials and tribulations were great, his life complex and controversial,” Trump tweeted. “Others have looked at this over the years, most thought it would be done, but yes, I am considering a Full Pardon!”

The “dapper” Jack Johnson
Stallone was in the Oval Office as a guest when Trump pardoned Johnson on Thursday, as was boxer Lennox Lewis.

Jack Johnson

Johnson’s dominance spawned a search for a “Great White Hope” to challenge him, and resulted in what was called the “Fight of the Century” in 1910. Former undefeated heavyweight champ James Jeffries came out of retirement after having not fought in six years. Johnson dominated the fight and was declared the winner when Jeffries’ corner threw in the towel in the 15th round. Johnson’s career was chronicled in film several times, including the Ken Burns documentary Unforgivable Blackness: The Rise and Fall of Jack Johnson.

Johnson’s flamboyance also extended to his personal life. He taunted opponents in and out of the ring. He drew attention for his public dalliances with women and all three of his documented marriages were to white women.

He was convicted in 1913 by an all-white jury for violating the Mann Act -- on charges that he transported a white woman “across state lines for immoral purposes.” However, he skipped bail and left the country, only to return in 1920 to turn himself in. He served 10 months of his one-year sentence before being released.

Johnson died in a car crash in 1946 at 68 “Jack Johnson lived in the lap of luxury, abused the fame and fortune that came to him, and died bereft of riches,” the Associated Press said of him in its obituary.

He fought professionally until he was 60, finishing with a career record of 73 wins, 13 losses and 10 draws. He was inducted into the Boxing Hall of Fame in 1954.

Efforts to grant him a presidential pardon began in 2008 with a bill that passed the House of Representatives, but not the Senate. The main reason cited in efforts that continued through other petitions: his conviction was racially motivated -- and the incident for which he was arrested took place before the Mann Act became law.

Actor Sylvester Stallone was among those who campaigned in Johnson’s favor. Stallone was present at the Oval Office ceremony in which President Trump signed the official pardon. (Courtesy usatoday.com)

National Geographic Launches Effort To Reduce Plastic Waste

Compiled And Edited By John T. Robbins, Southern Daily Editor

“Planet or Plastic” is the cover story on the June 2018 issue of “National Geographic” magazine.

National Geographic launched a new campaign last week to reduce waste from plastic products like single-use bags and straws, which includes a major change: most National Geographic magazines will now be delivered in paper packaging instead of plastic.

The magazine reports that 18 billions pounds of plastic waste end up in oceans every year and that less than a fifth of plastic produced around the world is recycled. The launch of the “Planet or Plastic?” initiative coincides with National Geographic’s June issue, which has a photo of a plastic bag positioned like an iceberg on the cover.

Company officials said in a press release that from now on the U.S., U.K. and India editions of the magazine will be delivered in paper instead of plastic, which the release said will eliminate 2.5 million single-use plastic bags every month.

Several other companies have said they will either change or recycle more of their packaging to reduce plastic pollution in oceans, including Nestle, Coca-Cola, PepsiCo, and Walmart.

Seahorse uses a q-tip to ride the ocean currents.

In addition to changing the packaging on its own magazine, the National Geographic initiative will include an awareness campaign about plastics pollution, investment in research programs and partnerships with companies like S’Well and The North Face, which will sell shirts made from recycled bottles collected from National Parks. The partnership between The North Face and the National Park Foundation also provides a dollar for every product sold to support projects in National Parks, according to the foundation’s website.

Nick Mallos, the director of the Trash Free Seas program for the advocacy group Ocean Conservancy, said it’s important to emphasize that there is no single solution to the issue of plastic pollution but that the commitment from National Geographic and other companies is a positive step.

“I think it’s fantastic that they’ve covered this issue so holistically – specifically, to see all the facets of ocean plastic that they’ve explored in this piece. These initiatives can have a tremendous impact,” Mallos said.

Plastic bottles choke the Cibeles fountain, outside city hall in central Madrid. An art collective called Luzinterruptus filled this and two other Madrid fountains with 60,000 discarded bottles last fall.

This National Geographic Cover Has People Buzzing For An Important Reason The striking cover certainly makes you think.

They say you shouldn’t judge a book by its cover, but magazines — including Nation-

al Geographic — have long been known for their iconic covers that spark conversation. Now, the 130-year-old publication has new cover art to add to the collection of images that get people buzzing.

The June 2018 issue, “Planet Or Plastic?”, features what appears to be an iceberg. But look more closely:

“Plastic Bag” magazine cover

Yep, it’s a plastic bag. The artwork, called “Iceberg Plastico,” was actually created in 2017 by Mexican artist Jorge Gamboa, but National Geographic saw the illustration and decided it would be the perfect image to kick off its “Planet or ‘Plastic” campaign, the magazine’s “multiyear effort to raise awareness about the global plastic trash crisis.”

The amazing cover has already done a great job of prompting discussion all over the internet. Vaughn Wallace, the magazine’s senior photo editor, tweeted out the cover on May 16 and it has already gotten more than 57,000 retweets.

Geo. <https://twitter.com/NatGeoMag/status/996752298822037505>
2:06 PM - May 16, 2018

And National Geographic is walking the walk itself. Starting with this issue, Wallace said the magazine will no longer be shipped to readers in a plastic bag, but will be sent out in a paper envelope instead.

“This change alone will save more than 2.5 million single-use plastic bags every month,” wrote Editor-in-Chief Susan Goldberg. “We’ve also challenged all our international partners — who publish 36 local-language editions of National Geographic around the globe — to get rid of plastic wrappers by the end of 2019.”

Under a bridge on a branch of the Buriganga River in Bangladesh, a family removes labels from plastic bottles, sorting green from clear ones to sell to a scrap dealer. Waste pickers here average around \$100 a month.

Goldberg went on to assert that the plastic wrappers effort is just the first step in a larger campaign. “Under the campaign banner of ‘Planet or Plastic?’ we’ll deploy content across all our platforms to raise awareness and encourage consumers to act,” she wrote.

The cover story was written by Laura Parker and features data, stories and even more photos of just how bad the plastic problem is.

“The miracle material has made modern life possible,” Parker wrote. “But more than 40 percent of it is used just once, and it’s choking our waterways.”

Reducing the amount of plastic in our environment is an enormous issue that will require a global commitment to change. Luckily, National Geographic isn’t tackling this issue solo. Other efforts to reduce the amount of plastic in the environment are underway

在禹王台怀古，听戏游园乐新春

作为六朝古都的开封，其古迹数不胜数，也许你不经意间踏足的一个公园，就是那几百几千年前的文物古迹呢。我们这次踏足的禹王台公园，就是这样

一个地方。禹王台，古来叫古吹台。相传是为了纪念春秋时晋国音乐家师旷，曾在此吹奏乐器，所以得名古吹台。西汉初年，汉文帝封其次子刘武于大梁，为梁孝王，封疆初都于大梁，梁孝王喜好同墨客吟诗吹弹游乐，为此又增筑吹台，并在吹台兴建殿宇亭楼，种植名贵花木，修建成一座豪华的园林。

明嘉靖年间，因开封屡遭黄河水患，为怀念大禹治水的功绩，在台上建禹王庙，故吹台被改称为禹王台。但我们来到这里，古吹台的牌楼至今依然保存着。

禹王台现高4米，占地面积约4500平方米，前立有“古吹台”牌坊一座，气势如虹的门楼，红配绿的色调在这里看起来却是那么的和谐。该牌坊为全木质，是至今保存完好的清代建筑。牌坊为四檐三楼悬空式，青瓦重檐五斗拱

，正中门楣上，题有“古吹台”三个大字，它是公园具有代表性的古建筑物之一。

在明嘉靖年间，因开封屡遭黄河水患，为怀念大禹治水的功绩，在古吹台的上面修建了禹王庙，纪念大禹，也祈求民泰安康，故此，古吹台也更名“禹王台”，沿用至今。

据说，大殿内在明朝时所塑的禹王像，已不存在，殿内的禹王像是1982年重塑，高1.6米，双手执圭，身穿龙袍，魁伟端庄。东西墙上砖雕壁画，东边是一副大禹治水图，西边是大禹行赏

和乐耕图，反映了大禹治水的功绩。

冬日的禹王台，人烟稀少，却不失为一处清幽的庙宇之地，小朋友如入无人之地，跑的那叫一个欢实。

在禹王台，除了供奉着大禹的雕像，还有三贤祠，是为纪念唐天宝三年（744年）李白、杜甫、高适三位大诗

人在此台相会，饮酒赋诗，留下了《梁园吟》等脍炙人口的名篇而建。

这么多历史名人典故，如何了解他们的故事？不妨来听一曲豫剧，了解这一个一个脍炙人口的典故吧。

小朋友对豫剧还不甚了解，却对这咿呀呀的曲调情有独钟，连我们大人都忍不住要催促他离开了，却依然还很执着的听着、看着，这，大概就是古典文化的魅力吧。

且听一曲正宗的河南豫剧吧，艺术来源于民间，在这里，幸运的我们就免费欣赏到了一出又一出精彩的曲目。

禹王台公园占地面积400余亩，以古建筑为主景，以植物园区为主体，但寂寥的冬日，植物早已枯萎，偌大的公园，还有哪里可去呢？

信步于园内，竟被我们发现这样一处隐秘的小小乐园，对于现在的小朋友来说，这也许并不算游乐设施了，但那石头滑梯、那高大简易的秋千，分明是我们小时候最梦寐以求的乐园，大概周末最期待的事，就是被爸爸妈妈带着去公园里，打滑梯、荡秋千了吧。

这一幕，分分钟就把我们拉回了小时候的记忆。在这里，竟然还能找到儿时的乐园，真是感动到泪目。

不分年代，小朋友们对游乐设施的嗨点总是很低，不消一会儿，就已经进入了状态，各种设施都想要尝试一下，玩的也是开心极了。

这复古的大滑梯，真真是我们儿时的记忆。爬上去的小朋友，既实现着自己的快乐，也承载着我们的记忆。就让自己一幕定格吧，冬日的禹王台，古迹，乐园，还有满满的回忆！

王朝旅游庆祝美国国庆日 - 美国66号母亲之路魅力5天团特优计划

湖濱樂園

牛仔和西部遺產博物館

在美国有这么一条公路，她虽然没有被标记在地图上，却家喻户晓。这条公路就是“66号公路”美国第一条横贯公路，昵称她为『美国母亲之路』，更尊敬一点的称她作『母亲之路』66号公路经历了几许兴衰、在美国公路史上有著不可取代的地位。为了庆祝美国国庆日，王朝旅游推出美国母亲之路五日团，7/4-7/8，从休士顿乘坐巴士，途经达拉斯、圣路易斯、俄克拉荷马、伊州首府春田市等城市，一路玩到芝加哥的美国母亲之路五日团。

芝加哥水塔

首先到达“达拉斯”是一个浓缩了美国西部风情城市，“先锋广场”被喻为世界上最具创意的城市雕塑，充分体现了德州风情。有著抢先之洲别名的“俄克拉荷马”，这里有39个美洲原住民部落总部，66号公路路边景点和世界级的西方艺术博物馆。“牛仔和西部遗产博物馆”详实地呈现西部拓荒的艰辛、牛仔文化和印第安人文化等，吸引来自全世界各地的旅客到此。“塔尔萨”的建筑为20世纪的宏伟装饰艺术建筑。“菲尔布鲁克艺术博物馆”馆内陈列著来自全是世界各地的艺术。“科尔曼剧院”被列入国家历史名胜名录，拥有独特西班牙传统风格外关和精致的路易十五内饰。

有著「通往西部之门」之称的“圣路易斯拱门”是美国初期拓荒者西进的必经之路，为拓荒者而建造的纪念碑。“圣路易斯森林公园”里面有各式的博物馆、缪尼歌剧院、艺术博物馆及圣路易斯动物园。以印地安部落命名『林肯之地』“伊利诺伊州”首府“斯普林菲尔德”又称“春田市”，这是林肯长居并在政坛上崛起的地方，也是全美最大的林

肯总统遗迹所在，故居所在的街区已纳入美国国家历史遗迹。“庞蒂亚克”这个小镇曾经是66号公路上的一处重要驿站。一趟66号公路之旅，仿佛掉进了时光隧道一般，回到了西部牛仔风行的时代、公路小镇旁贩卖冒著气泡水的酒馆，霓虹灯闪烁的汽车旅馆、古式而老旧的加油站、西部的传奇逸事在眼前一一上演。

行程最后，西半球最美的天际线“芝加哥”是美国第三大城也是母亲之路的起点。“千禧公园”是芝加哥人气第二高的景点，其中最具代表的云门由英国艺术家设计，外型非常的别致，远远看去就像一滴大水银，又像一颗巨大的银色豆子，所以当地人更喜欢称它为“银豆”。有著『华丽一英里』之称的“壮丽大道”是市区里最繁华的一段商业街道，遍布著名品商店、高档酒店和著名的建筑物，在享受吃喝玩乐的同时可以见到许多芝加哥代表性建筑。“海军码头”有著极高人气，这里有摩天轮、旋转木马、电影院、剧院、拥有一个植物温室和一座儿童博物馆。“360景观台”可以一览芝加哥市中心、密歇

根湖与四个州的景色，或欣赏在夜空下华丽灯初上的绝美夜色。芝加哥是一个美丽的城市，沁人心脾的感觉永难忘怀。放下手边的工作，抛开平时忙碌的节奏，放慢步调与王朝旅游一同来用心感受一场难忘又惬意的小长假。
