Trump Threatens Shutdown Over Wall, Immigration

Washington (CNN)President Donald Trump threatened Sunday to push the government into a shutdown ahead of the coming spending deadline in September if Congress does not fund his border wall and change the nation's immigration laws.

"I would be willing to 'shut down' government if the Democrats do not give us the votes for Border Security, which includes the Wall! Must get rid of Lottery, Catch & Release etc. and finally go to system of Immigration based on MERIT! We need great people coming into our Country!" Trump tweeted.

Trump's Twitter threat introduced a fresh wild card for congressional negotiators to deal with as the remaining legislative days tick down before government funding runs out -- an explosive prospect for both parties with just 100 days until the midterm elections.

Trump has previously floated the possibility of a government shutdown over border security and immigration, and on Sunday he made his threat explicit, saying he would do so unless Congress funds his proposed wall, which he promised Mexico would pay for, and puts in place his preferred immigration policies.

In May, Trump suggested "closing up the country for a while" if he did not get his wall.

"They don't want the wall," Trump said. "But we're going to get the wall, even if we have to think about closing up the country for a while."

However, a disruption in federal government operations could backfire on Trump if voters blame Republicans, who control Congress, for the interruption in services.

"I would be willing to 'shut down' government if the Democrats do not give us the votes for Border Security, which includes the Wall! Must get rid of Lottery, Catch & Release etc. and finally go to system of Immigration based on MERIT! We need great people coming into our Country!" Trump said on Twitter.

Americans are divided along party lines on immigration, and 81 percent of Republicans approved Trump's handling of the issue, according to a Reuters/Ipsos poll released this month.

The Republican president has threatened a shutdown several times since taking office in 2017 in a bid to get immigration priorities in congressional spending bills, especially funding for a wall along the southern U.S. border. Trump has asked for \$25 billion to build the wall.

"I don't think it would be helpful, so let's try to avoid it," Republican Senator Ron Johnson, chairman of the Senate Homeland Security Committee, said on CBS' "Face the Nation."

Congress must agree on a spending measure to fund the government by a Sept. 30 deadline.

Although Republicans control both the U.S. Senate and House of Representatives, disagreements between moderates and conservatives in the party have impeded a speedy legislative fix.

Standoffs over spending levels and immigration led to a three-day government shutdown, mostly over a weekend, in January and an

GOP Plan to Avoid Another Shutdown: Delay the Fight over Trump's Wall.

hours-long shutdown in February.

The House in June rejected an immigration bill favored by conservative Republicans.

The Republican president has made tougher immigration laws a centerpiece of his administration, from the first ill-fated travel ban on people from predominantly Muslim nations to the current battle raging over the separation of illegal immigrant children from their parents at the U.S.-Mexico border.

Sunday's shutdown threat from Trump also echoed a remark he made in February when he said "I'd love to see a shutdown" if the government did not agree to address immigration.

Congress ultimately passed a spending bill in March that funded the government through Sep-

tember. Trump threatened at the time to veto the spending agreement, but eventually signed the bill while expressing his displeasure with Congress.

"I said to Congress, I will never sign another bill like this again," Trump said in March.

A shutdown over Trump's wall at the September deadline would mark the third lapse in appropriations this year, following a shutdown in January as Democrats battled with the Trump administration and congressional Republicans on protections for "Dreamers" as well as a brief shutdown when Republican Sen. Rand Paul of Kentucky blocked a spending vote.

Senate Majority Leader Mitch McConnell announced in June that he was canceling much of the Senate's August recess, saying the chamber needed the additional time to make progress on Trump's nominees and

pass appropriations bills. And with the House out on August recess, there's not much time left before the deadline that both chambers will be in session.

Both Speaker of the House Paul Ryan and McConnell met with Trump last week to discuss funding the government.

Asked about Trump's Twitter threat, a pair of Republican lawmakers said Sunday that they didn't think the government should or would shut down this September.

"Let's hope not," Wisconsin Sen. Ron Johnson said on CBS's "Face the Nation."

Johnson added that he didn't think a shutdown would be "helpful" to Republicans in the November elections, "so let's try and avoid it."

Ohio Rep. Steve Stivers, the chairman of the National Republican Congressional Committee, said on ABC's "This Week" said he did not think it would come to a shutdown.

"I don't think we're going to shut down the government," Stivers said. "You know, I think we're going to make sure we keep the government open, but we're going to get better policies on immigration." (Courtesy <http://www.thefiscaltimes.com>)

Amazon, Online Retailers Open Physical Shops In The Galleria

Temporary walls surround the site of a new Amazon kiosk at the Galleria on Friday, July 27, 2018 in Houston. Shopping centers like the Galleria have seen more e-commerce companies opening physical brick-and-mortar locations.

Amazon on Saturday will open a store in The Galleria, becoming the latest and largest online retailer to open a brick-and-mortar location in Houston's top-performing mall. The so-called Amazon Pop-Up shop, located on the first floor near Macy's, will offer shoppers the opportunity to test-drive smart-home devices, tablets and e-readers, and learn from Amazon employees about the Seattle-based company's online services. "We have a great website, but sometimes, people want to test our products out themselves and talk to a real human," said Cameron Janes, Amazon's vice president of Amazon Pop-Up stores. Online retailers are increasingly opening stores to capture consumers who still spend most of their money offline. Despite the rise of e-commerce, online sales account for less than 10 percent of total retail sales in the U.S. "A lot of these companies that just started on the internet have realized they can increase sales by opening these pop-up locations in malls," said Ed Wulfe, chairman and CEO of Wulfe & Co., a Houston-based retail real estate firm. Eight e-commerce retailers, including Amazon, have recently staked out physical locations at the Galleria, the largest mall in Texas. They include Eloquii, a women's fashion retailer; Sugarfina, an upscale candy shop; and Untuckit, a menswear company. A shopper walks in front of the future location of Charles Tyrwhitt at the Galleria on Friday, July 27, 2018 in Houston. Amazon, which opened its first Pop-Up store in 2014, now has 66 in 19 states, including in several Kohl's and Whole Foods Market locations. The e-commerce giant has eight Pop-Up stores in Texas,

Shopping centers like the Galleria have seen more e-commerce companies opening physical brick-and-mortar locations. including Baybrook Mall, The Galleria, The Woodlands Mall and Willowbrook Mall in the Houston region as well as North Star Mall in San Antonio. Other online retailers, such as menswear retailer Bonobos, bed-in-a-box company Casper and eyeglasses shop Warby Parker are opening physical stores across the country. At the same time, traditional retailers such as Walmart, Target and Best Buy are beefing up their online business. It's all a push to create "omnichannel" shopping experience to woo the most shoppers in today's competitive retail environment. "Retailers want to approach it from every possible angle to ensure they're reaching all the customers out there," Wulfe said. Simon, the nation's largest mall owner, three years ago created a business development team at its New York office dedicated solely to attracting e-commerce companies to its properties, which include the Galleria.

Sugarfina now occupies space at the Galleria on Friday, July 27, 2018 in Houston. Shopping centers like the Galleria have seen more e-commerce companies opening physical brick-and-mortar locations. Today, that team is one of the most active leasing departments in the company, said Greg Vlahos, senior vice president of leasing at Simon's Dallas office. "We're seeing a slowdown in the expansion and growth of traditional retailers we've done business with for many, many years," he said. "Mature retailers are maxed out with their store counts. The real growth in the fashion and soft-goods side of retailing is newer concepts, most of which started online." As a result, a significant portion of Simon's new retail leases today are e-tailers looking to get into brick-and-mortar retail, Vlahos said. Untuckit, which sells casual men's shirts, opened its first brick-and-mortar store in 2015. Since then, the company has grown its physical presence rapidly, opening more than three dozen locations including one at the Galleria. The company, founded in 2011, has plans to open 100 stores over the next five years. Simon, which has signed 12 leases with Untuckit, is working on

six more, Vlahos said. Most e-tailers are looking for smaller spaces and shorter leases to test out their brick-and-mortar concepts. An e-tailer opening a fashion boutique at a Simon mall typically takes a space of 800 to 1,500 square feet, and will sign a lease for one to three years, Vlahos said. "As their brick-and-mortar concept evolves, their comfort level grows to expand their footprint and sign longer-term leases," he said. Mariah Chase, the CEO of Eloquii, said she once scoffed at the idea of opening a physical location, wary of the fate befalling traditional retailers such as Sears and Toys R Us. But today, the online fashion retailer for women sizes 14 and up has five stores, including one in the Galleria. The company is set to open its sixth store next month in Miami. "Our web customers wanted Eloquii in a store," Chase said. "They told me, 'I'd love to be able to try things on, shop with my group of friends and feel the fabric.'"

Shopping centers like the Galleria have seen more e-commerce companies opening physical brick-and-mortar locations. Chase and her team use both e-commerce data and multiple site visits to determine the best locations for their brick-and-mortar locations. "Where you have a large e-commerce market like Houston," Chase said, "you have to have a store footprint in that market, too." (Courtesy chron.com)

Trump threatens government shutdown over wall, immigration. President Donald Trump threatened to push the government into shutdown ahead of the coming appropriations deadline in September if Congress does not fund his border wall and change the nation’s immigration laws. “I would be willing to ‘shut down’ government if the Democrats do not give us the votes for Border Security, which includes the Wall! Must get rid of Lottery, Catch & Release etc., and finally go to system of Immigration based on MERIT! We need great people coming into our Country!” Trump tweeted Sunday.

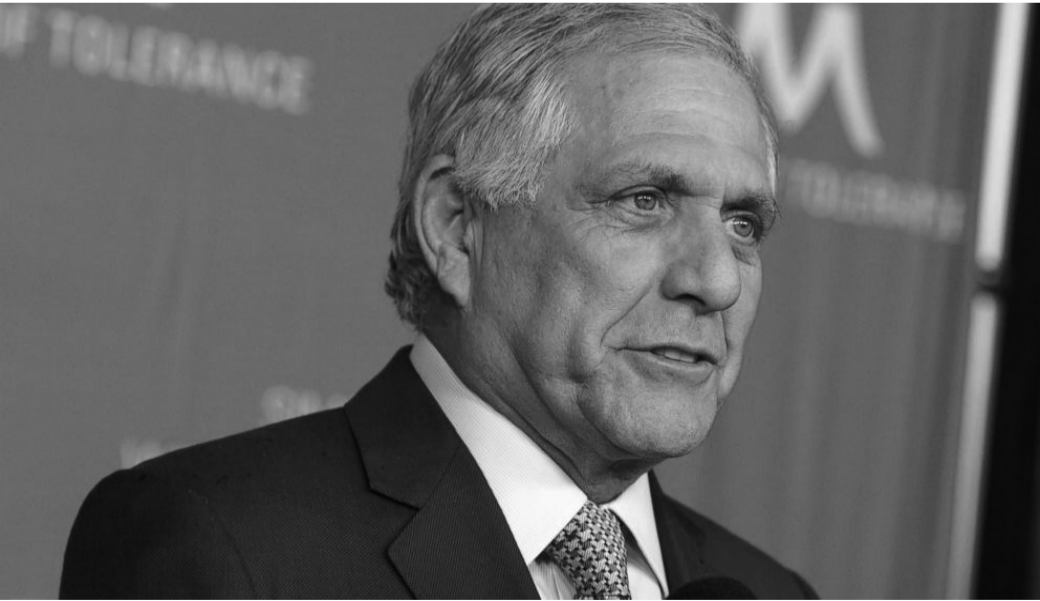

Civil rights icon Rep. John Lewis hospitalized. (CNN) Civil rights icon and Georgia congressman Rep. John Lewis has been hospitalized but is expected to be released Sunday, his spokeswoman says. Spokeswoman Brenda Jones told CNN that Lewis is under routine observation but she did not give details of the nature of his illness or where he is hospitalized. CNN affiliate WSB-TV reported that Lewis was being treated at a hospital in metro Atlanta, and the station quoted unnamed sources as saying Lewis became ill on a flight to Atlanta on Saturday. Lewis, 78, has represented Georgia’s 5th Congressional District, which includes much of the city of Atlanta, since first being elected in 1986.

The NECCO Company has stopped making America’s oldest candies. The NECCO plant in Massachusetts shut down suddenly last week, putting the future of Mary Janes, Mighty Malts, Sky Bars and Sweethearts products in limbo after the NECCO factory closing this past week. The NECCO plant in Revere, Massachusetts, was shut suddenly Tuesday by its owner, Round Hill Investments LLC. The investment company, owned by billionaire C. Dean Metropoulos, bought NECCO out of bankruptcy in May for \$17.3 million. The news was first reported by The Boston Globe. “We are disappointed that Round Hill could not follow through on the enthusiasm it expressed when it acquired Necco barely two months ago,” said Revere Mayor Brian Arrigo in a statement. Arrigo said he was disappointed that the city received no advance word about the plant’s closing, but he was encouraged that six private food service companies have already expressed interest in interviewing the former NECCO factory workers.

Officials Investigating Pres. Nicolas Maduro In Money Laundering Plot. A Miami Herald report reveals that U.S. investigators are examining if Venezuelan president Nicolas Maduro along with other Venezuelan government officials have ties to a suspected laundering plot. The alleged operation reportedly led to the theft of around \$1.2 billion from the nation’s state-owned oil company. So far eight individuals have been named as defendants in a complaint over the suspected incident. Maduro announced on Wednesday, July 25, a monetary reform that will remove 5 zeros from the value of the Venezuelan currency. CBS chief Les Moonves and CBS Face Allegations of Sexual Misconduct. The New Yorker magazine has published a bombshell investigation of the head of CBS Corporation that includes allegations of sexual misconduct. The article by Ronan Farrow alleges that CBS chairman and CEO Leslie Moonves engaged in inappropriate sexual behavior, including unwanted kissing and touching that occurred over 20 years ago. Representatives for Moonves did not immediately respond to ABC News’ requests for comment Friday afternoon. The media company’s stock fell by more than 5 percent Friday afternoon amid news of the impending investigation and the allegations.

At least 3 dead, 7 injured in New Orleans shooting. (CNN) A manhunt is underway for two suspects accused of killing three people and injuring seven others in New Orleans, the city’s police chief said. The suspects, who police say were wearing hoodies, fired a long rifle and a handgun Saturday night into a crowd outside a business three miles from the French Quarter. Police Chief Michael Harrison said the suspects approached the victims from behind and fired multiple rounds “indiscriminately.” “This is an extremely tragic incident,” he told reporters. Two men and a woman died at the scene, and several others were injured. The injured -- five men and two women -- were taken to several hospitals in the area, police said. One victim was in critical condition Sunday morning.

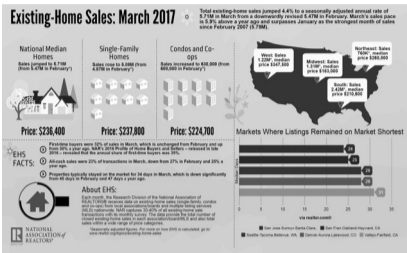

Trump Administration Moves To Roll Back Obama-Era Labor Department Rule. The Trump administration is taking steps to roll back an Obama-era Labor Department safety rule. The Occupational Safety and Health Administration (OSHA) issued a notice Friday proposing to roll back the rule that requires companies with 250 workers or more to submit detailed logs on workplace injuries. Officials say the original rule violates workers privacy as the information could be subject to Freedom of Information Act requests. The proposed changes will protect employee information and reduce the burden on employers. Carr Fire Kills 5 People, Burns 80,000 Acres Near Redding, California. Five people are now confirmed dead, as the Carr fire continues to rage in Northern California. Earlier Saturday, a California family confirmed two young children and their great grandmother died from the fire. As of now, 500 structures have been destroyed and 80, acres have been charred from the Carr Fire, which is only 5% contained. Fire officials said high temperatures, and large amounts of dried brush are stoking the flames and causing massive amounts of smoke, making containment efforts difficult. Authorities also estimated around 38,000 people have been evacuated as of Friday. Meantime, authorities have released the name of the firefighter killed in the devastating fire. According to officials, Jeremy Stoke, a fire inspector with the Redding Fire Department, died fighting the deadly blaze Friday. After strong interest for several years, international buyers appear to be souring on the U.S. housing market. The dollar volume of U.S. home sales to international buyers between April 2017 and March 2018 dropped 21 percent compared with the year-ago period, according to the National Association of Realtors. Of the \$121 billion in sales to international buyers, those currently living in the U.S. purchased \$67.9 billion in properties, while nonresident foreigners purchased \$53 billion, both marking a drop from the previous year. Foreign buyers accounted for 8 percent of the \$1.6 trillion in existing home sales, a drop from 10 percent the previous year.

“The decline is partly coming off high levels of the prior year, but also surely from the strong rhetoric coming out of Washington against foreigners,” said Lawrence Yun, chief economist for the Realtors. “There has been a large drop-off in foreign students attending U.S. universities already. Chinese [buyers], in particular, purchase homes for their kids while attending college.” China still leads the pack for international buyers, as it has for six straight years, accounting for 15 percent of international sales. Chinese buyers also purchased the most expensive homes, with a median price of \$439,100. Canada came in second, with a 10 percent share of international sales, but the Canadians’ dollar volume dropped by 45 percent compared to the previous year. Not only are Canadians buying fewer U.S. properties, they are buying cheaper U.S. properties. The median price for Canadian buyers was \$292,000. “The market here is softer, and I imagine that’s why there are perhaps less Canadian buyers,” said Elli Davis, a real estate agent

based in Toronto. “That does surprise me, though, as I still know lots of people buying mostly in Florida!”

A real estate agent readies a house for viewing in Venice, Calif.
Buyers from China, Canada, India, Mexico and the United Kingdom accounted for nearly half of the dollar volume of sales to international buyers. Canadian buyers had been the market leaders by far during the U.S. recession. They dropped back significantly as U.S. home prices recovered, Chinese buying increased and U.S. investor purchases climbed. “Inventory shortages continue to drive up prices and sustained job creation and

historically low interest rates mean that foreign buyers are now competing with domestic residents for the same, limited supply of homes,” Yun said. High prices could certainly be a deterrent for buyers in Southern California. Chinese buyers have been very strong in the single-family market there, as they plan for their children to attend area universities. Irvine, especially, saw huge demand from Chinese buyers, particularly in newly built communities, with larger, multigenerational homes that they favor. For international investors who are looking for condominiums in large cities as an investment, the supply theory doesn’t really hold. “I don’t think it’s the supply issue because these buyers are buying in the higher end and there is more supply there, particularly in the gateway cities like Miami and New York,” said Sam Khater, chief economist at Freddie Mac. “It could be just that their appetite for U.S. real estate is waning.” (Courtesy <https://www.cnbc.com/>)

NAR Reports A Decrease In International Home Sales

The housing market’s low supply and high prices have been affecting residents across the nation for a while, but now experts are starting to see these trends harm international home purchases in the U.S. According to a news report, international sales from April 2017 to March 2018 dropped 21 percent. In that 12 month time frame, international sales totaled \$121 billion. “After a surge in 2017, we saw a decrease in foreign activity in the housing market in the latest year, bringing us closer to the levels seen in 2016,” said the National Association of Realtors economist Lawrence Yun. Yun attributed the decrease to low inventory and high housing prices. In May of 2018, the U.S. saw the highest jump in housing prices since 2014. Experts predict the costs will only continue to rise, possibly over 5 percent, by next May. In the past, international buyers have purchased more expensive homes than the average home price. The average existing median home price was \$249,300, but the average international sale was \$292,000. As of now, the housing market’s inventory is increasing, but not enough to take away from the competition for homes on the market. June saw a 5.2 percent increase in existing home inventory, but the amount of home sales that month still dropped.

Not So Local Real Estate

For the international buyers who are purchasing homes in the U.S., most buy from China. For the sixth year straight, buyers from China make up \$30.4 billion in international sales. The other countries that topped international sales were Canada, India, Mexico and the United Kingdom. When it comes to where international buyers are most likely to purchase property, a lot of the international buying takes place in Florida with 19 percent of international purchases. California follows closely behind with 14 percent and Texas a little lower with 9 percent. International buyers are most likely to purchase a single-family home — about 66 percent of foreign buyers purchase a single-family home, while 14 percent buy a condo and 13 percent buy a townhouse. As for what this means for the real estate industry, Realtors are unsure. According to a NAR survey, only 23 percent of members worked with an international client in the last year. That number dropped 29 percent from last year. Almost half of the survey respondents, 44 percent, said they don’t know what the future of international sales will look like, which Yun said was likely due to uncertainty surrounding future trade and immigration policy. London (CNN) Julian Assange walked into the Ecuadorian Embassy in London on June 19, 2012 to claim political asylum. He has been there ever since -- a total of 2,230 days -- rarely seeing daylight. But multiple sources say his situation is now untenable and he may soon leave, whether he wants to or not. The question is: what will happen to Assange and when he does walk out of his bolt-hole around the corner from Harrods? The recent indictments issued by US Special Counsel Robert Mueller imply that Assange and WikiLeaks were a conduit for Russian intelligence in distributing hacked Democratic Party emails in 2016.

According to the indictment document, "The conspirators (...) discussed the release of the stolen documents and the timing of those releases with Organisation 1 to heighten their impact."

CNN has established that Organization 1 is WikiLeaks, which published the emails in July 2016.

Assange has always maintained that he did not receive them from the Russian government. He told Fox News in January 2017: "Our source is not the Russian government, and it is not a state party."

A member of Assange's legal team, Jennifer Robinson, told CNN this week: "WikiLeaks has made very clear they were not engaged in any way with the Russian state with respect to that publication. There is no connection between WikiLeaks and any of those who have been indicted."

His lawyers argue that all Assange did was publish the hacked emails, as did other media, after being in contact with a hacker called Guccifer 2.0. The Special Counsel alleges that Guccifer 2.0 was a cover for Russian intelligence, saying in the indictment that on July 14th [2016], Guccifer 2.0 sent WikiLeaks an encrypted attachment that contained "instructions on how to access an online archive of stolen DNC documents."

Whether a sealed indictment awaits Assange in relation to the Russian hacking investigation is unknown. But according to US officials, charges have been drawn up relating to previous WikiLeaks disclosures of classified US documents.

the embassy because he skipped bail in 2012 -- when Swedish authorities were seeking his extradition to face accusations of rape. Last year Sweden suspended the investigation, but Assange's lawyers fear his arrest would be swiftly followed by a US extradition request. Assange maintains his innocence. "For us protecting him from US extradition is absolutely paramount, and the most important and fundamental principle that must be respected," Robinson told CNN this week.

BREAKING: WikiLeaks Founder Julian Assange Granted Ecuadorian Citizenship (CNN) Ecuador has granted citizenship to WikiLeaks founder Julian Assange, Ecuador's Foreign Minister Maria Fernanda Espinosa announced Thursday, July 26, 2018. Speaking at a news conference in Quito, Espinosa said Assange was granted naturalization on December 12.

She called the measure "one more ring of protection" for Assange, who has been holed up at the Ecuadorian Embassy in London since 2012 in an effort to avoid a Swedish arrest warrant on rape allegations -- a charge he has always denied. Sweden dropped the charges in May 2017, but Assange remains the subject of a UK arrest warrant.

Assange, 46, has previously expressed concern that if he leaves the Ecuadorian embassy in London he could end up being extradited to the US, where he fears facing the death penalty over allegations of revealing government secrets through WikiLeaks. Espinosa said that in December, the Ecuadorian government requested diplomatic status for Assange, pointing out that his Ecuadorian naturalization reinforces his status as "protected."

But the UK rebuffed the request. "The Government of Ecuador recently requested diplomatic status for Mr. Assange here in the UK. The UK did not grant that request, nor are we in talks with Ecuador on this matter. Ecuador knows that the way to resolve this issue is for Julian Assange to leave the embassy to face justice," the UK Foreign Office said in a statement.

EXCLUSIVE!!

Ecuador's president Lenin Moreno traveled to London on Friday for the ostensible purpose of speaking at the 2018 Global Disability Summit (Moreno has been using a wheelchair since being shot in a 1998 robbery attempt). The concealed actual purpose of the president's trip is to meet with British officials to finalize an agreement under which Ecuador will withdraw its asylum protection of Julian Assange, in place since 2012; eject him from the Ecuadorian Embassy in London; and then hand over the WikiLeaks founder to British authorities.

In a briefing Tuesday, Espinosa said Ecuador will continue to pursue a dialogue with the UK to eventually remove Assange from the embassy. She added that Ecuador was exploring the possibility of third-country mediation. "We will continue to protect Julian Assange while his physical and psychological integrity are at risk," Espinosa said. "We are a country that defends human rights and additionally, a country that respects international law."

A 2016 United Nations report concluded that the WikiLeaks founder had been arbitrarily detained by Sweden and the United Kingdom. Awssange's legal team has called on UK and Swedish authorities to end his "deprivation of liberty, respect his physical integrity and freedom of movement, and afford him the right to compensation."

WikiLeaks @wikileaks Statement by Mr Assange's legal team responding to yesterday's news: "The UN ruling, issued almost two years ago, is crystal clear in its language, Mr Assange is unlawfully and arbitrarily detained by the UK authorities and must be released."

"The UN ruling, issued almost two years ago, is crystal clear in its language, Mr Assange is unlawfully and arbitrarily detained by the UK authorities and must be released," Assange's legal team said on Twitter.

"We believe Julian Assange's situation, from a human perspective, is not sustainable. A person cannot live in these conditions forever. And we are very respectfully looking with the United Kingdom to find mechanisms that lead to a solution," Espinosa added.

"There should never be a situation where a publisher is sent to the US to face prosecution for that activity, so we will, if forced, fight his extradition in the British Courts." The Ecuadorian government wants the case resolved. Ecuador's recently elected president, Lenin Moreno said in Madrid Friday that his government was in dialogue with the UK and wanted a solution that guaranteed Assange's life would not be in danger. He described Assange's long confinement as "against human rights."

Downing Street confirmed discussions were "ongoing."

Moreno has previously described Assange as an "inherited problem" (his predecessor Rafael Correa granted Assange asylum.) But in a statement last week, the Ecuadorian Foreign Ministry said it saw no immediate or long-term solution to the situation.

Complicating the situation is the fact that Assange was granted Ecuadorian citizenship last December.

Assange's situation is also a dilemma for the British government, aware that he inspires both passionate support and visceral animosity.

Julian Assange speaks to the media from the balcony of the Embassy of Ecuador, where he has been living since June 19, 2012.

Foreign Office Minister Alan Duncan told the House of Commons last month: "We would like the assurance that if he were to step out of the embassy he will be treated humanely and properly. The first priority would be to look after his health, which we think is deteriorating."

manely and properly. The first priority would be to look after his health, which we think is deteriorating."

On that issue, Assange's lawyers and Ecuadorian officials agree. Robinson says "the situation is untenable. His health is being irreparably damaged...This case cannot go on much longer."

Assange's isolation deepened in March. His access to the internet and phone was cut off -- in part because Ecuadorian officials said he had violated an agreement not to comment about the internal affairs of other countries. Assange has been, for example, a vocal supporter of the Catalan independence campaign in Spain.

The former consul at the embassy, Fidel Narvaez, says he saw Assange two weeks ago. "He is a very strong man but remember he lives in a small flat, without natural light, just with artificial light," Narvaez told CNN.

Narvaez doesn't believe Assange is about to give up. "He is made for a big fight and I think he faces difficult and adverse situations with strength."

He also maintains that Assange has the right to live in Ecuador, if the British government allows him to leave the country.

On their own admission, Assange's legal team are in the dark about any negotiations that might be going on about Assange's future.

The irony is that Assange fears extradition to a country whose

President proclaimed himself a big fan of WikiLeaks when running for office. Donald Trump mentioned WikiLeaks' hacking of Hillary Clinton's emails more than 100 times in the last month of the 2016 election campaign. At one point he said: "I'll tell you this Wikileaks stuff is unbelievable. It tells you the inner heart, you gotta read it."

He even went so far as to say: "I love WikiLeaks."

Trump's Secretary of State, Mike Pompeo, and the US Justice Department appear to think very differently. They believe Julian Assange should be brought in front of a US court. When he was Director of the CIA, Pompeo said: "We can no longer allow Assange and his colleagues the latitude to use free speech values against us."

Pompeo said that WikiLeaks "walks like a hostile intelligence service and talks like a hostile intelligence service."

Whether Robert Mueller's team agrees -- that's the tantalizing question. (Courtesy cnn.com)

香港文匯報訊（記者 吳文釗）由古天樂、姜皓文（黑仔）、顏卓靈（Cherry）、張繼聰等人主演的新片《犯罪現場》7月30日於佐敦店舖拍攝警匪追捕場面，劇組斥資七位數，耗時兩個月搭建真實3,000呎珠寶店場景，劇組連日來在假珠寶店拍攝，由於環境逼真，有途人誤以為是真實珠寶店內選購，十分搞笑。

建珠寶店拍劫案重頭戲

古天樂 以假亂真引途人

扮演悍匪的古天樂表示新片已開工一個月，7月30日拍的警匪追捕戲是電影的開場戲份，之後尚有大廝殺的重頭戲未拍，另外劇組租用店舖拍攝爆炸場面，落足工本製作認真。問到大熱天時拍追捕戲會否特別辛苦，古仔說：“在室內拍有冷氣還可以，因為新片中的時間是冬天，我還要穿大樓和皮褸，都幾辛苦。”

古仔稱現在有三部新片同時拍攝，日前他在35、36度高溫下拍外景，曬得差點要中暑，另一部新片又要拍飛車追逐場面。問到三戲同時拍，會否混淆當中角色時，古仔說：“都不會，因為幾日會拍一組戲，自己調整到，開工前一晚也會做好分析，到拍攝時就可以提醒自己是演什麼角色。”

余詩曼有潛質拍電影

有傳余詩曼簽約古天樂旗下公司藝人，問他是否看好對方在影壇有一番作為，古仔一貫口吻表示要問回阿余的經理

人公司，古仔說：“阿余是電視台一姐，我和她以前也合作過，她當然有潛質可以拍電影。”至於廣告商以古仔跳《今期流行》作招徠，但廣告片中卻不見他跳舞，古仔笑道：“我跳過啦，可能剪走了，其實只是動幾下，因為無排過舞，又不是以前的舞步，我都是客串形式做。”

飾演警察的姜皓文和顏卓靈表示要在假珠寶店拍攝6日，首次拍攝匪片的Cherry對拿槍大為興奮，不時間黑仔正確拿槍姿勢，她也想像不到槍械真的很重，要花很大氣力才能扣下扳機。黑仔也開心地表示可以再演警察，笑言大家誤以為他常演警察，其實他演的次數屈指可數。黑仔說：“最開心可以拿正牌開槍和飛車，甚至可以在馬路上逆線行車，但因為沒有申請封鎖全部行車線拍攝，所以在計算走位上要十分小心，將危險性降至最低。”

顏卓靈不時向黑仔請教。

假珠寶店環境逼真，有途人誤以為是真實珠寶店內選購。

扮演悍匪的古天樂表示新片已開工一個月。

劇組在佐敦斥資七位數，耗時兩個月搭建3,000呎珠寶店真實場景。

元彪赴日與“迷你李小龍”交手

香港文匯報訊 元彪日前到日本東京出席為紀念李小龍逝世45周年的新鉅發佈會，元彪穿上唐裝出席活動，更與“迷你版李小龍”今井竜惺同台交手。二人擺出對戰姿勢對峙，元彪大搞氣氛，向竜惺雙手合十、跪地求饒，場面惹笑。問到元彪是否首次與竜惺見面？他笑言自己早已在網上看過對方的短片：“我覺得佢將來一定會成才，成為武術、功夫界接班的日本人。”及後，元彪表演木人椿，一展身手，但他打了一下才驚覺手上戴着名錶，慌忙脫下手錶，繼續表演。

相隔二十多年沒到日本作公開活動的元彪，人氣依舊不減，由落車到活動現場都被熱情粉絲簇擁要求簽名合照，其中一名粉絲更親手畫了一幅結果他曾演出的角色的畫作，令他非常感動。是次來日工作4、5天，令他憶起年輕時踏上日本武道館獻唱日文歌的難忘回憶。

另外，元彪透露現正忙於籌備《七小福》電影：“因為下年係‘七小福’60周年，其實我們

50周年時候已經想拍這部電影，同香港、中國，甚至全世界的人講我們小時候是怎樣學功夫，點樣刻苦。叫小朋友不好氣餒，要有信心恒心。”而提到他年輕時與李小龍合作的點滴，他坦言對方是自己的偶像，有機會與他合作實在與有榮焉。他續說：“我同他一齊合作最幸運的是，第一是站在他旁邊，第二是被他踢一腳，被他一腳打到飛起。”

元彪受日本Fans歡迎。

蔡興麟望出黑膠唱片

香港文匯報訊（記者 吳文釗）80年代歌手蔡興麟7月30日接受電台訪問，他透露今年會推出新唱片及開演演唱會，希望新唱片可以推出黑膠版，但因多年沒出唱片的關係，坦言已不熟悉現時的運作方式，打算將新碟盈利捐出去做慈善，幫助有需要的殘疾人士。蔡興麟表示新歌會以他的人生故事為主，也有歌曲會談及感情，

未知自己會投資多少。至於相隔25年再開演唱會，他稱年底會在九展舉行，他說：“現在好期待，沒有緊張，要做就要做到最好，如果沒有100%的準備是絕對不會開的。”

蔡興麟表示已邀請當年同期出道的好朋友做嘉賓，如劉雅麗、彭家麗、李樂詩等，甚至薛家燕、肥媽都很支持他唱歌。

寶兒寶欣 “姊妹檔”出秀

香港文匯報訊（記者 李思穎）張寶兒和妹妹張寶欣7月30日首次以姊妹檔拍住盞錢出席首飾店活動，兩人均穿上露肩裙現身，問到“姊妹檔”酬勞是否更優厚，寶兒表示沒有問價錢，能夠跟妹妹一起工作已很開心，過去一年妹妹都有面對鏡頭經驗，所以無需特別指點她出席活動的秘訣。寶兒入行後認識現任圈中男友袁偉豪，問她可想妹妹跟她一樣？寶兒覺得要看緣分，也不用特別為妹妹介紹男仔，因妹妹好會看人。問到寶欣對未來姐夫袁偉豪印象，她大讚袁偉豪值很高分，笑說：“他們甜到漏，(有否羨慕家姐?)沒有，但有些妒忌，他搶走了我家姐，不過他對我和屋企人都很好，之前出書都有送給屋企所有人。”

寶兒和寶欣希望有機會合作拍劇，寶欣笑說：“可以反過來我做姐姐，不是她平日欺負我想報復，只是想演姐姐保護她。”真的姐妹情深。

寶兒和男友同時開拍新劇《鐵探》，兩人擺正牌拍拖，問她會否對到厭，寶兒笑說：“不會，日日對住劇本就真，他有指點我，亦有教其他後輩，一起開工好有團隊感覺。”她又指家人煲湯水時也會預男友一份。

祖兒跟古仔拍廣告

香港文匯報訊 樂壇天后容祖兒再次攜手創意單位AllRightsReserved拍攝電視廣告，今次祖兒化身高校教師與一眾港日女生dancers推介“幾時都流行”。祖兒化身高校教師帶領學生勁歌熱舞，故事圍繞青春校園生活，讓人重溫校園的青葱歲月。今次拍攝當然有彩蛋，網上別注版MV

容祖兒同古仔拍攝廣告《幾時都流行》。

《幾時都流行（古仔落場版）》邀得網民跪求復出樂壇的古天樂加持，於MV中驚喜現身。黑超型格look的古天樂亂入MV，被一班高校女生迷得神魂顛倒，女生們大唱由“今期流行”改編的Remix版，全新歌詞“今期齊人全城終極流行，左右門神好興奮越跳越近。今期流行流行影視紅人，他極迷人古仔再笑我就會量。”大讚古天樂的迷人魅力。高校女生跳着重新編排的青春舞步，更大膽挑戰神級舞步，以似曾相識的經典舞步向古天樂致敬，就連容祖兒亦抓緊機會跳幾下“過下癮”，相信觀眾們對當年《今期流行》Mr. Cool的回憶全回來！不難成為新一首洗腦神曲，掀起新一波城中熱話。更加不能錯過MV結尾NG鏡頭，祖兒大爆一句：“我都係聽古天樂大！”

"制裁特攻"影評 最後35分鐘崩壞了

老男人動作片 丹澤爾表演有層次隱喻太愚蠢

讓人難以置信的是，在丹澤爾·華盛頓超過四十年極其耀眼、充滿提名和獎項的成功演藝生涯道路上，他從來都沒有拍過壹部續集電影。而打破他這壹慣例的，則是2014年在全球範圍內收獲1.92億美元，由安東尼·福奎阿執導的《伸冤人》。這部作品的成功告訴我們，就像此前的連姆·尼森壹樣，還是有很多觀眾願意花錢去看上了歲數的動作英雄大顯身手。

《伸冤人》的第二部中國內地定名為《制裁特攻》，聽上去距離「動作片」更近了壹步。丹澤爾在片中再次飾演了退休再就業的CIA秘密特工Robert McCall，在這個過程中可沒少打折人的骨頭。影片壹開始還算引人入勝，可惜在最後的35分鐘崩掉了。

《制裁特攻》系列改編自上世紀80年代美劇《伸冤人》，影片男主角

McCall在波士頓郊區住著簡單又出世的生活。他被卷進了壹個復仇之局，需要他「非常特別的技巧」。

影片開篇時的壹幕發生在土耳其的火車上，但McCall的殘暴技能不僅局限於全球旅行之中，打鬥地點也從第壹部他工作的家居建材公司，轉移到了第二部中他身為司機開的專車上。當在軟件上約了他車的女兒被壹群人性侵時，McCall把這幫壞人也打了個半死。

第壹部中的梅麗莎·裏奧與比爾·普爾曼，作為Susan Plummer與丈夫Brian均回歸出演《制裁特攻》，他倆也可以說是McCall唯壹的朋友。Susan被召喚到布魯塞爾，調查壹起臥底CIA特工的自殺案，然而她自己也被殺害了，McCall此時發現自己陷入了危險又糾結的網中，而此前多年他壹直活得悄無聲息，除了Susan以外的大多數人都以為他已經死了。

當McCall和前任搭檔Dave York（「紅毒蛇」佩德羅·帕斯卡飾）聯系上後，他意識到團隊的其他成員都變成了自由職業殺手，而Susan變成了他們的目標，因為她懷疑到了布魯塞爾的案子根本不是自殺，而是殺手的出擊，最終會在他們身上找到線索。毋庸置疑的是，McCall因此也會與曾經的朋友和同事反目成仇，血濺四處。

丹澤爾在《制裁特攻》中，又壹次貢獻了冷靜又富有層次感的表演，也讓他作為電影演員的魅力展露無遺。影片中最棒的部分，是當McCall教導Miles（《月光男孩》中的艾什頓·桑德斯）時，後者和McCall住在同壹套公寓中，是個年輕想藝術的學生，他被當地黑幫能掙快錢這壹點誘惑著。這兩個角色間的化學反應簡潔明了，當McCall深入毒窩，拯救Miles於水火之中時，氣

氛簡直是達到了白熱化。

在這部沒什麼有辨識度和有深度配角的電影中，壹個早已破碎的男人，哄著威脅著壹個小孩兒要做出明智的抉擇，少犯錯誤，這樣的情節簡直是《制裁特攻》最接近有感情的壹面了。

本次回歸的編劇理查德·溫克，此前其實有過更優秀的作品，可在《制裁特攻》裏面他好像已經放棄了，也許是因為缺乏想象力吧。片中的臺詞也充滿了說教，讓人聽上去非常尷尬，還有個更加無厘頭的比喻——影片中隨著劇情張力的加強與死人的增多，天氣也越來越陰郁。背景中有風吹，壹會兒開始打雷，然後還下雨了。這都已經不是潛臺詞，而變成額外的背景音效了。

這壹切的壹切都在影片的第三幕中以壹種氣人的方式爆發，沒有任何顯著的原因，故事幾乎是突然

發生在了颶風中。McCall就能把York和壹些前搭檔從蠻荒之地的空樓裏憑空召喚出來，然後在呼嘯的風暴中來了壹場貓捉老鼠般的槍戰，這也太愚蠢了。

《制裁特攻》是丹澤爾與導演福奎阿的第四次合作，後者給丹澤爾帶來了2001年《訓練日》的奧斯卡影帝桂冠。福奎阿在本片中首次嘗試了大量運用音樂，還精通抓住觀眾們的註意力，尤其是當故事並不怎麼樣的條件下。包括上壹段說的那場沙雕颶風戲，拍得還不錯，沒顯得CGI特別過頭。

福奎阿也懂得怎樣給現年63歲的丹澤爾打光，還能讓動作戲份更符合他這個年齡應有的力量。可對於我來說，2004年的《怒火救援》依然是丹澤爾拍過的最好看、最有趣、最讓人印象深刻的「憤怒丹澤爾」式影片。

《的士速遞5》曝"馬賽傳說"飆車片段 麻煩警探搭配廢柴司機 如何駕馭逆天出租車？

飆車喜劇《的士速遞5》將於8月3日全國上映，日前片方發布壹款「馬賽傳說」片段，回顧了那輛傳奇出租車在系列前作中的神勇表現。影片由弗蘭克·蓋思堂彼得編劇、執導並主演，馬利克·班澤拉、伯納爾·法西等共同出演，講述麻煩警探西爾萬與廢柴司機埃迪接手貫穿系列20年的逆天出租車，迎戰跨國犯罪團夥的故事。

四部前作叫好叫座，用接地氣的喜劇元素把熱血飆車戲裝點得男女通吃、老少皆宜，尤其是那輛所向披靡的白色出租車，系列中成為馬賽傳說，現實中也是人人都愛的銀幕神車。

此次曝光的「馬賽傳說」片段，通過警察局長艾倫的描述，向大家重現了神車的種種「神跡」。其中壹鍵變形、超速爆表、高空跳傘等前作中的經典鏡頭，至今仍不過時，依舊閃耀著令人叫

絕的腦洞和炫酷感。

該片段不僅燃起觀眾對銀幕神車的熱血記憶，也在麻煩警探西爾萬（弗蘭克·蓋思堂彼得 飾）詢問「它現在在哪兒」之際，透露出「傳承」的涵義。這部重啟之作由全新班底打造，集編、導、演於壹身的弗蘭克和老搭檔馬利克·班澤拉都自稱是「看著《的士速遞》系列長大的孩子」。

在片中，兩人出演麻煩警探西爾萬和廢柴司機埃迪這對烏龍CP，前者初到馬賽，後者則從小聽著叔叔丹尼爾的飆車傳說長大。所以戲裏戲外，他們都將以「新人」的身份繼承前輩留下的逆天出租車，貫徹系列20年不變的飆車與爆笑齊飛的風格，續寫馬賽街頭速度與激情的傳奇。

《的士速遞5》將於8月3日登陸全國院線。
