Trump gets a U.S. Supreme Court victory on immigration detention

WASHINGTON (Reuters) - The Supreme Court on Tuesday endorsed the U.S. government's authority to detain immigrants awaiting deportation anytime - potentially even years - after they have completed prison terms for criminal convictions, handing President Donald Trump a victory as he pursues hardline immigration policies. The court ruled 5-4 along ideological lines, with its conservative justices in the majority and its liberal justices dissenting, that federal authorities could pick up such immigrants and place them into indefinite detention anytime, not just immediately after they finish prison sentences. The ruling, authored by conservative Justice Samuel Alito, left open the possibility that some immigrants could challenge their detention. These immigrants potentially could argue that the use of the 1996 federal law involved in the case, the Illegal Immigration Reform and Immigrant Responsibility Act, against them long after finishing their sentences would violate their due process rights under the U.S. Constitution. Most of the plaintiffs in the case are legal immigrants. The law states the government can detain convicted immigrants "when the alien is released" from criminal detention. Civil rights lawyers in the case argued that the language of the law shows that it applies only immediately after immigrants are released. The Trump administration said the government should have the power to detain such immigrants anytime. In dissent, liberal Justice Stephen Breyer said the ruling raises serious due process questions. "It runs the gravest risk of depriving those whom the government has detained of one of the oldest and most important of our constitutionally guaranteed freedoms," Breyer wrote. But Alito wrote that it is not the court's job to impose a time limit for when immigrants can be detained after serving a prison sentence. Alito noted that the court has previously said that "an official's crucial duties are better carried

Lyft's IPO already oversubscribed - sources

NEW YORK (Reuters) - Lyft Inc's initial public offering (IPO) is oversubscribed based on commitments made so far by investors, making it more likely that the ride-hailing startup will fetch or even exceed the \$23 billion valuation it is seeking, people familiar with the matter said on Tuesday.

Lyft started its IPO road show on Monday and has spent the last two days meeting with investors in New York, the sources said. It has set an indicative IPO price range of \$62 to \$68 per share and is set to price the IPO on March 28.

The exact level of oversubscription could not be learned. The sources cautioned that the IPO price is still uncertain and asked not to be identified because the matter is confidential.

Lyft declined to comment.

Walmart Out To Fix Health Care, Now Flies Employees To Top Hospitals For Treatment

Shoppers walk past the entertainment and electronics section in a Wal-Mart Supercenter store in Rogers, Arkansas.

OVERVIEW

Walmart shared a case-study this week on its efforts to improve health care for its employees. It described how a patient got an all expenses paid trip to Geisinger Medical Center in Pennsylvania with his wife to get a second opinion on whether he needed spine surgery. The employee, in fact, had Parkinson’s Disease. The decision saved Walmart \$30,000 by averting the procedure.

Compiled And Edited By John T. Robbins, Southern Daily Editor

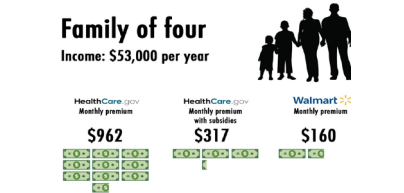

Case Study: “Bill,” an employee at Walmart, had been suffering from mild neck pain and a tremor in his hands. A local surgeon recommended spine surgery as the next course of action. Walmart decided to send him and his wife on a flight to a hospital in another state, all expenses paid, so he could get a second opinion. He saw a team of clinicians at Geisinger Medical Center, a top hospital system in Pennsylvania. They noticed a subtle shuffle in his step and diagnosed him with Parkinson’s Disease. The employee avoided a painful, expensive surgery that he did not need. Walmart (which is self-insured) saved about \$30,000 it would have paid for that surgery, and it also benefited when he went back to work after his symptoms improved. Geisinger got paid for the consult. In the end, Bill’s story, which both Geising-

er and Walmart shared this week with permission, was a win for everyone. (The study used “Bill” as a pseudonym to protect the employee’s privacy.)

But it also speaks to a larger trend: U.S. employers are getting increasingly fed up with the myriad problems with the U.S. medical system. Companies pay for about 49 percent of Americans’ health care, and are facing rising costs without any real improvements in outcomes. So Walmart and its partners published a case study detailing their approach in Harvard Business Review, in an effort to disseminate its ideas more broadly.

Walmart’s Lisa Woods, who wrote the piece with Jonathan Slotkin, a director of spine surgery at Geisinger, and Ruth Coleman, a health executive and nurse, described how they’ve succeeded by focusing on more than just lowering costs. They also looked for ways to improve overall health outcomes for their workers, so they could return to work, including by offering travel programs for workers to see doctors at top hospitals who were not incentivized to push for an unnecessary surgery. ‘Skinnin’ us alive’ Walmart is not the only employer advocating for change. Berkshire Hathaway’s Warren Buffett, who formed an alliance with J.P. Morgan CEO Jamie Dimon and Amazon’s Jeff Bezos, has described health care as the “hungry tapeworm on the American economy.” The trio of executives formed a nonprofit company in 2018, called Haven, to figure out how to stem health costs with technology. Walmart, which also offers pharmacy service and health clinics, has been aware of the problem for much longer than that. The Harvard Business Review piece noted that its founder Sam Walton in a meeting with senior leaders almost thirty years ago described health care as “skinnin’ us alive” He went on: “if we don’t get it done this year, I’m gonna get real upset. I mean real upset.”

The company’s Centers of Excellence program, which requires its employees to use a curated list of hospitals for some surgeries, has been in place for about six years. (It was optional until 2018.) It started with a relationship with Mayo Clinic, but Walmart has been forming these arrangements with other health centers including Geisinger. Spine surgeries were an early focus, as they are expensive and often unnecessary. Sometimes, these hospitals will agree with the community physician and recommend surgery. But they’ll often diagnose the patient with a different condition, like Bill, or they recommend physical therapy or other less invasive options instead. Walmart employees also get their travel paid for to get second opinions on cancer diagnoses and heart surgeries.

At the heart of the program is an idea that health care incentives need to change. Rather than paying health providers for performing procedures and tests, Walmart rewards them for overall health outcomes. And it’s going well, so much so that Walmart wants to encourage other employers to follow its lead. And Geisinger said wants to make the program available to smaller employers, including mid-sized companies. “This has been a journey we’ve been on for several years,” said Woods, a senior director in Walmart’s benefits department, in an interview with CNBC. “We’re committed to sharing what we learn.” (Courtesy https://www.cnbc.com) **Related** Walmart Health: Walmart is devising a novel market strategy around the unbundling and consumerization of health care critically distinct from both Amazon and CVS Caremark Walmart Health 1.0 Walmart has said their strategy—to have full-service primary care by 2020—five years ago. Walmart’s vice president of health and wellness payer relations—was asked whether the retailer plans to pursue retail clinics in rural areas. “That’s where we’re going now: full primary care services in five to seven years.” After Walmart spent years hosting retail primary care clinics through leases with local hospitals, the corporation opened its first fully-owned retail Care Clinics in 2014 in South Carolina, Georgia, and Texas. Walmart’s corporate strategy is centered on cost management and distribution efficiency. Walmart’s footprint allowed it to capitalize on a retail clinic market without a first-mover advantage, and pick geographical areas where it could offer a compelling, familiar consumer experience to address a bottleneck in access to health care, cost.

Out of pocket cost of services is the largest barrier to access to health care in South Carolina, Georgia, and Texas, which has

**TRUMP SIGNS LARGEST
WILDERNESS PROTECTION BILL
IN DECADE, DESIGNATES 375,000
NEW ACRES OF PROTECTED LAND**

President Donald Trump signed the country’s largest wilderness preservation legislation in a decade, the National Resources Management Act, or S.47, marking a surprisingly overwhelming bipartisan congressional effort. The bill passed the Senate with a vote of 92-8 and the House with a vote of 362-63. (Photo/Getty Images)

Compiled And Edited By John T. Robbins, Southern Daily Editor

President Donald Trump signed the country’s largest wilderness preservation legislation in a decade, providing widespread protections for Joshua Tree and Death Valley national parks. Trump’s signing of the National Resources Management Act, or S.47, marked a surprisingly overwhelming bipartisan congressional effort and began with the environmental protection bill introduced by Alaska Republican Senator Lisa Murkowski in January. The bill expands federally protected land, where there can be no logging, drilling, mining or road construction, and establishes 375,000 new acres of wilderness across California, Oregon, New Mexico and Utah. The bill passed the Senate with a vote of 92-8 and the House with a vote of 362-63. In another rare turn of events, the White

House did not issue a statement or remarks from Trump after he signed the bill into law Tuesday. Murkowski posted a video to Twitter showing Trump gifting her office with the Sharpie pen he used to sign the legislation. The legislation creates recreational benefits and added security to visitors and explorers of the national parks through the facilitation of biking, hiking and numerous other outdoor activities.

“We built it through a team effort that drew strong support from both parties in both chambers. Today is a triumph for good process and good policy, and this bill is a win for Alaskans and all Americans,” Murkowski tweeted Tuesday, lauding the bipartisan effort in Congress to pass the bill with overwhelming numbers. She noted Washington Democratic Senator Maria Cantwell worked with her on the lands package bill for several years. The bill, the “John D. Dingell Jr. Conservation, Management, and Recreation Act,” is the most encompassing federal wilderness law passed in the U.S. since March 2009. At that time, President Barack Obama signed legislation which designated 2 million acres of new protected wilderness across the Sierra Nevada and California desert regions.

The lands package bill included the Wild and Scenic Rivers Act, which protects 30,000 acres of old-growth rainforest and 250 miles of waterways along Oregon’s coastline. The bill was touted by Mojave Desert conservationists and also created a new national monument in honor of 431 people who were killed during the 1928 collapse of the St. Francis Dam near Santa Clarita, California, close to Los Angeles. But Trump’s signing of the bill was partially overshadowed by environmentalist groups angered that his proposed federal budget cuts funding by 31 percent for the U.S. Environmental Protection Agency, or EPA. His proposed budget also reduces funding for the U.S. Department of the Interior by 14 percent and completely eliminates a \$7,500 tax credit given to owners of electric vehicles. Additionally, the president named a former coal lobbyist, Andrew Wheeler, as head of the EPA. (Courtesy newsweek.com.)

**Related
President Trump Quietly Signs Largest Wilderness Preservation Bill in Ten Years**

President Donald Trump this week signed a massive wilderness preservation bill that sets aside 1.3 million acres of federal land in California, Oregon, Utah and New Mexico as wilderness. Land designed as wilderness cannot be used for logging, oil drilling or mining.

“This law will give countless Americans the chance to enjoy the natural wonders of our country as we uphold our responsibility to protect the beauty and glory of God’s creation for generations to come,” Trump said, according to the Victorville Daily Press. The bill creates 375,000 acres of wilderness in the Mojave Desert, according to San Jose’s The Mercury News. The bill expands Death Valley National Park by 35,929 acres and Joshua Tree National Park by 4,518 acres.

Geary Hund, executive director of the Joshua Tree-based Mojave Desert Land Trust, called the action a “huge win for conservation.”

“It ensures that some of the most important natural and cultural resources in the Mojave Desert will be protected and connected in perpetuity,” Hund said in a statement.

Hund said the areas that are targeted are “critically important” to desert ecosystems and “iconic desert species,” such as the desert tortoise and bighorn sheep. The “John D. Dingell Jr. Conservation, Management, and Recreation Act,” is a collection of Republican and Democratic proposals, including those to expand protection for various rivers, establish new Civil War monuments in Kentucky and in Mississippi and honor civil rights leaders Medgar and Myrlie Evers.

The bill will also permanently reauthorize the Land and Water Conservation Fund, which is used to fund parks and outdoor recreational amenities.

People sit on top of a rocky cliff looking out at a rocky canyon.

郭富城楊千嬅 麥路人發先導預告

近日，由寰亞電影、無限動力出品，鄭保瑞監制、黃慶助執導的影片《麥路人》在香港國際影視展“2019寰亞電影發布會”上亮相，本片以社會話題為題材，由壹眾金像實力派演員擔綱演出，包括影帝郭富城、影后楊千嬅、萬梓良、張達明、影後鮑起靜、劉雅瑟、顧定軒、黃悅珈等。發布會上片方曝光了“不壹樣的家”主題海報及預告片，首次向觀眾壹揭影片真容。

《麥路人》講述了壹群來自不同背景的陌生人，在快餐店內宿宵相遇，他們同舟共濟相互扶持，慢慢產生出家人般情感的故事。郭富城直言，接拍此片是被片方誠意及劇本所打動，當時他在戛納出席另外壹部電影的活動，對方特意將故事大綱帶到戛納給他看，看過劇本後便立即答應，他覺得以往拍過的電影題材都沒有如此鮮明，也希望這部電影可以引起社會關注。因他認為這部戲是真正對社會有貢獻、有共鳴，是有題材的壹部戲。郭富城說：“接拍攝這部電影不是為了自己，而是為真正有需要被幫助的人，作為演員有使命去將這部作品帶給更多人。在拍攝過程中我也非常投入，同時我希望可以幫到新導演，因為這個導演其實已經在電影圈工作很久，這次終於有機會拍

攝自己的電影。”楊千嬅透露，吸引她參演這部電影的原因就是“麥路人”三個字，“麥路人”又被稱為“麥難民”，指很多底層勞動者晚上無家可歸，選擇在麥當勞過夜。故事中的壹群陌生人演變成壹家人，而且有著壹份很入心的感情很令她感動。楊千嬅飾演的是壹位在廟街唱歌的人，她稱贊“電影很有質感，讓我認識到香港的本土文化”。顧定軒在《麥路人》中飾演壹個青少年，與壹群陌生人生活和成長，因為這次與很多優秀的前輩和拍攝團隊合作，直言像在做夢：“由選角到現在，整個過程像做了壹場夢。”劉雅瑟說，來到劇組感覺自己不是壹個陌路人，因為她感受到很多溫暖，大家都非常照顧她，她亦指出拍攝這部戲給她帶來很大的挑戰。張達明也表示為了飾演影片中的角色刻意的去

瘦身以更貼近角色。當日片方發布首款主題預告片及海報，在海報中胡子拉渣頹廢憔悴的郭富城坐在24小時便利店中，而預告片則是他從快餐店裏慢慢走出，只能看到他蕭條的背影，擡頭凝望著凌晨高樓林立的街道，彷彿在找何處才是他的安身之地。預告片中沒有壹句臺詞，但是低落的情緒直接從預告片中宣泄而出。影片《麥路人》中郭富城飾演了壹位金融才俊，但因壹次失誤而入獄8年，坐完牢回歸社會，發覺與社會完全脫節，就壹直在24小時營業的快餐店“生活”，而快餐店也成為了他的家，只不過這個家和正常的家不太壹樣。而本片講述的“無家可歸”也是當下香港人最關切的居住問題，現在很多低收入人群是連“籠屋”都住不到，以前的人會去公園或者橋底露宿，但是這幾年發現好

多露宿者會躲在24小時營業的快餐店坐通宵。本片對於諸位演員都充滿了挑戰，為了飾演好角色很多演員要忍受饑餓甚至自毀形象，除了這個外部的“形象摧殘”之外，還有對於內部的“情感摧殘”，因影片中的很多角色都是來自顛沛流離的群體，每個人都面臨著各種人生的問題及困難，演員在拍攝過程中會代入這種情緒中，久久的抽離不出那種負面與悲傷。本片也是郭富城與楊千嬅的首次合作，談到和郭富城的合作，楊千嬅稱：“他最厲害的地方在這次合作中也見識了，他非常投入，對劇情非常熟悉，在現場已經完全不需要花時間去想應該怎麼演，是可以壹秒鐘入戲的人。”據悉影片將於今年上映，屆時觀眾可在電影院壹睹此觸動人心之作。

《明日戰記》場面浩大 古天樂對決外星生物

在科幻題材的《流浪地球》大賣後，香港科幻大制作影片《明日戰記》日前也發布正式預告。在香港建築已被藤蔓遍布的末世場景中，古天樂駕駛高科技型戰機執行任務，還與劉嘉玲就行動計劃發生爭執。預告中還有大量與外星生物的追逐、打鬥鏡頭。另外，張家輝飾演的角色似乎另有圖謀，神秘策劃著壹個“天幕計劃”。

該片由古天樂、劉青雲、劉嘉玲、張家輝、姜皓文、謝君豪等主演，新晉導演吳炫輝執導，之前也曾發布過先導預告。《明日戰記》

耗資港幣4.5億制作，主要特效都由古天樂自己的公司“天下壹 ONE COOL”制作，他希望通過影片證明香港的特效已達國際水平，他本人不僅擔任主演，還擔任影片的出品人。

《明日戰記》的故事設定在2055年，那時候的地球深受汙染和全球變暖問題的困擾，壹顆隕石擊中地球，帶來壹種快速生長的觸須類外星生物，它在淨化地球的同時，也在殺死壹切生命。拯救地球的任務落在了壹支精英部隊身上。在與外星生物作戰的同時，他們也發現了壹個驚天陰謀。《明日戰記》有望於2019年秋季上映。

李少紅媽閣是座城 白百何深陷賭城

由李少紅執導，嚴歌苓同名小說改編的電影《媽閣是座城》先導預告正式曝光！影片講述了賭城澳門裏，壹個女人和三個男人的糾葛。3月15日，影片正式公布先導海報與先導預告，白百何、黃覺、吳剛領銜，劉嘉玲、曾誌偉等重量級戲骨加盟。預告中，白百何飾演的梅曉鷗輾轉於賭徒之間，情迷“媽閣”澳門，不知何去何從。

3月15日正式公布的“籌碼”版先導海報頗令人玩味，壹張斑駁的紅桃A，壹抹紅唇，欲說還休。先導預告中，賭城澳門紙醉金迷。風度翩翩的藝術家史奇瀾（黃覺飾）、聲名顯赫的企業家段凱文（吳剛飾），小人物盧香桐（耿樂飾）都甘願淪為賭客。而白百何飾演的梅曉鷗，在這座欲望都市中，做“疊碼仔”謀生。

預告中，梅曉鷗壹句“他是我帶進賭場的，這個責任我要負。”道出她和賭客們微妙的關係：遊走在男人和賭場之間，過著放債與討債的生活。只是別人討的，是“賭債”，而梅曉鷗討的是“情債”。壹個女人，三五過客，信任、博弈、決裂、真心，交織在這座人性迷城中。

作為這個“女人戲”的靈魂人物——梅曉鷗的飾演者，白百何在短短30秒的鏡頭中令人耳目

壹新，壹改以往的清新形象，眉宇間憂慮深藏，壹個在愛與生活中流離的隱忍女人躍然閃現。此外，《媽閣是座城》的陣容耀眼，老戲骨劉嘉玲、曾誌偉、梁天，年輕壹代的於小彤、胡先煦壹壹亮相，堪稱網羅幾代實力派，十分有戲。

電影《媽閣是座城》由李少紅執導，嚴歌苓同名小說改編。白百何、黃覺、吳剛領銜主演，劉嘉玲、曾誌偉友情出演，錢小豪、梁天、彭敬慈、魏璐主演，耿樂、蘇小明、於小彤、胡先煦特別出演。電影講述了壹個女人在賭城澳門做疊碼仔謀生，與三個男人發生的愛恨糾葛。影片將於今年在國內上映。

明星陣容

科幻巨制《沙丘》正式開機

甜茶滅霸贊達亞加盟 張震最後洽談中

科幻巨制《沙丘》正式開機，影片由傳奇影業制作，根據作家弗蘭科·赫伯特的小說改編，講述了地球紀元10191年，宇宙貴族們的金錢和權力的爭鋒。

據悉，美國傳奇影業目前正在與演員張震洽談加盟《沙丘》相關事宜，相信很快就會有是否加盟的消息曝光。

《沙丘》曾在1984年被搬上大銀幕，由大衛·林奇執導，凱爾·麥克拉克倫、肖恩·楊等明星出演。不過，這壹版《沙丘》因為過於深奧和晦澀，所以沒有獲得票房上的成功。

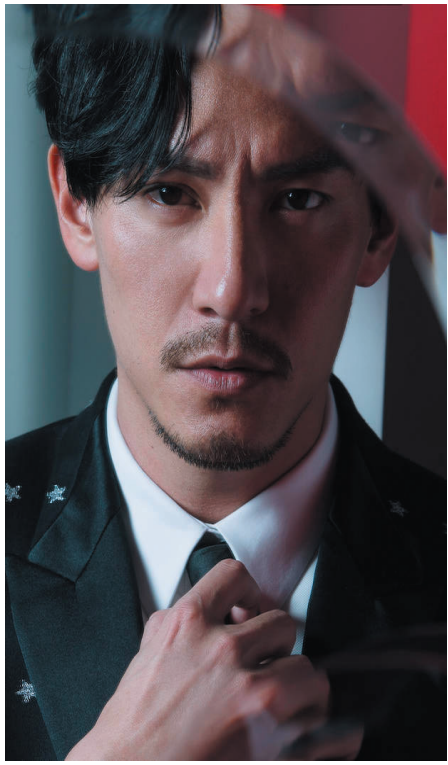

新版《沙丘》由丹尼斯·維倫紐瓦（《銀翼殺手2049》、《降臨》）執導。目前已經確認加盟的演員有提莫西·查拉梅、麗貝卡·弗格森、奧斯卡·伊薩克、喬什·布洛林、斯特蘭·斯卡斯加德、戴夫·巴蒂斯塔、贊達亞、大衛·達斯馬齊連、夏洛

特·蘭普林、傑森·莫瑪以及哈維爾·巴登。《沙丘》劇本由維倫紐瓦、艾瑞克·羅斯和喬·斯派茨共同執筆完成。

《沙丘》故事圍繞未來世界展開，少年保羅·亞崔迪的家族控制著沙漠星球亞拉基斯星。而亞拉基斯星的掌權則意味著對全部寶貴資源的唯壹掌控，如此誘人的權利引來了貴族家族們的紛爭。當保羅的家族遭遇背叛後，保羅帶領著壹支反叛軍開始踏上奪回亞拉基斯星控制權的旅程。

《沙丘》充斥著對政治、宗教、人與大自然之間複雜關係的主題闡述。該片由瑪麗·帕倫特、凱爾·波耶特以及維倫紐瓦擔任制片人。托馬斯·圖爾將攜手布萊恩·赫伯特、拜倫·梅利特以及金·赫伯特擔任執行制片，凱文·J·安德森將擔任該影片的創作顧問。

張震有望出演好萊塢科幻巨制《沙丘》

張震曾有多部重要作品獲得國際影壇認可，除曾因此獲邀擔任上屆戛納電影節評委，他主演的電影《刺客聶隱娘》也曾在戛納獲最佳導演獎項。他的代表作還有奧斯卡最佳外語片，李安導演作品《臥虎藏龍》，以及由王家衛執導的功夫史詩巨作《壹代宗師》，同時他主演的《龍先生》、兩部《繡春刀》都獲得肯定。他今年的新作，崔斯韋執導的電影《雪暴》，獲得2018年第23屆釜山國際電影節新浪潮獎，將於近期上映。

《地獄男爵》新劇照 血皇後美艷動人

近日，由獅門影業出品的《地獄男爵：血皇後崛起》發布多張劇照，地獄男爵酷炫登場，“生化女王”米拉·喬沃維奇飾演的血皇後驚艷亮相，另有多位邪惡反派和超多惡魔怪物現身，壹場正邪之爭的世紀大戰似乎壹觸即發。

重啟版《地獄男爵：血皇後崛起》講述了作為超自然調查防禦局(B.P.R.D)首席調查員的地獄男爵對抗企圖統治世界的血皇後、同時也對抗自己亦正亦邪內心的故事。

在此前曝光的預告中，摧毀城市的龐大怪物、巫師巴巴雅加輪番登場，惡魔現世裹挾而來的不寒而栗之感與巨龍身下熊熊燃燒的恐怖地獄火海，具象化地描繪了壹曲充滿史詩感的地獄版“冰與火之歌”。有趣的是該片導演尼爾·馬歇爾也曾執導過

《權力的遊戲》，對於大場面的調度能力可見壹斑。

在新曝光的劇照中，由“生化女王”米拉·喬沃維奇飾演的血皇後顯得美艷動人，她身後站著壹個外貌可怖的怪物。壹個是邪惡女巫壹個是野豬怪，這兩位有何表現令人好奇。

地獄男爵騎著壹匹矯健的黑馬，他前面的男人是歐西莫斯會社的

負責人。在原作中歐西莫斯會社是壹個與超自然力量有關的神秘組織，地獄男爵則隸屬於超自然力量防禦局，他們到底是敵是友？

另外，此次也首次曝光近景野豬怪物及女巫巴巴雅加劇照，細節逼真！滿口獠牙的豬妖身份陣營皆成謎，而巴巴雅加和她會動的小屋將展現怎樣的魔法則令人無比期待！

"好萊塢往事" 小李&皮特亮相 皮夾克黃襯衫演繹復古時尚

昆汀·塔倫蒂諾新作《好萊塢往事》首曝海報（預告還會遠嗎），萊昂納多·迪卡普里奧和布拉德·皮特壹身復古時髦的打扮，背景是山上著名的好萊塢標誌牌，以及壹輛黃皮車。

《好萊塢往事》是昆汀·塔倫蒂諾的第九部劇情片，也是他首部以真人事件為背景拍攝的電影。

故事發生在1969年的洛杉磯，壹位電視劇演員（小李子）憑借新作品壹夜走紅，這令他產生了投身電影圈的想法。與此同時，他的好哥們兼替身演員（皮特）也在暗中進行同樣的籌劃。曼森家族兇殺案將作為全片的背景故事出現。

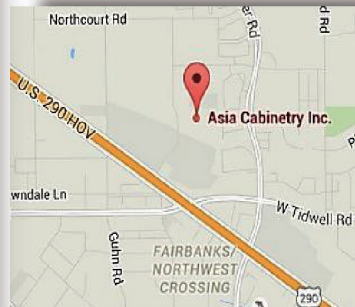

該片定檔2019年7月26日美國上映。

亞洲廚櫃

ASIA Cabinetry

- ✓現貨供應
- ✓品種齊全
- ✓質量最佳
